Gananoque

(From Our Own Correspondent). April 24.—Although the heavy downpour of rain on Saturday prevented the big parade arranged for that afternoon, the celebration was by no means a fiasco. The armory was utilized for the occasion and was packed to the doors by an enthusiastic gathering. The Citizens' Band furnished a fine programme of musical selections and the band of the 156th Battalion, Brockville came up for the occasion. The pupils of the high and public schools sang a number of the very latest patriotic songs, while the local clergy and a number of others gave rousing patriotic addresses. Throughout the day flags were flying about the town. The death of three well-known young Gananoqueans reported during the past week at the front, and the return of Sgt. R. H. Case brought military matters close to home. At St. Andrew's Church at four o'clock Saturday afternoon a very pleasing wedding was solemnized by Rev. C. E. Kidd, when Miss Nellie Thetic Wright, daughter of Mr. and Mrs. Charles K. Wright, Sydenham street and a former teacher of the staff of Stone Street Public School, was united in marriage to Robert Edmund Robb. The ceremony was witnessed by a large number of friends. The bridal party repaired to the home of the bride's parents where a reception was held until 6 p.m. Saturday was another big day at the market, a large number of live hogs being disposed of by the farmers of the surrounding rural district to local buyers for shipment. Recent prices will average about 11 cents a pound. Gananoque Lodge No. 114 I.O.O.F. attended divine worship in St. Andrew's Church yesterday morning. The sermon was preached by Rev. C. E. Kidd. At the S. A. Hall last evening Captain Leader, who has been in charge of the local corps for several months gave his farewell address and will leave for Belleville early this week to take charge there. The Percheron Stallion "Victoria," owned by the Percheron Association, Front of Leeds and Lansdowne, was disposed of by public auction at the Brophy House on Saturday afternoon. The price paid was \$155, it is understood. Word has been received here by relatives of the marriage at Holy Trinity Church, Winnipeg, on Saturday, April 15th, of Arthur Edward Stauden, son of the late Edward Stauden, of this town, to Miss Kathleen Douglas Adair, daughter of Mr. and Mrs. C. F. Adair of that city. The local squad of the 156th Leeds and Grenville Battalion attended divine service in Grace Church yesterday morning. Miss Alma Thompson, superintendent of the General Hospital, Cornwall, is spending a short time with friends in town. Mr. and Mrs. H. Begg of Montreal are guests of the latter's parents, Mr. and Mrs. Alexander See, George R. Webb, Charles street, who recently underwent an operation in Brockville and returned home sufficiently recovered to resume his duties in the office of H. Wilson & Son. Mr. N. M. Wright, spending the past winter in Watertown, N.Y., has returned to town. Mrs. C. H. Bird, spending a few weeks with Toronto friends has returned home. Mrs. David Bain, Pine street, has returned from a short visit in Hamilton. Mrs. Joseph LaFrance, Stone street, spending a few weeks in Peterborough with her daughter, Mrs. Joseph Glass, has returned home. Miss Juliana Stevens is visiting friends in Hamilton.

GOOD WORK.

Proper Food Makes Marvelous Changes. Providence is sometimes credited with directing the footsteps of a simple way as the reading of a food advertisement. A lady writes: "I was compelled to retire from my school teaching because I was broken down with nervous prostration. I suffered agonies in my back and was in a dreadful nervous condition, irritable, with a dull, heavy headache continually, had no appetite and could scarcely digest anything. I was unable to remember what I read and was, of course, unfit for my work. "One day, as if by providence, I read the testimonial of a lady whose symptoms were much the same as mine, and she told of how Grape-Nuts food had helped her, so I concluded to try it. "I began with Grape-Nuts, a little fruit, and a cup of Postum. I steadily improved in both body and mind. Grape-Nuts has done more for me than all the medicine I have ever taken. I am now well again and able to do anything necessary in my work. "My mind is clearer and my body stronger than ever before. "There's a Reason." Name given by Canadian Postum Co., Windsor, Ont.

KINGSTON DOGS WIN

VALUABLE PRIZES AT TORONTO KENNEL CLUB SHOW. Six Animals Took Twelve Firsts, Two Seconds, One Third and Four Specials. W. A. Twigg exhibited six Kingston dogs at the Toronto Kennel Club show on Friday and Saturday of last week and brought back with him twelve first prizes, two second prizes, one third with two winners and four specials. The exhibition was for Russian wolf hounds, Boston terriers, French bulls and Cocker spaniels. In the Russian wolf hound class "Sophia," owned by H. C. Nickle won the first limit and first open, which gives Mr. Nickle the championship on Sophia. Sophia also made a great run for the special prize for being the best specimen of dog or bitch in the show. The judges finally decided on a dog in preference to the local animal. It is worthy of note that the judge wanted to buy Sophia and a telegram of inquiry to Mr. Nickle brought back an answer: "Congratulations but not for sale." "Sydenham Lord Lovatt" in the Boston terrier class won the first limit and first open both for dog and bitch. "Sydenham Lassie" won first in open bitches. Both of these animals are owned by Charles T. McKay of this city. In judging of the French bulls, Mr. McKay's "Sydenham Bona" won best novice, first limit, first open and first winners for dogs and bitches of this class. W. A. Twigg's cocker spaniels also won several valuable prizes. His "Red Boy" won the first novice, first limit and first open for red dogs, and "Perfection Girl." He won the second for puppies of all colors, third novice for any other color than black. Considering the fact that she is only six months old "Perfection Girl" is certainly of a high standard. Twigg's "Red Boy" won the cocker spaniel club special, a cut glass berry bowl valued at \$5 for the best red dog or bitch in the show. It also won a bronze medal for the best novice red dog or bitch in the show, one half dozen hand-painted china tea plates which were donated by Mrs. F. W. Lewis, Toronto, for the best red dog in the show open to all. "Perfection Girl" won a cut glass berry bowl valued at \$5 for being the best cocker puppy of any color

NERVOUS BREAKDOWN.

Stamford, Conn., Nurse Tells How She Found Health. Stamford, Conn.—"I am a nurse and suffered from a nervous breakdown. I had no appetite and could not sleep at night, and nothing seemed to help me. By chance I heard of Vinol, and after taking the first bottle I noticed an improvement, and four bottles made me well and strong, it gave me a hearty appetite, so I can sleep soundly night or day. I consider Vinol a wonderful tonic." Edith R. Forbes, Stamford, Conn. The reason Vinol is so successful in overcoming such conditions is because it is a constitutional remedy and goes to the seat of the trouble. It is the greatest strength creator we know—due to the extractive medicinal elements of fresh cod livers without oil, combined with peptonate of iron and beef peptonate, all dissolved in a pure medicinal wine. We have seen so many wonderful recoveries like this right here in Kingston caused by Vinol, that we feel perfectly safe in offering to refund the purchase price in every case where Vinol fails to benefit.
