NEW TREATMENT THAT KNOCKS RHEUMATISM

50c BOX FREE TO ANY SUFFERER. Up in Syracuse, N.Y., a treatment for rheumatism has been found that hundreds of users say is a wonder, reporting cases that seem little short of miraculous. Just a few treatments even in the very worst cases seem to accomplish wonders even after other remedies have failed entirely. It seems to neutralize the uric acid and lime salt deposits in the blood, driving all the poisonous clogging waste from the system. Soreness, pain, stiffness, swelling just seem to melt away and vanish. The treatment first introduced by Mr. Delano is so good that its owner wants everybody who suffers from rheumatism or who has a friend so afflicted, to get a free 50c package from him to prove just what it will do in every case before a penny is spent. Mr. Delano says: "To prove that the Delano treatment will positively overcome rheumatism, no matter how severe, stubborn or long standing the case, and even after all other treatments have failed, I will, if you have never previously used the treatment, send you a full size 50c package free if you will just cut out this notice and send it with your name and address with 10c to help pay postage and distribution expenses to me personally." F. H. Delano, 773 Wood Bldg., Syracuse, N.Y. I can send only one Free Package to an address.
