A BIG MILITARY DAY VOICE OF THE PULPIT

IS ASSURED FOR THE 24TH OF MAY

Under the Auspices of the 140th Battalion—Large Crowds of Visitors are Expected to Visit Kingston.

Now that the local military situation regarding the camp at Barrieffield has been cleared up it looks as though everything should turn out well for the success of the Victoria day celebration under the auspices of the 140th Battalion. It is hoped that a number of the battalions will be in camp either at the end of this week or by Monday next. If this occurs the grand military parade on the morning of the holiday will surpass anything ever seen in Kingston. Five thousand or 10,000 men, who are training for the front as an attraction that will appeal to everybody and the city will be crowded as never before by those who wish to pay their tribute to the gallant boys who will soon be engaged on the battlefields of France or elsewhere.

The horse races promise to be highly contested. The chairman, T. Nicholson, has this matter well in hand and a treat is in store for lovers of horse racing. The Havana Red Sox will be here to play ball with a picked local team and baseball followers are greatly pleased to know that such a high class attraction has been booked for their pleasure. The military sports will consist of tug-of-war pulls between all the military units, 100 yards dash, 220 yards dash, half mile run, marching contests, machine gun contests, and likely an exhibition of the new physical drill and bayonet exercises. The New York Central has arranged to run an excursion from Watertown and down the river points for the day and as there is a cheap fare of single rate for round trip on all lines running into this city there will undoubtedly be a great crowd in town. It is not a bit too early for the merchants and others to arrange to decorate the different places of business and residences for this big event. D. G. Laidlaw and his energetic committee have this department in hand and expect a generous response. Mr. Laidlaw is also chairman of the subscription committee and it is hoped that the merchants and all classes of citizens will aid in every way to make this day a big financial success for our own home battalion.

Confirmation in St. George's. The confirmation service at St. George's Cathedral on Sunday evening was very impressive. Dean Starr presented third to be confirmed, several cadets and soldiers being among the number. The Bishop of Kingston addressed them on the privileges and responsibility of Christian life, urging them to live lives of earnest consecration.

PRISONERS-OF-WAR SOCIETY SUGGESTED.

To Take Charge of Sending Parcels To Canadians in Germany.

G. M. Macdonnell, K.C., waited on American Consul F. S. Johnson on Friday afternoon with the suggestion that a society be formed to take over the work of the prisoners-of-war fund enterprise. It was suggested that a public meeting be held and officers elected so that a larger part of the public would be directly connected with the plan.

After consultation with other friends who have been working so earnestly to keep the funds going and who have been responsible for the continued success of the work, it was decided that should a society be formed, the responsibility would be handed over to the Consul. The Consul in the matter is his desire that some 150 parcels be forwarded every month, and if any society or organization can do this it will be entirely satisfactory to himself and his co-workers.

Donations are coming in gradually and it is expected that on Tuesday another 150 parcels will be forwarded to Germany. The appeal for funds through the Whig is bringing the desired results.

ELEVEN CASES SLATED.

For the Police Magistrate On Tuesday Morning.

Eleven persons have been summoned to appear in Police court on Tuesday morning. Ten of the eleven are cabmen. They are charged with allowing their cabs to stand on the street and not on the cab stand according to the city by-laws. The cabmen state that there are so many men on the stands that it is impossible for them to stand on the place set aside by the city.

A resident of Bath is summoned to appear for driving his automobile past a standing street car.

Endorsed the Scheme.

On Sunday, the daylight scheme was spoken of by a member of the pupils, and commended. Among those endorsing it were Revs. Dr. Macgillivray, Canon Fitzgerald, Alfred Brown, G. S. Clendinning, E. R. McLean, E. LeRoy Rice, Dean Starr and T. W. Savary.

Had a Nervous Breakdown, Could Not Sleep or Work

Is Now Cured and Attributes His Recovery to the Use of Dr. Chase's Medicines.

Some splendid results have been reported to us from the combined use of Dr. Chase's Kidney-Liver Pills and Nerve Food. In complicated cases they work together with great success. While the Kidney-Liver Pills arouse the action of the kidneys and bowels, and so overcome the ailments of these organs, the Nerve Food enriches the blood, strengthens the nerves and builds up the system in a general way.

R. B. Hillman, Purbrook, Muskoka, Ont., writes: "About four years ago I was all run down and could not work, and as to writing a letter, I could not do it on account of my hand shaking so badly. My nerves were unstrung and I was troubled with a nervous breakdown. I could not sleep soundly and would start up so suddenly as to almost jump out of bed. My kidneys were bad, too, and I had awful pains in the back all day. I doctored with our family doctor, but he did not seem to know what I needed. I was recommended to try Dr. Chase's Nerve Food, and could sleep well three nights after starting the use of the Nerve Food and Kidney-Liver Pills. I take great pleasure in recommending these medicines, as I have proved that they do all that is claimed for them."

NEEDS AND VALUE OF THE SUNDAY SCHOOL.

Pointed Out by Rev. G. S. Clendinning—Rev. Dr. Harvey Jellie, Montreal, Preached in St. Andrew's.

At the service held in Brock Street Methodist Church on Sunday morning Rev. George S. Clendinning spoke vigorously on the needs of the Sunday School of to-day. The service was the occasion of the installation of the superintendent, Dr. W. W. Nash, and the teachers of the Sunday school for the coming year.

Rev. Mr. Clendinning took as his text, Nehemiah viii, 8. He said that the Sunday school is no longer the place for children only but the motto now is: "All the church in the Sunday school and all the Sunday school in the church." He said the attendance at the Methodist Sunday schools was by far the largest of any church but nevertheless, he pleaded for a still greater increase and more interest in its activities. He regarded the Sunday school as the greatest department of the church and any effort spent in this department would bring untold benefits in the future.

At St. Andrew's Church.

Rev. W. Harvey Jellie, D. D., Montreal, officiated in St. Andrew's Church at both services on Sunday and preached two helpful sermons. At the morning service he dealt with the meeting of Christ with Zaccheus, and showed that the good in a man counted more with Jesus than the evil. He drew out the best that was in a man when others saw only his baser self. There were many people who saw only tragedy in the great war, whereas on the other side was the good that was producing, by bringing out the very best that was in man—sacrifice and service.

Princess Street Methodist.

Rev. C. V. Fairburn, Verona, conducted the services in Princess street Methodist Church on Sunday morning and evening. In the evening the speaker chose as his text, "Behold He Cometh." He said that in the Methodist doctrine the second coming of Jesus has always been preached. To-day the work is as true as ever. To Christians it meant rejoicing if prepared to meet Him; but to sinners the message was, "Prepare to Meet Thy God."

Confirmation in St. George's.

BLOWN INTO THE AIR WHEN SHELL EXPLODED.

Pte. John Esford Hit in Thigh And Knee, But Not Invalided.

To be blown up ten feet as the result of the explosion of a shell, was the experience of Pte. John Esford, of this city. Pte. Esford left Kingston with No. 1 Company, of the 21st Battalion, but was later transferred to the machine gun section. Writing from Belgium under date of April 13th. In a letter to Jerry McAville, No. 3 Division street, he says: "We have had a hard time lately, and have not had a chance to do much. I was blown up over ten feet by a shell, and hurt my shoulder. I was hit in the finger and the knee with small pieces of shrapnel, but I was not forced to leave the trenches."

Confirmation in St. George's.

As a musician, Sig. Creator, who is to appear here Wednesday, May 17th, takes rank with the foremost conductors of the day, and his organization is well nigh perfect. One of the leading features of Creator's Band is the Marvellous precision of its members. Every chord is played as if by a single instrument, and that with a crispness that is almost startling.

The Collegiate Club

George Kirkpatrick and Harold Ettinger were the speakers at the Collegiate Club Friday night. The former submitted the report of the two delegates, A. Hamilton and himself, sent by the Club and the teachers of the K. C. I. to the High School Conference at Toronto. Harold Ettinger of Queens gave a report on the Conference for Leaders of the Work held at the same time as the other in Toronto.

A vote of thanks were tendered to the lady waitresses and to the Mother's Council through Mrs. G. A. Wright, who has spared no pains to make the meeting successful.

SENDS A PICTURE OF COL. DUFF'S GRAVE.

An Australian Corporal Remembered Him in South African War.

Mayor Richardson has received a letter from Corporal P. Kerr, Australian Remount Unit, Ma'adi, Egypt, enclosing a photograph of the grave of the late Lieut. Col. H. R. Duff, Kingston, whose remains are buried in St. George's cemetery near Carlo. The writer states that during the South African War he served in the 2nd Canadian Mounted Rifles, and Col. Duff was one of the doctors.

Corporal Kerr states that early in April he was appointed to visit St. George's cemetery to arrange for the placing of a tombstone on the grave of one of his comrades and on looking at a tombstone twelve feet away he saw it was for Col. Duff. "I was sorry indeed to know that his work was ended as he was a worthy officer and doctor," he writes.

The Corporal photographed the grave of Col. Duff which is well tended. The caretaker of the cemetery had planted some flowers upon it a few days before, on instructions from the British Consul at Carlo.

Only One Drunk in Court. Michael Kelly was the only offender in police court on Monday morning. He was taxed \$2 and costs or twenty days for being drunk. Kelly asked the court to place him on the list instead of fining him but the magistrate remarked that he would likely do both.
