## A GIFT OF \$10,000

FROM CHANCELLOR DOUGLAS FOR WOMEN'S RESIDENCE

Announced at Meeting of Queen's Council—Necessity For Student Courses Along Commercial Lines.

A meeting of Queen's University Council was held on Tuesday afternoon. The Chancellor, Dr. James Douglas and Principal Gordon were unable to be present. In their absence the chair was occupied by the Vice-Principal, Dr. John Watson.

D. M. McIntyre, K. C., and Rev. S. Harper Gray, D. D. Toronto, were elected as the Council's representatives on the Board of Trustees for three years. Rev. D. Strachan, D. D., Toronto, was elected to fill the unexpired term on the Board of Trustees of the late Dr. P. C. McGregor, of Almonte.

Dr. Edward Ryan resigned as representative on the Medical Council, owing to his absence on military service overseas. Dean Connell was appointed in his place.

Reports were read from the Deans of the various faculties, all of which showed progress, but pointing out the handicap under which the faculties were working, owing to the demands made on the staff by the war, several of the members now doing service overseas.

The announcement was made of a cheque for \$50,000 from the Chancellor, Dr. James Douglas, for the University library, bringing his total gift for the library up to \$150,000, and also a cheque for \$10,000 for the women's residence. The funds now in hand for the latter purpose makes it extremely likely that action will be taken by the Board of Trustees in the near future to commence the erection of the new residence.

It was stated to the Whig that a committee having the funds in charge for the new residence, had now \$35,000.

The Council memorialized the Board of Trustees in regard to changes in the constitution of the Council, with the idea of increasing efficiency and interest in its meetings.

Dr. Drummond, Toronto, pointed out the opportunity as a result of the commercial development, which will take place after the war, for the University to try and prepare courses for training students along commercial lines and in modern languages with particular references to business purposes and knowledge of customs and conditions in foreign countries, with the object of assisting our manufacturers, in taking full advantage of foreign trade.

The matter was referred to the University Senate, with a view that such action as might be possible, be taken.

Lieut. B. Poyser, Prescott attached to the 146th Battalion, has been transferred to an overseas battalion at North Bay.

The first rehearsal of the 146th Battalion minstrels was held in St. Paul's Church, Sunday School on Tuesday evening. All the principals were present and some of the new songs were tried out. Great enthusiasm prevails, and when presented on May 12th should be a success.

Col. T. D. E. Hemming, D.O.C., has been kind enough to allow his name to be used in connection with the production and it will be given under his patronage.

Following is the list of names of the probationers who entered the Infantry School of Instruction this week:

## MAY 24TH CELEBRATION.

Is Recommended By a Meeting of Citizens.

A meeting of citizens was held in the Council Chambers Wednesday morning to consider the question of holding a celebration on May 24th. F. J. Hoag was made chairman, and G. K. Martin secretary of the meeting. Representatives from the 146th Battalion told the citizens that it was the intention of the battalion to conduct a field day on May 24th.

The sentiment among the citizens was that the public celebration this year should be held on May 24th, and a committee was appointed to wait on the committee of the June 3rd celebration, which meets in the Council Chambers this evening, to have the King's birthday celebration withdrawn in favor of the May 24th event.

The committee will be comprised of the following: F. J. Hoag, Lieut. Col. Charles Low, Capt. R. Kane, Capt. J. T. Sutherland, Capt. G. I. Campbell, Alds. Corbett and Peters, George Thompson, D. J. Laidlaw, A. Roney, R. J. Reid, B. Abernethy, S. Trotter, A. E. Hunt, Harry Day, E. Walsh, H. W. Marshall, Frank Kinneer and G. K. Martin.

Mrs. R. Stewart, University Ave., entertained on Tuesday evening in honor of Sergt. Inst. Reid of the School of Signalling. Miss Bertha Johnson gave several piano solos.

## THEATRICAL NEWS

At the Grand.

Seidom has a photo-play production offered such tender dramatic touches and vital situations in "Lydia Gilmore" in which Pauline Frederick is starring. The production pleased a capacity house at the Grand last night and should draw another crowded patronage this evening. Its situations are both thrilling and realistic. A two-reel robbery story "The \$50,000 Jewel Theft" contains sufficient thrills for the lover of such stories. A one reel comedy "Her Invisible Husband," provides numerous laughs, while the Pathe News and the Topical Budget are as pleasing as ever. The vaudeville portion of the bill is also well supplied. Maley and Mack in a refined, comedy singing act in which they inject some novel acrobatic dancing pleased immensely, while "Joe" Flynn in comedy magic stunts offered some new wares which made his act a winner.

"Britain Prepared" at Grand.

On Thursday, April 27th, at the Grand Opera House will open a very unique exhibition of pictures prepared at the direction of the British Admiralty, the British War Office and the Ministry of Munitions. They were designed as an answer to the query raised in Europe by the German secret service: "What is Britain doing to help her allies in this war?"

The picture film, "Britain Prepared," comprises a grand cinematograph review of the activities of His Majesty's naval and military forces as prepared by a committee appointed by the British Government, and representing the five foremost moving picture producers of Great Britain. The prices for the engagement are: Evenings, 25c, 50c and \$1.00, ad 25c and 50c for the matinee each afternoon at 2.30.

At the Strand.

Delighted audiences again greeted the screening of "Between Men" the 5-act Triangle play, and "Dizzy Heights and Daring Hearts," the 2-reel-Keystone at the Strand last evening. This same bill will be shown for the last time to-night. The programme arranged for the last three days of the week includes a 5-act Triangle Play, "Cross Currents," in which that well known Broadway star Helen Ware takes the leading role. Miss Ware is ably assisted by Teddy Sampson, Courtenay Foote and all-star cast. "Cross Currents" was one of the season's big film treats in New York City and contains many interesting and gripping scenes. Webber and Fields, the world's greatest comedians, will amuse in a 2-part Keystone, "The Worst of Friends," while four other good reels of pictures will round out a bill that should prove a big hit with Kingston Theatregoers.

## Cruiser Sydney Busy.

Havana, April 25.—The Australian cruiser Sydney fired a shot across the bows of the Morgan liner Chalmette following the refusal of the American vessel to obey a wireless order to stop, according to word brought here yesterday. The Chalmette's captain brought his ship to a stop following the shot and a boarding officer allowed the vessel to proceed after examining her papers.

Hood's Sarsaparilla, the Great Blood Purifier, is the Best.

Spring sickness comes in some degree to every man, woman and child in our climate.

It is that run-down condition of the system that results from impure, impoverished, devalitized blood. It is marked by loss of appetite and that tired feeling, and in many cases by some form of eruption.

The best way to treat spring sickness is to take Hood's Sarsaparilla. This old reliable family medicine purifies, enriches and revitalizes the blood. It is an all-the-year-round alterative and tonic, and is absolutely the best Spring medicine.
