They Got the Drug. A smart seizure of a large quantity of cocaine was effected by the Customs authorities on board the steamer Lai Sang, at Calcutta, recently. The drug was cleverly stowed away in a recess in the bow of the ship and covered over with planks, the joints being neatly cemented to avoid any suspicion. Somehow or other the freshness of the repair at tracted the notice of the preventive officers, who had the planks ripped open and found the cocaine mentioned. It is believed that a regular traffic of this noxious drug is car-
