 The pupils of Gananoque High School held their annual cross-country run and shooting match on Thursday afternoon. The run was over a four mile course. There were five competitors the finish being in the following order: Ernest Bradley, Godfrey Bird, George Balls, Gerald Pauler, and Jack Sampson. The trophy was a handsome bronze shield and was won for senior third form. In the shooting tournament, only the first and second form completed. The third form will shoot on the afternoon of school opening after Easter vacation.

RUN-DOWN WOMEN.

We Have a Remedy That Will Cost You Nothing If It Does Not Help You.

Kingston women will please realize that we mean just what we say in the above heading. Letters like the following prove the efficiency of Vinol in such cases:
 "For the benefit of the other tired women, I want to say that I keep house for seven in my family. I became run-down, all played out, I did not seem to have any life in me and looked badly. I read so much about Vinol I decided to try it and I must say it helped me in every way. It built me up so I felt like a new woman, and my friends said they could see a great change in me."
 Mrs. John M. Waldron, Saratoga Springs, N.Y.
 We recommend Vinol to our customers as the greatest strength creator we know — due to the extractive medicinal elements of fresh cod livers, without oil, combined with peptonate of iron and beef peptonate, all dissolved in a pure medicinal wine.

NEW STRENGTH FOR LAME BACK.

Letter Told of Long-Island - For Prescription.
 Dear Mr. Editor— I suffered from lame back and a constant tired, worn-out feeling. At times I was unable to stand erect and scarcely able to get around. It would usually come on at first with crick in small of my back. I took one box of Dr. Pierce's Anuric Tablets and my back commenced to get better soon after starting to take them. I did not have to walk doubled over as I did before using the "Anuric." It is the best remedy I have ever taken for what it is intended to relieve.
 I hope those who are in need of such a remedy will give the "Anuric Tablets" a trial.
 (Signed) A. G. DRAKE, 4

Note: Up to this time, "Anuric" has been on sale to the public, but by the persuasion of many patients and the increased demand for this wonderful healing tablet, Doctor Pierce has finally decided to put it into the drug stores of this country within immediate reach of all sufferers.

Simply ask for Doctor Pierce's Anuric Tablets. There can be no imitation. Every package of "Anuric" is sure to be Doctor Pierce's. You will find the signature on the package just as you do on Dr. Pierce's Favorite Prescription, the ever-famous golden to alling women, and Dr. Pierce's Friend Medical Discovery, proven by years to be the greatest general tonic. Send 10 cents to Dr. J. M. Pierce, Buffalo, N. Y., for large trial package.
 At any rate don't give up hope of being cured of your malady until just a few doses of "Anuric" have proven that it will make you feel like a different person.

Export— Please insert this letter in some conspicuous place in your paper.

COLORS PRESENTED.

The 80th Battalion Regarded As Superior Force.

Belleville, April 22.—In the presence of thousands of spectators regimental colors were this afternoon presented to the 80th Battalion, which will leave this city in a few days for overseas. The colors were the gift of the members of the Ketcheson family, of Hastings county, and were most beautiful in design. The gift was in recognition of the fact that Lieut.-Col. Ketcheson is the commanding officer of the regiment. The battalion, 1,100 strong, presented a most imposing appearance, and at a most impressive ceremony, inspected by Col. Hemming, officer commanding the 3rd Military Division. The colors were consecrated by Rev. Canon Bemish, rector of St. Thomas' Church, after which they were paraded before the battalion. Addresses of a patriotic nature were given by Mayor Ketcheson, of this city; Col. Hemming, of Kingston; Sir M. Bowell, Col. Ponton, and a reply by Col. Ketcheson, the commanding officer. Miss Nettie Ketcheson, a daughter of Col. Ketcheson (who has two sons at the front and one with the 155th Battalion being mobilized here), read an address in making the presentation of the colors on behalf of the donors. The affair was most impressive in its character. In his remarks Col. Hemming referred to the fact that the 80th Battalion was in every respect one of the best battalions leaving Canada.

Get a 10-cent box. Colds—whether in the head or any part of the body—are quickly overcome by urging the liver to action and keeping the bowels free of poison. Take Cascarets at night and you will wake up with a clear head and your cold will be gone. Cascarets work while you sleep; they cleanse and regulate the stomach, remove the sour undigested food, and foul gases; take the excess bile from the liver and carry off the constipated waste matter and poison from the bowels.

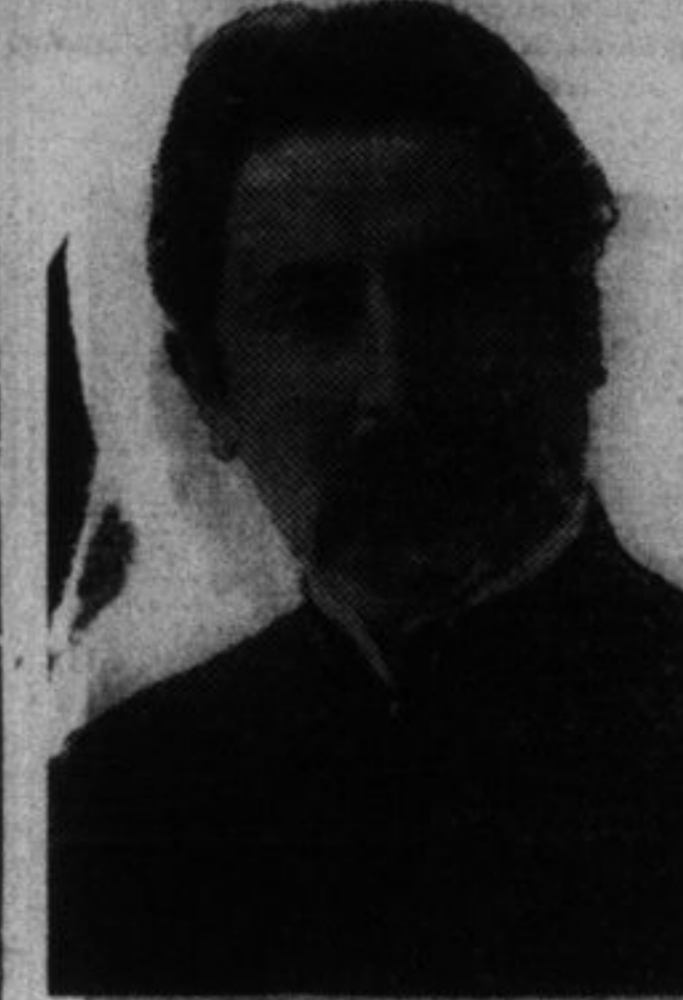

Remember the quickest way to get rid of colds is one or two Cascarets at night to cleanse the system. Get a 10-cent box at any drug store. Don't forget the children. They relish this Candy Cathartic and it is often all that is needed to drive a cold from their little systems.

CREATOR AND BAND.
 Subscription For Tickets Circulated to Hear Him.

Creators claims that an individual has been reaping large profits and giving an incalculable amount of trouble in various parts of the United States, by dragging a third-class band around the country, conducting in an aerobic but inefficient manner, and calling himself "Creator." Creator instituted proceedings to have the imitation Creator stopped from the use of the name, and as court injunctions seemed to have no effect it became necessary to prosecute him and ask for a jail sentence, which was duly awarded a few weeks ago in Brooklyn.

POLICE COURT BREVITIES.

Able-bodied Man Before the Magistrate for Vagrancy.

Harry Orr, an able-bodied man, was charged with vagrancy in the Police Court on Saturday morning. He said he had been working steadily for three months, but that he had not been working the past three weeks. Two drunks were dismissed, and a lad who was arraigned in the Juvenile Court on a charge of shoplifting at Woolworth's store, was allowed to go on suspended sentence, as it was his first appearance. The lad, who halls himself to some small articles, valued at sixty cents.

WOMAN GIVEN TWO DAYS

To Make Up Her Mind for Surgical Operation. She Refused; Cured by Lydia E. Pinkham's Vegetable Compound.

Philadelphia, Pa.—"One year ago I was very sick and I suffered with pains in my side and back until I nearly went crazy. I went to different doctors and they all said I had female trouble and would not get any relief until I would be operated on. I had suffered for four years before this time, but I kept getting worse the more medicine I took. Every month since I was a young girl I had suffered with cramps in my sides at periods and was never regular. I saw your advertisement in the newspaper and the picture of a woman who had been saved from an operation and this picture was impressed on my mind. The doctor had given me only two more days to make up my mind so I sent my husband to the drug store at once for a bottle of Lydia E. Pinkham's Vegetable Compound, and believe me, only took four doses before I felt a change and when I had finished the third bottle I was cured and never felt better. I grant you the privilege to publish my letter and an only too glad to let other women know of my cure." Mrs. Thos. McDermott, 3432 Hartville Street, Phila., Pa.

HOT WATER THE BEST LIVER AND BOWEL MEDICINE

Says glass of hot water before breakfast washes poisons from system.

Physicians the world over recommend the inside bath, claiming this is of vastly more importance than outside cleaning, because the skin pores do not absorb impurities into the blood, causing ill health, while the pores in the ten yards of bowels do.

Men and women are urged to drink each morning, before breakfast, a glass of hot water with a teaspoonful of limestone phosphate in it, as a harmless means of helping to wash from the stomach, liver, kidneys and bowels the previous day's indigestible material, poisons, sour bile and toxins; thus cleansing, sweetening and purifying the entire alimentary canal before putting more food into the stomach.

Just as soap and hot water cleanse and freshen the skin, so hot water and limestone phosphate act on the eliminative organs. Those who wake up with bad breath, coated tongue, nasty taste or have a dull, aching head, shallow complexion, acid stomach; others who are subject to bilious attacks or constipation, should obtain a quarter pound of limestone phosphate at the drug store. This will cost very little, but is sufficient to demonstrate the value of inside bathing. Those who continue it each morning are assured of pronounced results, both in regard to health and appearance.

TO REDUCE YOUR WEIGHT EASILY AND QUICKLY.

If you are overweight the cause of your over-stoutness is lack of oxygen-carrying power in the blood and faulty assimilation of food. Too little is being made into the harder tissue of muscle, too much into little globules of fat. Therefore you should correct the mal-assimilation and increase the oxygen-carrying power of the blood. To do this, go to any good druggist and get all of orlene, only sold in original packages and in capsule form, and take one capsule after each meal and one at bedtime till your weight is reduced to what it should be on all parts of the body. The effect of orlene in capsule form is remarkable as a weight reducer and it is perfectly safe.—E. J. T. Any druggist can supply you or a large size box will be sent on receipt of \$1.00. Address D. J. Little Drug Co., Box 1240, Montreal, Can.

Dandruff Soons Ruins The Hair

Girls—if you want plenty of thick, beautiful, glossy, silky hair, do by all means get rid of dandruff, for it will starve your hair and ruin it if you don't.

It doesn't do much good to try to brush or wash it out. The only sure way to get rid of dandruff is to dissolve it, then you destroy it entirely. To do this, get about four ounces of ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

By morning, most if not all of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it. You will find, too, that all itching and digging of the scalp will stop, and your hair will look and feel a hundred times better. You can get liquid arvon at any drug store. It is inexpensive and four ounces is all you will need, no matter how much dandruff you have. This simple remedy never fails.
