THE PATRIOTIC FUND

A MEETING OF THE FINANCE COMMITTEE ON SATURDAY.
Over \$70,000 Paid Out In Relief In Kingston and Is Constantly Growing—Is the Committee to Grow Main?
There was a meeting of the Finance Committee of the Canadian Patriotic Fund on Saturday afternoon in the Board of Trade rooms. It was reported that of the total amount available by the local branch, after \$3,000 of the amount voted by the Council had been returned, was about \$51,000. Of this sum \$46,100 has been collected and \$46,000 remitted to the parent society in Ottawa.
Of the balance of the subscribed funds, \$5,600, it is estimated \$5,600 can be collected. Some of the sums are payable in installments, and they will not be due until September 1st.
The amount paid out in Kingston, in relief, up to date is \$70,828. The contributions for the last four months were: December, \$4,980; January, \$5,971.10; February, \$5,795.44 and March, \$5,858.40. In these four months alone the expenditure has been \$21,704.94.
The amount is growing from month to month as additions are being constantly added to the register of dependents. There are at present 379 families and 735 children upon the roll.
The question came up as to whether this Finance Committee had not reached the end of its service with the end of 1915, or at most with the collection on account of voluntary subscriptions. It was conceded, however, that there had to be two committees, in conformity with the constitution of the Canadian Patriotic Fund, and in all probability the Council would desire them to remain in office and in the discharge of their respective duties.

Gin Pills
FOR THE KIDNEYS
What They Have Done
"I suffered a great many years with kidney trouble; tried several remedies, and also doctors' medicine, with no result. Two years ago I read an ad. in a newspaper of 'GIN PILLS FOR THE KIDNEYS,' and sent for two boxes. They did me more good than all the medicine I had ever taken. After I used the first two I sent for two more boxes, and I am satisfied, and also know, that Gin Pills are the best kidney remedy made.
I used to have to rise three or four times in the night; now I can sleep and don't have to get up at all, thanks to GIN PILLS.

In a game played on Saturday at the covered rink, in the Juvenile League series, the Victorias defeated St. Mary's by 4 to 0. Samuel Hill was referee, and the teams were:
St. Mary's—Goal, A. Quinn; defence, H. McNeill, G. Devlin; rover, F. Cook; centre, J. Millan; wings, A. Langs and H. Flannigan.

Belleville Protests.
Sarnia's right to hold the title of O. H. A. intermediate champions in the 1915-16 season has been disputed by the Belleville Club, whom Sarnia defeated in the final by a single goal. Secretary Hewitt of the O. H. A. has received a telegram from Brock Shorey, manager of the Belleville team, to the effect that his club protests the victory of Sarnia on the ground that Hillman of Sarnia is ineligible under the residence rule.

Sporting Notes.
Manager Fellowes of the St. Nicholas rink, New York, who is at present in Toronto, states that Frank Heffernan, the former Victoria defence man, is the most finished hockey player in New York.

Howard McNamara, of the Canadians, has received word from the Naval Department in Ottawa that he is recommended for a position of chief motor-boat man, in connection with the auxiliary motor-boat patrol or submarine chasers.

Two of the best athletes in western Ontario have been accepted by the Sportsmen's 189th Battalion in Toronto in the persons of Wally Reynolds and Harold Gilles of Stratford.

Lieut. Sinc McEvenue, the well-known McGill football player and who is now acting paymaster of the 199th Battalion, has gone to Halifax with a number of the other officers of the battalion to qualify for the commission of captain.

Frank McLaughlin, an amateur sportsman, who has been handling the boxing classes at the University of Toronto since the enlistment of "Prof" Williams, has also joined the colors. He will be attached to the 53rd Battery, Royal Canadian Horse Artillery, at Kingston. McLaughlin is an accomplished horseman, having ridden frequently at Woodbine when races—for gentlemen riders—were raised.

New York has the same tale to tell as other places. The professional hockey players did not deliver the goods in the way of attractive exhibitions, and now nobody wants to see them. Manager Fellowes of the St. Nicholas rink says he will not put on any games between N.H.A. teams this winter. It has been the custom to have a post-season series for the benefit of New York lovers of the Canadian game, but the show was not worth the money. Mr. Fellowes declares, and that rink is closed to them.

Our Wounded Soldiers.
Ottawa Citizen.
A Canadian soldier who had lost a leg in Europe was recently discharged from a convalescent home in Montreal. He speedily turned up again drunk. As he had had the reputation of being a man of good habits, there was surprise. When sober, he explained: "After leaving the hospital," he said, "I discovered my pension was to be \$2.50 a week. I've lost one leg, and I'm pretty much of a wreck besides. I guess the best satisfaction I'll have now in this grateful country will be getting drunk."
Three-eighty a week doesn't seem quite enough pension for a Canadian soldier who has lost a limb in the war. Yet it is perhaps better in proportion than the scale of pension provided in the case of a man who has lost two limbs, or his eyesight.
Men crippled by wounds will not find it easy to get employment after the war, for the reason that a couple of hundred thousand disabled soldiers unwounded will be looking for jobs. So Parliament should have a special care for the cripples.
