WILL TWO LEAGUES BE ABLE TO OPERATE IN KINGSTON?

Objection to the New Baseball League—The City League Thinks That One Organization is Enough. The announcement that there was going to be a new baseball league this summer was received by some with enthusiasm and others with disappointment. The ones who received it with enthusiasm are those who feel that the three teams in the City League are not enough. However, President Stanley Trotter informed the Whig that the City League would gladly have run more teams only if felt that the men could not be secured to play on Saturday afternoons. Mr. Trotter said that it was very difficult for the men to get Saturday afternoon off, and even if they did get off it was very hard for them to reach the Cricket Field in time to play. City League officials think it is hardly fair towards their organization for this new league to start up and try to divide the patronage of citizens. They do not seem to worry, however, as they think the new league cannot succeed. President Trotter, sometime before the new league was formed asked the 146th Battalion to enter a team but its officers declined as they felt that the men were more needed at Barfield Camp. However, the new league may help baseball in Kingston. Who knows?

Baseball Notes. The baseball diamond at the Cricket Field is now ready for use. It has been ploughed, harrowed and rolled, and is now in the best of condition. The City Baseball League has arranged to bring the Havana Red Sox to the city on the 24th of May for the big celebration. The Sox will play one of the City League teams. The City League is also going to bring the Red Sox here for Dominion Day.

"C" BATTERY CABARET

HELD IN THE CITY HALL ON WEDNESDAY NIGHT. Was a Most Enjoyable Event—There Was a Large Attendance—Fine Vaudeville Numbers Given. The first cabaret held in Kingston was presented to a very large number of soldiers and citizens in the City Hall on Wednesday night by "C" Battery, R. C. H. A., and proved to be an immense success. It was a night of dancing to selections by the Royal Canadian Horse Artillery band under the able leadership of Sgt. Leary, and hearing and seeing each number very interesting vaudeville hits. The hall was well filled, there being members of "C" Battery and other units in the garrison, officers attending the Royal School of Artillery and those of the different batteries, cadets of the Royal Military College, and a good sprinkling of civilians. Among the officers present were Lieut.-Col. G. Roy, Lieut.-Col. E. C. Arnold, Major E. C. Barrett, Capt. E. V. Shaw, Capt. W. E. Steacy. Among the vaudeville numbers presented before the dances were solos by Miss Katherine Hart, Lieut. McLean, I.S.I. Corp. Stewart, "C" Battery, R.C.H.A., Gunner Harrington, R.C.H.A. A chorus of the men from the battery sang several selections. During the evening Corp. Casey, "C" Battery, R.C.H.A., gave a Spanish dance, Master Richardson a violin solo, Gunner Alward a clo dance, Gunner West an exhibition of rope throwing and Q. M. S. Harte a song.

Girl a Nervous Wreck At Eleven Years of Age

Was Tired Out, Pale and Sallow—Would Tremble Till the Bed Would Shake—Dr. Chase's Nerve Food Cured Her.

In the schools of to-day there is found an alarming proportion of weak, nervous children who have little chance of developing into healthy, useful men and women. Nature requires the assistance of such treatment as Dr. Chase's Nerve Food to help them over a trying period and set them on their feet. There would be fewer wearing glasses if the nerves were invigorated, less irritation in the school and home, more robust health and a greater pleasure in the school tasks. This letter bears a cheering message to parents whose children are weak, puny and nervous. It shows you what may be expected from the use of this great restorative. Mrs. Stephen Hartman, Italy Cross Lunenburg, Co., N.S., writes: "My little sister, in the school years of age became nervous, irritable and seemed all tired out. She had no appetite, was lifeless and drowsy, and her complexion grew pale and sallow. Finally she had to keep her bed and have somebody with her all the time. She was afraid of everything, would get excited and tremble till the bed would shake. As she seemed to be getting worse under the doctor's treatment, mother decided to try Dr. Chase's Nerve Food. After she had used about four boxes improvement was noticeable, and it was wonderful to see how much brighter and stronger she grew week by week. She used ten boxes altogether, and they cured her. She got fat and rosy, and went to school every day with an ambition that her never seemed to have before. I do not hesitate to recommend Dr. Chase's Nerve Food to anyone, for it was indeed wonderful what it did for her. Dr. Chase's Nerve Food, 4 cents a box, 6 for \$2.50, all dealers, or Edmonson, Bates & Co., Limited, Toronto.
