Temperance Inns. Toronto News.

Exemption from ordinary municipal taxation and a monopoly of the hotel side of "soft drinks", cigars and cigarettes should help to render feasible the maintenance of temperance inns in towns and villages.

Government legislation in aid of such inns does not relieve prohibitionists of direct responsibility for providing the traveling public with decent accommodation. This is an obligation which Mr. Hearst, has more than once emphasized, and it should not be neglected by municipalities throughout the province.

Church Union. Brantford Expositor.

The movement for church union in Canada is by no means dead, but union is again recommended by the special committee of the Presbyterian Church of Canada, and will be considered at the meeting of the general assembly, which will be held in Winnipeg next June. The motion was not carried without opposition, but the fact that it has been carried is indicative that the fight is not by any means over yet.

Dr. W. F. King, Canada's chief astronomer, is seriously ill, and is confined to bed.

TREBIZOND TAKEN

GLAD EASTER SUNDAY

SPECIALLY OBSERVED IN ST. MARY'S CATHEDRAL

The Sermon at Pontifical High Mass Was Preached by Rev. Father Scholly of Toronto.

Glorious Easter was again this year observed in St. Mary's Cathedral with all the pomp and solemnity becoming the great feast. The altars, sumptuously decorated with palms, lilies and lights, presented a most attractive appearance.

A joint choir of boys and men under the baton of N. E. O'Connor, rendered with exquisite taste Wigand's latest mass in three parts; the soloists being the leader himself, Rev. R. Halligan, I. Norris and young Leo Clarke, a sweet little singer.

At the offertory, the stirring strains of "Abeulah" directed by the organist, were rendered with triumphal harmony, the great organ at which Prof. Denis presided, pouring its flood of majestic music.

At the gospel, Rev. Father Scholly, C.S.S.R., Toronto, ascended the pulpit and preached a forceful sermon on the Resurrection, deducing therefrom such conclusions as should go to adorn the lives of faithful followers to adorn the Divine Exemplar. This masterly piece of sacred eloquence would have to be heard to be fully appreciated. The service concluded with the imparting of the Pontifical Benediction by the Archbishop.

At St. Paul's Church. The Easter services in St. Paul's Church were very bright. There was excellent music by the choir under the direction of Prof. W. H. Miller and Sergt. Major Harter. The communicants numbered 239.

Owing to some mistake in the orders, some of the artillerymen were paraded to St. Paul's at 9:30 a.m., when there was no service. The men were taken to another church, but many of them attended evening prayer at St. Paul's.

WEDDING CEREMONY IN A GRAVEYARD.

Tradition Says Typhus Epidemic in Galicia Will Now End.

Lublin, Galicia, April 24.—A wedding ceremony in a graveyard was the unique event witnessed here a few days ago by a throng of thousands of Lublin's citizens.

The poorer classes of the Jewish population of Poland there exists a traditional superstition that when there is an epidemic in a city it can be banished by marrying a healthy couple in a cemetery.

The union thus solemnized, the story goes, expels the evil spirits of sickness. There is a great epidemic of typhus in Lublin, especially in the Jewish quarters. So the Jews decided to employ the remedy handed down by generations. A young man and woman were picked out who had never known one another before, and funds were collected to enable them to found a home.

An elaborate baldachin was erected in the cemetery, and upon a considerable part of the graveyard there was spread out a great quantity of snow-white linen donated to the bride. Thus, amid Lublin's dead, the couple were married, the solemn ceremony attracting thousands. All returned to their homes in the belief that now the typhus epidemic would promptly cease.

The analysis of the contents of these packets has revealed that they were composed of saccharine and virulent bacilli.

Fresh seeds, in bulk or package. Dr. Chown.
