Clear, Peachy Skin **Awaits Anyone Who** Drinks Hot Water \$

Says an inside bath, before breakfast helps us look and feel clean, sweet, fresh.

Sparkling and vivacious - merry bright, alert-a good, clear skin and a natural, rosy, healthy complexion are assured only by pure blood. If only every man and woman could be induced to adopt the morning inside bath, what a gratifying change would take place. Instead of the thousands of sickly, anaemic-looking men, women and girls, with pasty or muddy complexions; instead of the multitudes of "nerve wrecks," downs," "brain fags" and pessimists we should see a virile, optimistic throng of rosy-cheeked people every-

We shall never have Only Heavy Artillery Can Quell enough artillery of all calibres. enough machine guns, searchlights, | minute detail of corsets, white stockings and slippers, the body of a young man was discovered hanging! from the rafters of the summer home of Byron A. Severy at Clatt's is expected. Grove, on the Canadian shore, about nine miles from Tecumseh, late Sunday afternoon. The house had been shut up since last fall, when the family moved to Detroit.

Of medium height, fair hair and fine features, the weird, uncanny figure offered not the slightest clue to the stranger's identity. It had been hanging for perhaps three months. A suit of man's clothing, of fin texture and brown in color, lay on the floor beside the body. A tiny baby's bonnet of white also lay on the floor, serving to further deepen dies but Saxol is the only one we guarantee like this. Why don't you try it?

moned, ordered the body removed to MAHOOD -DRUG CO., LIMITED Janniss' Morgue, Windsor, and in the absence of anything which would help to establish identification decided it a plain case of suicide.

MAN WITHOUT A COUNTRY.

Cannot Do So.

A pathetic story is going the rounds of a man who wants to join the ranks of those fighting for civilization and righteousness but is prevented by his ignorance of his real

He is young and strong, would fight for England, but it cannot be, and he must remain on board the ship in which he arrived in a British port, until he goes on his wanderings again.

All the man knows is that when little more than a child he traveled in India with his father, who was connected in some way with a circus. The nationality of his father he never knew. While still a child be reached Switzerland, and there he became to all intents and purposes a German-Swiss, adopting the language and customs of the people, but not their nationality.

Then he went to sea, visiting many countries, remaining for periods in some until he had acquired many tongues. English he maintains is his mother tongue, but he cannot prove it, and the expert alien officers cannot ignore the pronounced German accent with which he speaks.

Italy, France, and England-and he would fight for any one of the Allies-will not have him. Sweden has no place for a man without nationality when the nations of Europe are at war, passports he cannot obtain. and he lingers wistfully outside, eager to take a place under the flag of any of the Allies to assist in crush-Thomas Earle, who had been missing ing Germany, the Germany which has tainted his speech.

All the man's papers tell of the excellent character he bears, but they avail him nothing. His appeals are in vain, and in a few days he will set sail again, a man without a

"Some day I will be English, and must wait," he says sadly.
