MASCOTS OF THE FLEET.

Jack Always Carries Strange Pets With Him.

Being of a very strong, sympathetic nature, with a great passion for animals, it is scarcely surprising that "Jack" dotes on mascots and pets. Dogs and cats are, of course, to the fore, and among the most famous camine pets of the Navy are the bull-London, March 10 .- The Germans dogs of the famous Rodney Stone are prepared to sacrifice men with- breed which Lord Charles Beresford out counting to win in this, to them, has presented to several Dreadthe culminating offensive of the war, noughts. Sir John Jellicoe, it may be But they are proceeding methodical- remembered, was presented with a ly, not forgetting that to their guns bulldog, Jumbo, as a mascot for his

Monkeys and parrots, however, are Guns are playing the principal role among sailors' favorite pets. Both former, in the words of the Irishman "does everything but spake, in case strange circumstances, says The found swimming about in the Pacific after the Dresden went down, and was picked up by one of the Glasgow's boats.

Another rescue incident is forthcoming in the story of Spot, of the Iron Duke. During the battleship's steam trials she rescued the crew of the SS. Scotsdyke, which had caught fire. The dog belonged to the captain, and was with him on the burning ship. An offer made after the rescue to present the dog to the Iron Duke was immediately closed with.

"An opossum on the Superb is one of the strange animals that sometimes figure on warships, but, apart from animals aboard, one of the strangest of naval pets or mascots is

to take live stock, poultry, and sheep to sea, and some good old yarns are told in consequence. Lord Charles to, has returned home. Beresford recounts that at the period when a ship's appearance depended ing her sister, Mrs. T. B. Caldwell, on the proper application of black and whitewash a certain captain found fault with the mate because the fowls and coops were dirty. The latter, to remedy matters, whitewashed the chickens and blacked were the property of the captain, returned to Picton. and failed to survive the treatment. It was then usual for the admiral to take a cow or two to sea, and the officers took sheep and fowls. Lord Charles remarks that there is a tradition in the navy to the effect that one cow used to be milked in the middle watch for the benefit of the officer, on watch, and, in order that the admiral should get his allowance of

#### SPRING MEDICINE

Sarsaparilla, the Great Blood Purifier, is the Best.

Spring sickness comes in some deree to every man, woman and child It is that run-down condition of

the system that results from impure, impoverished, devitalized blood. It is marked by loss of appetite and that tired feeling, and in many cases by some form of eruption. The best way to treat spring sick-

ness is to take Hood's Sarsaparilla. This old reliable family medicine purifies, enriches and revitalizes the blood. It is an all-the-year-round alterative and tonic, and is absolutely the best Spring medicine.
