Get the Habit of Drinking Hot Water Before Breakfast
Says we can't look or feel right with the system full of poisons.
Millions of folks bathe internally now instead of loading their system with drugs. "What's an inside bath?" you say. Well, it is guaranteed to perform miracles if you could believe these hot water enthusiasts. There are vast numbers of men and women who, immediately upon arising in the morning, drink a glass of real hot water with a teaspoonful of limestone phosphate in it. This is a very excellent health measure. It is intended to flush the stomach, liver, kidneys and the thirty feet of intestines of the previous day's waste, sour bile and indigestible material left over in the body which if not eliminated every day, become food for the millions of bacteria which infest the bowels, the quick result is poisons and toxins which are then absorbed into the blood causing headache, bilious attacks, foul breath, bad taste, cold, stomach trouble, kidney misery, sleeplessness, impure blood and all sorts of ailments. People who feel good one day and badly the next, but who simply can't get feeling right are urged to obtain a quarter pound of limestone phosphate at the drug store. This will cost very little but is sufficient to make anyone a real crank on the subject of internal sanitation. Just as soap and hot-water act on the skin, cleansing, sweetening and freshening, so limestone phosphate and hot water act on the stomach, liver, kidneys and bowels. It is vastly more important to bathe on the inside than on the outside, because the skin pores do not absorb impurities into the blood, while the bowel pores do.

CITY COUNCIL SESSION

STATUTE LABOR TAX INCREASED TO FIVE DOLLARS.

Ald. Newman Gives Notice of Motion Regarding the Adoption of the Daylight Saving Scheme in Kingston. The following is a summary of the business transacted by the City Council on Monday night:

Passing of a number of blocks for paving.
Increasing statute labor tax from \$1 to \$5.
Giving City Clerk power to engage and dismiss members of his office staff, on approval by the Finance Committee.
Authorizing tenders for oil for oiling of roads.
Considering traffic by-law which is not enforced.

Receiving notice of motion to adopt daylight saving scheme from June 1st to Oct. 31st.
In attendance were Mayor Richardson, and Aids Couper, Clugston, Chown, Corbett, Gardiner, Gibson, Hughes, Kent, Litton, Lattarney, Norman, Nickle, Peters, Polson, Wright, White.
These communications were referred to committees:
Children's Aid Society asking Council to appoint another member.
Commission of Conservation regarding its conference at Cleveland from June 5th to 7th.
Public Utilities Commission asking Council to present a by-law to the ratepayers regarding agreement between the Commission and J. M. Campbell for the supply of power.
City Auditor regarding accounts not provided for.
City Auditor showing balances of appropriations to committees.
Public Utilities Commission asking funds for electric power line to Fair Grounds.
Public Utilities Commission giving quarterly statement covering gas and electric departments.
President City Baseball League asking for use of the Cricket Field diamond during the summer on Saturday afternoons.
Secretary Board of Health recommending a sewer in Brock street.
James Grimshaw asking for a rebate of fifty dollars on the amount of lease Market No. 2.
W. H. Asselstine and others petitioning against street watering tax for 1915.
F. W. Meagher et al. asking for a light at the junction of Albert and Alice streets.

Committee Reports.
These recommendations of the Finance Committee were adopted:
That it is the intention of Council to pass a debenture by-law towards the end of the year covering all war expenses other than the \$60,000 already passed.
That the Mayor's expense account to Peterboro amounting to \$10 be paid.
That that part of the budget under the heading of schools be amended to read as follows:
Public schools . . . \$63,230
Collegiate Institute . . . 19,933
Separate schools, an additional amount to be added which will be derived from the change in the school rate on account of the above addition to appropriation to schools.
That civic holiday be held on July 31st, 1916.
That the salary of Miss E. Ball, official in the City Clerk's office, be increased \$150.
That lots 9, 10, 11, 12, 29, 30, 31, 32, 33 Frontenac Ward, bounded on the south by the continuation of Adelaide street, on the west by the continuation of Patrick street, on the north by the land of the late William Brophy, and on the east by monuments laid down by the said Thomas W. Nash, be purchased for the Home for the Aged and Infirm Persons for the sum of \$1,300, said amount to be paid out of trust funds belonging to the home in the hands of the corporation. The purchase of above land is recommended by Dr. Malone, District Health Officer, and the board of directors of the Home for Aged and Infirm Persons.
That the City Clerk shall have the appointment of and control over all officials employed in his office, who shall be subject to suspension or dismissal at any time by him, and said officials to be paid such salaries as shall be determined by him, subject to the approval of the Committee on Finance and Accounts.
That \$150 be granted to the City Property Committee to repair the Fair Grounds fence.
That the following accounts be paid:
Barber Asphalt Paving Co., \$738.08
Climax Good Roads Machinery Co., Ltd., 330.00
W. J. Moore & Son 371.00
That the following accounts be paid:

Objects to Power Given.
In discussing the Finance report Ald. Gibson held that the City Clerk was being given too much power in being permitted to dismiss officials in his department. He thought that power of suspension was sufficient. The Council should retain the right to dismiss. Ald. Gibson wanted to know if there was anything behind the powers given to the City Clerk.
Ald. Kent assured Ald. Gibson that there was nothing behind the clause in the committee's report. It was merely giving the City Clerk the same power as the City Engineer, the Fire Chief and the General Manager of the Utilities.
Mayor Richardson stated that an endeavor was being made to reorganize all civic departments for the purpose of greater efficiency.
Aids. Hughes and Gardiner claimed that when the City Clerk was held responsible for his department he should have full authority over his staff.
The Finance Committee's recommendation was then adopted.
Mayor Richardson read a statement showing the amounts at the credit of each committee of Council, and asked that the old items (take notice of them, so that at the end of the year they would not overrun their appropriations).

By-laws and Motions.
By-laws were passed for the construction of a sewer in Brock street connecting with Albert; for raising \$8,860 by debentures for purchase of road construction machinery; providing for the attendance of the City Engineer at all Council meetings; fixing the statute labor tax at \$5; giving the City Clerk power of control over those in his office.
On motion of Ald. Hughes the care of the incinerator was placed under the Garbage Committee.
The City Solicitor was instructed to prepare a by-law for submission of Campbell power agreement to the ratepayers.
Ald. Newman gave notice that at the next meeting of Council he would move that the hands of the public clocks be turned back one hour beginning June 1st and continuing till October 31st.

ODESSA HOME BURNED.
Owned By Mrs. Abraham Hagerman—Loss Covered By Insurance.
The home of Mrs. Abraham Hagerman, Odessa, was totally destroyed by fire on Friday night. The cause of this fire is not definitely known, but it is expected that it originated from a defective chimney. The loss, which will amount to about \$700, was fully covered by insurance in the British American Company. The loss was satisfactorily adjusted on Monday by the Kingston agents, W. H. Godwin & Son.

A Watch Presented.
Thomas Wood ex-stoker at the penitentiary, retiring recently, was tendered an address by his brother officers who heard of his resignation. They regretted that his health had become impaired and hoped soon to hear that he had entirely regained his former vigor and strength. In view of his retirement they asked him to accept a watch "as a slight token of the friendships you made while an officer of this institution." The address was signed on behalf of the officers by W. H. Derry, Q. E. Hennessy.

Sons At The Front.
The late Lieut.-Col. Greenwood was fifty-five years old, and is survived by a widow, and three sons. The youngest son is with his mother in England. The eldest son, Lieut. Eric Greenwood, an honor graduate of the R. M. C. lost his leg at the front in December, 1914, but is back in the trenches; he is now Acting Adjutant of the Royal Engineers. The next one, Lieut. Harold Greenwood, was attending the Royal Military College at Kingston when war broke out, and he is now at the front.

A New, Harmless Growth to Banish Hairy Growths
(Beauty Topics)
By following this suggestion any woman can, in the privacy of her own home, remove every trace of hair or fuzz from her face: With powdered delatone and water mix enough paste to cover the not wanted hairs; apply and in 2 or 3 minutes rub off and wash the skin. This method is unfailing, harmless and quick in results, but care should be employed to get the genuine delatone.

The Pearce Calendar.
New Year Day. 30 days
First month or January 30 days
Second month or February 29 days
Third month or March 31 days
Fourth month or April 30 days
Fifth month or May 31 days
Sixth month or June 30 days

Leap Year Day.
Seventh month or July 30 days
Eighth month or August 30 days
Ninth month or September 31 days
Tenth month or October 30 days
Eleventh month or November 30 days
Twelfth month or December 31 days
New year day is the first day of the year, but is not the first day of January, and Leap year day (which occurs only in leap years) is the 184th day of the leap year, but is not the first day of July. These odd days have not the week-day names like the other days of the year.

TO STRICTLY ENFORCE THE TRAFFIC BY-LAW.
Mayor Says the Police Commissioners Will See To It.
The need of strictly enforcing the traffic by-law in view of the greatly increased amount of road travel that will result from the big military camp at Barriefield was discussed last night in the City Council.
Ald. Hughes introduced the matter, and asked the Mayor if the Police Commissioners intended to act.
Ald. Litton informed the Mayor that he learned that twenty jitneys were coming from Toronto to participate in the camp travel. Would these outsiders be allowed to come in and run on the same terms as citizens?
Ald. Gardiner stated that a general military order would regulate the jitney traffic at the camp, and every driver would have to comply or be blacklisted.
Mayor Richardson stated that the Police Commissioners had a confer-
