### Worn Out, Thin and Miserable Until She Took "Fruit-a-tives"

PALMESTON, June 20th, 1914. "Stomach Trouble and Distressing Headaches nearly drove me wild. Some time ago, I got a box of "Fruit-a-tives," your famous fruit medicine, and they completely relieved me. To-day I am feeling fine and a physician, meeting me on the street, asked the reason for my improved appearance. I said, "I am taking Fruit-a-tives." He said, "If Fruit-a-tives make you look so well, go ahead and take them. They are doing more for you than I can:"

# Health for Sick Women

For Forty Years Lydia E. Pinkham's Vegetable Compound Has Been Woman's Most Reliable Medicine -Here is More Proof.

To women who are suffering from some form of woman's special ills, and have a constant fear of breaking! down, the three following letters ought to bring hope:-

North Crandon, Wis. — "When I was 16 years old I got married and at 18 years I gave birth to twins and it left me with very poor health. I could not walk across the floor without having to sit down to ret and it was hard for me to keep about and do my work. I went to a doctor and he told me I had a displacement and ulcers, and would have to have an operation. This frightened me so much that I did not know what to do. Having heard of Lydia E. Pinkham's Vegetable Compound I thought I would give it a trial and it made me as Pinkham remedies."—Mrs. MAYME ASBACH, North Crandon, Wis.

Testimony from Oklahoma.

Lawton, Okla.—"When I began to take Lydia E. Pinkham's Vegetable Compound I seemed to be good for nothing. I tired easily and had headaches much of the time and was irregular. I took it again before my little child was born and it did me a wonderful amount of good at that time. I never fail to recommend Lydia E. Pinkham's Vegetable Compound to ailing women because it has done so much for me."-Mrs. A. L. McCasland, 509 Have St., Lawton, Okla.

From a Grateful Massachusetts Woman. Roxbury, Mass.—"I was suffering from inflam-mation and was examined by a physician who found that my trouble was caused by a displacement.

My symptoms were bearing down pains, backache,
and sluggish liver. I tried several kinds of medicine; then I was asked to try Lydia E. Pinkham's Vegetable Compound. It has cured me and I am eased to be in my usual good health by using it 1 Haynes Park, Roxbury, Mass.
