HAS REACHED NEW YORK.
But She Came Across the Ocean on a
British Liner.
Mrs. James T. Sutherland and
daughter have reached New York on
the S.S. Laplander, and will spend
Easter there before returning to
Kingston. Mrs. Sutherland was the
Kingston lady who, when it was sug-
gested to her in England that she
come home on a United States liner,
replied that the Stars and Stripes
were no protection to people travel-
ling on the high seas, and that she
would not travel on an American ves-
sel. She had crossed on a British
steamer, and she would return on
one, no matter what the danger. This
is an instance of the pluck and pa-
triotism of Canadian women.

PTE. FREDERICK CLARK
Kingston Member of the 21st Battal-
ion Wounded.
Mrs. Alice Clark, 184 Montreal
street, received the following mes-
sage from the Adjutant-General at
Ottawa on Wednesday morning:
"Regret to inform you that Pte.
Frederick Clark, 21st Canadian Bat-
talion, admitted to No. 4 General
Hospital, Camiers, April 11th, suffer-
ing from gunshot wound in head.
Will notify you when particulars are
received."
It is thought that the wounds were
received on April 10th, the same day
other Kingstonsians were wounded.

SAW 250 PRISONERS THE FIRE COMMITTEE

**CAPTURED BY THE SCOTCH
REGIMENT TWO WEEKS AGO**
21st Battalion Members Write Home
That the Prisoners Were Sick of
Fighting and Glad To Be Captur-
ed.
An evidence that the 21st Battal-
ion is in the zone where the heavy
fighting is going on is shown in the
fact that the Kingston members of
the battalion had the opportunity of
seeing 250 German prisoners who
were taken by British troops the
first week in April.
Members of the 21st Battalion
writing to their friends in Kingston
tell of seeing the German prisoners.
Some of the Kingston men state that
the Teuton prisoners were so sick
of fighting that they were glad to be
taken.
A letter from a private in the 21st
Battalion, received on Monday morn-
ing reads as follows: "I received
your letter about four days ago but
I have not had chance to answer
it. We are very busy lately. There
is lots of work to do mostly at night
and a fellow has very little time
in which to write.
"I saw a big bunch of German
prisoners the other day. They were
a sight to see, before we sent them
they were mud from head to toe.
The Scotch regiment which captur-
ed them had to dig them out of the
holes in the ground like rats, when
they got into the German trenches.
It is pretty lively around here just
at the present moment. The shells
are flying in all directions. They
make more noise than six thunder
storms. If I ever get out of this
war alive I will be able to sleep if
there were ten brass bands playing
at the foot of the bed."

**CARLOAD OF GOODS
WAS BROKEN INTO.**
Joseph Abramson Reports That
\$500 Worth of Materials
Stolen.
Joseph Abramson, 213, Princess
street, is having investigated by the
Grand Trunk Railway detectives the
robbery of a carload of goods that
were shipped from Cobourg to the
city. Mr. Abramson purchased a
bankrupt stock of goods at Cobourg
and consigned them to the city to be
sold. The car arrived on Saturday,
but upon being opened, goods to the
extent of \$500 were missing. The car
was broken into at some point be-
tween Cobourg and Kingston, but not
in the local yard. The articles tak-
en were sweaters, silks, clothing, etc.

EDUCATIONAL TALK
By Prof. K. Mather at the Y.M.C.A.
Building.
Those who attended the second of
the series of complimentary educa-
tional talks at the Y.M.C.A. build-
ing Tuesday night were delighted
with the interesting and interesting
address given by Prof. K. Mather of
Queen's. The subject, "Across the
San Juan to the Cave Dwellings of
the Mesa Verde, Colorado," was il-
lustrated by beautiful color slides
made from original photographs tak-
en by the lecturer during his three
years' experience in United States
Geological Survey work. The moun-
tain scenes thrown upon the screen
really justified the term "Switzer-
land and America," sometimes ap-
plied to these beautiful San Juan
mountain regions. And the ruins of
the dwellings including the peculiar
cleverly designed underground
chambers occupied by these Mesa
Verde dwellers over five hundred
years ago, before white man came
to America, displayed some clever
masonry considering the fact that no
metal tools were possessed. By these
humble dwellers of the great south-
west cliff ruins.

At the close of the address a vote
of thanks was proposed by Secretary
F. J. Wilson, and passed on to the
lecturer by C. A. Bunt, Chairman of
the Educational Committee.

AT QUEEN STREET CHURCH.
Rev. D. G. Rideout Conducted Ser-
vice on Tuesday Night.
The special service at Queen
street Church on Tuesday night was
conducted by Rev. D. G. Rideout, of
Barnston, Quebec, who gave an in-
teresting discourse on "The Vision
of Christ and How to Get It." Dur-
ing his remarks he stated that Christ
is seen to-day by honest and sincere
men who have entered them-
selves to Him in definite service.
The introduction of a number of
new hymns, with lantern slides,
have proved very attractive at these
services. Thursday night Rev. Al-
fred Brown of Sydenham Street
Church will be the preacher.
On Friday evening there will be a
special service at the request of a
number of citizens who have rela-
tives and friends overseas. The
service will be in honor of all men
fighting at the front.

TO BE GIVEN A CHANCE.
A Wayward Lad To Have a New
Start in Life.
At a session of the Juvenile Court
on Wednesday morning, arrange-
ments were made for the handing
over of a twelve-year-old lad as a
ward of the Children's Aid Society.
The lad has been rather wayward,
and under the Society's care he will
be given every opportunity to make
good. The Society will place him in
a good home, away from all his old
companions. He will be sent to
school, and in a short time there is
no doubt but that good reports will
be received concerning the lad, who
it appears, has not had a good
chance in life. This is the kind of
work the Children's Aid Society is
ever engaged in.

THE FIRE COMMITTEE

**ACCEPTS TENDERS FOR LIFE
NET AND TARPAULINS.**
Ald. Corbett Objects To the Manner
In Which the Tenders Are Present-
ed To the Committee.
When tenders were to be opened at
the City Property Committee meet-
ing Tuesday afternoon, Ald. Corbett
objected to the tenders being an-
nounced by number only. He want-
ed to know the names of the tender-
ers before he voted upon any con-
tract award. Some tenders had
gone through that he was not satis-
fied about, and he moved that the
names of tenders be given when
the tenders were read out.
The Chairman stated that it was
the custom of civic committees to
number the tenders and not announce
the names till the award was made.
He was prepared to follow that cus-
tom, as he thought it was the safest
way.

"What if the successful tenderer is
not a responsible man?" asked Ald.
Corbett.
"You don't award it," replied Ald.
Nickle. "The tenderer has to sign
an agreement with the city before he
secures a contract."
Ald. Corbett's motion was lost on
a vote of 3 to 2, the mover and Ald.
Clugston voting ye, and Ald. O'Con-
nor, Laturney and Nickle nay.
"I'm glad I have some support in
this matter," said Ald. Corbett.
The committee recommended that
the following tenders be accepted:
Thomas A. Andre for rebuilding the
front doors of No. 1 fire station,
\$82.50; H. C. Brennan & Co., Ota-
wa, for a Browder life net, \$163.50;
six tarpaulins, Frank W. Cooke,
\$8.70 each.
Chief Armstrong announced that
the two new fire alarm boxes had
been put in operation.
In attendance were Ald. O'Connor
(chairman), Corbett, Clugston, La-
turney and Nickle.

FIREMEN GIVEN TEST.
One Horse Was Badly Injured As the
Result of a Fall.
After the meeting of the Fire and
Light Committee on Tuesday after-
noon, Chairman O'Connor and his
colleagues journeyed to the Kingston
Hosiery Company's plant and sent
in a telephone call to the fire depart-
ment as a test.
The run was an unfortunate one for
the department, as one horse was
badly injured as a result of a fall.
While dashing along Barrie street,
the crew team on the hose wagon of
the Brock street station fell, and one
of the horses suffered some very seri-
ous cuts. The team on the truck
from the Brock street station also
suffered a fall, but luckily were not
injured.

Grateful To His Neighbors.
James Barker, Mountain Grove,
the popular reeve of the township of
Olden, was in the city Wednesday on
a business trip. On the evening of
March 5th, while visiting a neighbor,
Mr. Barker sustained the loss of his
home by fire. "I did not know," he
told the Whig, "that there were
such good people in all this world as
these neighbors of mine. They did
everything humanly possible to help
me and my family in our trouble. I
lost everything I had in my home
and had very little insurance, and I
tell you I must deeply appreciate the
very kind consideration of my neigh-
bors in Mountain Grove."
