

TORTURED BY RHEUMATISM

Sunday School Supt. Tells How "Fruit-a-lives" Relieved

Toronto, Ont., Oct. 1st-1915. "I have lived in this city for more than 12 years and am well known. I suffered from Rheumatism, especially in my hands. I spent a lot of money without any good results. I have taken "Fruit-a-lives" for 15 months now and am pleased to tell you that I am well. All the enlargement has not left my hands, and perhaps never will, but the soreness is all gone and I can do any kind of work. I have gained 35 pounds in eighteen months."

R. A. WAUGH, 50c. a box, 6 for \$2.50, trial size 25c. At all dealers or direct from Fruit-a-lives Limited, Ottawa.

Sunday The Corn Aches

You apply a little Blue-jay plaster. The ache ends instantly, and it never will return. You can prove that in one minute. A million women prove it every month. A corn will never pain again after Blue-jay once goes on it.

Monday No Corn Pain

On Monday you won't know you have a corn. It is gently disappearing. You know that corn is done for. You know it won't come back. You may also know that soreness will not follow. For Blue-jay is as gentle as efficient.

Tuesday The Corn is Gone

In 48 hours Blue-jay ends 91 cents in 100. The other 9 cents are tough corns which need another application. Such has been the history of 70 million corns, since Blue-jay was invented. And any user will assure you that such results are certain. Prove that fact tonight.

RECOVERY OF NEW JERSEY WOMAN

Due to Lydia E. Pinkham's Vegetable Compound.

Bridgeton, N.J.—"I cannot speak too highly of Lydia E. Pinkham's Vegetable Compound for inflammation and other weaknesses. I was very irregular and would have terrible pains so that I could hardly take a step. Sometimes I would be so miserable that I could not sweep a room. I doctored part of the time but felt no change. I later took Lydia E. Pinkham's Vegetable Compound and felt a change for the better after the second day. I took it until I was in a good healthy condition. I recommend the Pinkham remedies to all women as I have used them with good results."

Mrs. MILFORD T. CUMINGS, 24 New Street, Bridgeton, N. J. Such testimony should be accepted by all women as convincing evidence of the excellence of Lydia E. Pinkham's Vegetable Compound as a remedy for the distressing ills of women such as displacements, inflammation, ulceration, backache, painful periods, nervousness and kindred ailments.

FROM THE COUNTRYSIDE

Twice a Day for Half the Year

SOMEONE has to attend to the furnace; most people look on it as an irritating, dusty job. It need not be. It is not, if you have a Sunshine Furnace. Shaking down the Sunshine Furnace does not raise a dust. The fine ashes are drawn up the chimney; there is never that fine sprinkling of dust that lights on everything in the basement, and even floats up through the house. No. That is one thing the owner of a Sunshine Furnace never has to contend with. The Sunshine is as clean as a piece of furniture. There are extra sturdy grates that turn with a long handle to crush with ease the hardest clinkers. A slight rocking that hardly requires stooping, cleans down the ashes. The ashes fall as the grates are shaken, for the sides of the fire-pot are straight. This saves bother—and heat; because if ashes bank up around the fire-pot they stop the radiation of heat. The ashes come out in a big ash-pan. There is no shovelling or spilling ashes about. And the door is large, as it should be for convenience in firing up. Or if need be, a large chunk of wood will go through this door. The dampers can be operated from the rooms above. This saves you the nuisance of running up and down stairs to shut off the drafts and open up the check damper.
