ONCE in a generation or so a book finds its way into history. Once in a decade the populace of a world power is stirred.

THE BATTLE CRY OF PEACE

an inspired revelation written by J. Stuart Blackton, shows America's defenselessness. You see the most beautiful sky line in the world in flames.

The metropolis of the western hemisphere devastated. The fall of New York. The enemy approaching. The defeat of the meager American forces. The landing of the invaders.

But, With it all is a heart interest drama so vivid, so real, so touching that it makes a lump rise in your throat and makes your heart pulsate faster.
