## DEMANDS OF JUSTICE

**AT KINGSTON MUST BE SATIS-  
FIED FIRST**

Before Ottawa Can Get Tremaine,  
the Forger—What Col. A. P. Sher-  
wood Says.

The Ottawa Free Press says: So far  
two men have been arrested in con-  
nection with the bogus militia cheque  
swindle of which some eighteen or  
twenty Ottawa merchants and a num-  
ber of Montreal, Kingston, and To-  
ronto merchants have been victims.  
This announcement was made by Col.  
A. P. Sherwood, head of the Domini-  
on police. He said that a man giv-  
ing his name as O'Connor was seen  
in Montreal by the city police, in  
the act of passing a bogus cheque and  
has already been dealt with. When  
arrested he pleaded guilty to passing  
several of the cheques, and was given  
two years in St. Vincent de Paul peni-  
tentiary.

Although he pleaded guilty to  
passing some bogus Militia Depart-  
ment cheques himself, he would not  
say anything that would give the po-  
lice a clue which would result in a  
general clean-up of the swindlers. His  
method of passing the cheques was  
the same as that used by the man  
who victimized Ottawa merchants.  
It is not known yet whether How-  
ard H. Tremaine, who was arrested  
in Kingston on Saturday as being  
one of the gang of forgers, will be  
brought to Ottawa to stand trial.  
"The demands of justice at the place  
where he was arrested will have to  
be satisfied first," said Col. Sherwood.  
Inspector Parkinson of the Domini-  
on police is in Kingston at present  
investigating the case.

**No New Developments.**  
Up until Tuesday noon there was  
no new developments in the case of  
the men who have been cashing the  
forged Militia and Defence cheques.  
Inspector Parkinson of the Dominion  
police, when speaking to the Whig,  
stated that nothing new had been un-  
earthed.

Howard H. Tremaine, remanded to  
jail for a week charged with passing a  
forged cheque on Mahood Bros.,  
was taken to the jail by Police Con-  
stable Bateson on Monday afternoon.  
Before he departed for his new  
"lodging house" he was made to take  
off the military clothes he wore at the  
time of his arrest.

## News of Troops in the City

(See also page 12.)

The value of an officers' training  
Corps was proven at Trinity College,  
Dublin, last week when the Trinity  
students of that historic institution,  
which numbers several prominent  
Kingston men among its graduates,  
poured such a fire into the Sinn Fein  
traitors that they fell back and gave  
up their evil design of destroying  
not only the college but the Bank of  
Ireland.

The 53rd Battery, under Capt. A.  
Griffin, will leave for Toronto on Fri-  
day. Most of the officers and men  
in the unit have their home or rela-  
tives in Toronto, and the visit is re-  
garded as being the farewell one.

The following probationers enter-  
ed the Infantry School of Instruc-  
tion on May 1st:

  - B. Hartley, 207th.
  - A. H. Long, 136th.
  - C. H. M. Anderson, 136th.

Preparations are being made for  
a reception for the 53rd Battery, C.  
F. A., which will visit Toronto in  
body for three or four days starting  
next Friday. Nearly every officer  
and man in the unit is a Toronto  
resident, although the battery has  
been trained at Kingston. The com-  
manding officer is Captain A. Grier-  
son. It is likely that the civil and  
military authorities will combine in  
making arrangements for the enter-  
tainment of the battery.

## ARE BUSY REHEARSING.

The 146th Battalion to Have Minstrel  
Performance.

The fifty performers who make up  
the 146th Battalion, C.E.F., minstrels  
are busy rehearsing every night for  
the big minstrel show they are going  
to give in the Grand Opera House  
Friday evening, May 13th. There  
are to be some very attractive fea-  
tures introduced into the show, but  
all those numbers that are expected  
to be seen in every minstrel show.  
Two big attractions will be a chorus  
of fifty and stellar vaudeville acts.  
The lady performers will be prettily  
costumed. Their chaperon is Mrs.  
C. A. Low, wife of the commanding  
officer of the 146th. A squad of  
men are to take part in the show in  
a novel scene, for which special set-  
tings are being designed.

The sweetness of revenge often  
sour the disposition.

## QUEEN'S HOSPITAL ABROAD.

Realizing that the people through-  
out the whole Dominion, and more  
particularly the residents of King-  
ston, were deeply interested in the  
activities of Queen's University Hos-  
pital, serving abroad, the Whig has  
arranged with the Dean of the Medi-  
cal Faculty, Dr. J. C. Connell, to pub-  
lish two full pages of illustrations  
dealing with this unit and its work.  
These will appear on Thursday.

There will be shown the reproduc-  
tion of a photo of the reinforcements  
which left Kingston on Feb. 25th  
last. The other photos will deal  
with hospital scenes at Cairo, build-  
ings occupied, the arrival of wounded,  
treatment of wounded, Christmas din-  
ner, etc., etc.

A full list of officers, non-commis-  
sioned officers, nurses, and men form-  
ing this unit will also be published.  
The cuts are made from splendid pho-  
tographs taken on the spot, and  
should prove to be of intense interest  
to every friend of Queen's and to the  
relatives of men and women who are  
thus serving their King and country.  
As the edition will be limited, orders  
for extra copies should be received  
early. The date of publication will  
be Thursday next.

## THREE MORE KINGSTON MEN MEET DEATH.

(Continued from Page 1.)

survived by his father and mother  
and three sisters in Glasgow, Scot-  
land, and one brother, Robert, who  
also enlisted with the 21st Battalion,  
but who was wounded, and is now  
with the 39th Reserve Battalion.

## Pte. David Trotman.

Pte. David Trotman came out  
from Scotland several years ago and  
was employed in several places  
around the city. He was much re-  
spected. In the fall of 1915 he  
joined the 21st Battalion. He is sur-  
vived by his wife who resides at 220  
King street.

## Bath Soldier Dies.

Another Queen's man has given up  
his life on the battlefields of France,  
in the person of Pte. Walter Detlor,  
son of Mr. and Mrs. Perry Detlor,  
Bath.

When speaking to Mrs. Detlor  
over the long distance telephone on  
Tuesday morning, the Whig learned  
that she had been informed of the  
death of her son in action. Although  
no official information has been re-  
ceived from the Militia Department,  
the casualty lists which appeared in  
the papers on Monday stated that he  
had died of wounds on April 20th.

The late soldier, who was twenty-  
one years of age February 23rd last,  
enlisted and went overseas with the  
reinforcements for the Princess Pa-  
tricias which left Canada last sum-  
mer, training at Niagara for a time  
before proceeding to England. He  
was a Queen's arts student, and  
would have graduated in 1917.

The family have arranged for a  
memorial service to be held at Haw-  
ley church on Sunday afternoon, May  
14th, at three o'clock. Elmer Dav-  
is, leader of the Wesleyan Club of  
Sydenham Street Methodist Church,  
which the deceased attended while in  
Kingston, has been asked to attend  
the service. The deceased is surviv-  
ed by his parents and one brother at  
Petrolia.

## CREATORS' ITALIAN BAND.

A World-Famous Musical Organiza-  
tion Coming.

A musical attraction of unap-  
proachable excellence will be heard  
in this city in May, in the shape of  
the world-famed Creators and his  
wonderful Italian Band. This orga-  
nization, the finest military band  
available for concerts in America to-  
day, and one of the greatest bands in  
the world, will be heard in Kingston  
Covered Rink, performance at 8.15  
p. m. on May 17th at popular prices.  
The band will be heard here in its  
full strength precisely as it played at  
the Toronto Exhibition last autumn,  
and at a series of concerts at the  
Montreal Arena, which attracted the  
largest audiences ever known in that  
city for band concerts. Giuseppe  
Creators, the conductor, first came  
into notice by his violent and econ-  
omic methods of his conducting some  
twelve or fifteen years ago. It was  
speedily discovered, however, that  
no matter how peculiar these meth-  
ods might seem, Creators certainly  
elicited an extraordinary and un-  
equaled amount of expression and  
vigor from his band, and at his last  
Canadian tour in 1915, the critics  
were unanimous that his arrange-  
ment of the British National Anthem  
was the most soul-stirring achieve-  
ment in the way of an emotional  
climax that any band that ever per-  
formed in Canada. His programmes  
on the present tour are largely mili-  
tary and patriotic.

## Japanese Lingerie.

The Japanese are sending us some  
beautiful hand-embroidered mater-  
ials which are being made up into  
lingerie. Perhaps the most striking  
examples are the white silk pyjamas  
sets for women. The jackets are  
beautifully embroidered in grapes  
and leaves, cherry blossoms and  
chrysanthemum blossoms, in the  
daintiest of colors, and delicate pink  
lotus blossoms.

The prices of the garments are  
gauged by the amount of hand work  
upon them. They may be had in  
delicate colors as well as in plain  
white. There is also the short kim-  
ono, embroidered in the usual designs  
of white, pink and blue grounds.

A very sad shooting accident oc-  
curred on Monday last at the home  
of S. Holden, Rawdon, when his  
youngest daughter, Mildred, was  
shot by the accidental discharge of a  
gun in the hands of her brother,  
Jesse B. Barton, a native of De-  
morestville, and prominent lawyer of  
Chicago, died in that city last week.  
He was a graduate in Arts of Albert  
College.

An auto bus has been put on the  
stage route between Tweed and  
Belleville.

## FINED FOR STRIKING

**A MAN ON THE HEAD WITH A  
HAMMER.**

A German Before the Police Magis-  
trate — The Charge Was Laid By  
James E. Grantham.

Ten dollars and costs or two  
months in jail was the sentence im-  
posed by Police Magistrate Farrell on  
Frederick Detrich, a German, who  
was found guilty of striking James  
E. Grantham on the head with a  
hammer.

According to the story of the plain-  
tiff, and his story was corroborated  
by two other witnesses, he had gone  
up to the home of Detrich on Monday  
afternoon for the purpose of seeing  
if he had vacated the premises. Some  
few weeks ago Mr. Grantham, who is  
owner of the shed in which the row  
occurred, notified the German to leave  
on the first of May. When Mr.  
Grantham went up to the place on  
Monday he found that the accused  
was still on the premises. The two  
men had a few words, and during the  
excitement Detrich struck Grantham.  
The police were notified, and Det-  
rich was taken to the police station  
by Police Constables Sergeant and  
Patterson. When Grantham was in  
court on Tuesday morning he showed  
the signs of his encounter, having a  
cut on his head.

"On the evidence given here this  
morning I find you guilty of the  
charge. You might have been here  
on a more serious charge."  
Patrick Flynn, a member of the  
R. C. H. A., pleaded guilty to being  
drunk and fighting on the streets,  
and was touched up for \$5 and costs  
or thirty days. He struck a civilian  
over the head with his swagger stick  
on Monday night.

## THEATRICAL NEWS

### At The Grand.

Another excellent bill of photo-  
plays and vaudeville packed the  
Grand last evening. The same bill  
will be repeated to-night. "Out of  
the Drifts" with charming Marguer-  
ite Clark in the principal role is a  
delightful story of the Alps. The  
scenic effects are very elaborate and  
realistic, while the story contains  
sufficient romance and rapidly de-  
veloped climaxes to make it a treat.  
"The Wise Man and the Fool," a two-  
reel photoplay, "Pipers Cheese  
Hound," a one-reel laugh provoker  
and the Topical Budget complete the  
picture portion of a strong bill. Two  
good vaudeville acts are offered. The  
Lavarno Duo in a piano, violin and  
song act made a big hit. It is the  
best double act of its sort offered this  
season. The male member plays  
the violin in finished style while his  
partner offers a dainty song number  
and gives some pleasing piano selec-  
tions. Belle Wilton in a character  
singing act was very pleasing and  
won her way into the hearts of the  
audience at the start. She has some  
new songs, which she sings in her  
own original style, and injects lots  
of action into her offering.

### At The Strand.

The theatre photoplay shown at  
the Strand Theatre yesterday after-  
noon and evening is one that should  
appeal to all mothers and fathers, as  
well as the children. The story en-  
titled, "Let Katie Do It," features  
Jane Grey and Fudy Marshall in a 5-  
act play of everyday life that should  
please every one. The comedy is a  
3-part Keystone, "The Great Pearl  
Tangle," starring Sam Bernard and  
all-star cast. "Business Rivals," a  
2-part Essanay drama, and a one-reel  
travel picture of scenes in Paris and  
winter sports in Quebec, together  
with other good reels, round out a  
bill that pleased immensely, and that  
should have capacity houses to-night  
and on Wednesday.

### Wears \$10,000 in Gems.

Miss Edna Mayo wears \$10,000  
worth of jewels in the Essanay six-  
act photo-drama, "Granstark," by  
George Barr McCutcheon. As the  
Countess Dagmar she wears a coronet  
of diamonds and rubies valued at  
\$5,000. Besides the coronet, her  
ornaments consist of a pendant, a  
brooch, a maitre cross, ear rings  
and several rings. All are studded  
with diamonds, rubies, pearls, emeral-  
ds and sapphires. "Granstark" is  
to come to the Griffin Theatre on  
Wednesday and Thursday, May 3rd  
and 4th.

### Canadian Casualties.

ids, Eldorado.

frew.

home is at 34 Johnson street, now  
serving overseas, is reported to be
