Until He Used "Fruit-a-tives" The Great Kidney Remedy

HAGERVILLE, Ont., Aug. 26th, 1913. "About two years ago, I found my health in a very bad state. My kidneys were not doing their work and I was all run down in condition. Having seen 'Fruit-a-tives' advertised, I decided to try them. Their action was mild, and the result all that could be expected. My kidneys resumed their normal action after I had taken a course of a dozen boxes and I regained my old-time vitality. Today, I am as well as ever."

A TELEPHONE QUESTION

BEFORE ONTARIO MUNICIPAL BOARD AT NAPANEE.

Several Cases in the Police Court—Returned Soldier of the 39th Battalion Taken in Charge.

(From Our Own Correspondent). Napanee, May 22.—The Ontario Railway and Municipal Board met in the town hall to hear and adjust a claim of W. Henderson, Camden, who wants to get a telephone from the Camden line. The question before the board to decide was who had to build the necessary extension to accommodate the applicant, as he lives some distance from the nearest pole. The award will be announced later.

A returned soldier of the 39th Battalion created a disturbance on the market Friday night, and had to be arrested by Chief Barrett. He had unfortunately got too much liquor.

In the Police Court before Magistrate Rankin a citizen was fined \$5 and \$4 costs for a breach of the Public Health Act. H. Rikly, drunk and disorderly, assessed \$4. A member of the "prohibited list" was up for being drunk and fined \$10 and costs.

Dr. Maloney, Cornwall, District Officer of Health, was here Friday with a moving picture exhibit of public health films, and gave a talk to the school children in the afternoon in the town hall, and to a public meeting for adults in the evening.

Robert Finn was arrested in Deseronto on word sent by the police here, charged with supplying liquor to a member of the prohibited list, and later was brought back by Chief Barrett and remanded for eight days by Magistrate Rankin.

A disturbance between a "fighting" civilian and some soldiers Saturday evening ended up by the civilian getting a black eye and being taken in charge by the police.

SEAGRAM'S STABLE WINS KING'S PLATE.

The Waterloo Distiller's Horses Took First, Second and Third.

Toronto, May 22.—The fifty-sixth renewal of the King's Plate, run over the historic Woodbine course at Toronto Saturday afternoon resulted in a hollow victory for the stable of J. E. Seagram, of Waterloo, president of the Ontario Jockey Club. Not only did the stable of the O.J.C. president furnish the winner in Mandarin, but also the second and third horses, in Gala Water and Gala Day, an unprecedented happening in the history of the race. The time of the winner was 2:12, which was good, considering the fact that Mandarin set his own pace and won as he pleased, pulled up, by three lengths. The other two Seagram horses furnished the only contention of the race, Gala Water overtaking Gala Day in the stretch run to beat him home by half a length for second place after a sprinted drive.

"Ice Cream Bricks" at Gibson's. Alex Farrell was fined \$196 at Brantford for cashing a cheque after having given another man power of attorney over all cheques received.

Nervous and Almost Crazy With Pains in the Head

Clergyman Certifies to This Cure of Nervous Prostration by Use of Dr. Chase's Nerve Food.

No ailment is more discouraging than Nervous Prostration. You may feel better for a day or two, only to find the next day that you have lost ground and are worse than ever. The headaches are worse, languid feelings are terribly depressing. As you lose strength you lose hope and courage and look to the future with fear and trembling.

Dr. Chase's Nerve Food is the greatest blessing that has ever come to the sufferer from nervous exhaustion. It is not narcotic in its influence. It does not deaden the trembling, irritated nerves, but through the medium of the blood nourishes them back to health as nothing else can.

Mrs. Alonzo B. Eisner, Biltown, King's county, N.S., writes:—"I was very low with nervous prostration and was about discouraged, as I could not sleep nights and was almost crazy with the pain in my head. I had tried many doctors, but seemed to get little benefit from their treatments."

"A friend handed me Dr. Chase's Nerve Food, so that I might read about the Nerve Food. A single box of this treatment convinced me of its value for I was better. I cannot tell how many boxes I used, but the results were so highly satisfactory that I cannot praise it too much. My health and strength have been restored so that I can do all my own work, and I recommend the Nerve Food to all who suffer from nervous prostration."

"This is to certify that I am acquainted with Mrs. A. B. Eisner and believe her statement in regard to Dr. Chase's Nerve Food to be true and correct."—Rev. Arthur A. Whitman.

Some patience is required in the treatment of nervous prostration, but you will not be using Dr. Chase's Nerve Food long before you begin to find your strength and good cheer returning. You will then be encouraged to continue the use of the food cure until cured. 50 cents a box, all dealers, or Edmanson, Bates & Company, Limited, Toronto.

A TEN INNINGS GAME

FEATURES THE OPENING OF THE CITY LEAGUE.

Ponies Defeat Athletics By 9 to 8—146th Band in Attendance—W. R. Givens and Mayor Richardson Officiate as the Opening Battery.

The City Baseball League formal opening took place at the Cricket Field on Saturday afternoon before a large crowd of spectators. Ponies won a ten-inning game, defeating Athletics by 9 to 8. The teams were tied in the seventh, but Athletics scored three runs in the eighth. Ponies tied the score in the ninth, and nosed out a win in the tenth.

About half-past two o'clock the fine brass band of the 146th Battalion arrived at the field, and for nearly an hour rendered patriotic music. The day was fine, and the ground was comparatively dry after the recent heavy rains. Shortly after three o'clock the game began. The Athletics had some new material out this year. Swarts, a Queen's man, played a very fair game at centre field, and McGregor, who received the degree of M.D. at Queen's last year, and is now a captain in the C. A. M. C., pitched a very good game when one takes into consideration the small amount of practice that he has had this season. The Ponies had nearly the same team as last year. Kelly and Williams, of the 146th Battalion, turned out and played well.

The playing on the whole was very erratic, as can be seen from the record below. The pitchers were not at all sure of themselves, and all the players certainly used more practice. There were some very good plays all through the game, but most of the time the play was very uninteresting. Portions of the game were exciting, but the play was generally mediocre. Many trivial errors were made by both teams, but with more practice these should become rarer. The teams were well matched, as the score would indicate, each taking a spurt at playing at intervals. The teams: Athletics—Toland, 2b.; Kelly, 2b.; Shea, c.; Swarts, c.f.; Spoor, s.s.; B. Cumming, 1b.; Derry, r.f.; C. Cumming, l.f.; McGregor, p.

Ponies—C. Stewart, 3.b.; J. Stewart, l.f.; Williams, s.s.; Saunders, 2b.; Walsh, 1b.; Daley, c.f.; Evans, c.; Gallagher, p.; Cherry, r.f.

While the hand played, W. R. Givens pitched a ball for Toland to hit, but whether it was the curve on the ball or the speed with which it was thrown, he missed it, and Mayor Richardson, who was behind the plate, followed the example of the batter.

First Innings. Athletics—Toland and Kelly walk. Shea fans. Swarts makes a hit, and follows Toland and Kelly over home plate. Spoor out on a fly hit. B. Cumming makes a three-bagger and manages to make home plate. Derry fans. Four runs.

Ponies—C. Stewart walks, but manages to get out on second. J. Stewart out at first. Williams walks. Saunders fans. No runs.

Second Innings. Athletics—C. Cummings fans. McGregor flies out. Kelly and Toland single. Shea singles and scores. Toland. Swarts out. One run.

Ponies—Walsh singles, and scores on a hit by Daley. Evans out to Toland. Gallagher makes a two-bagger. Cherry out. One run.

Third Innings. Athletics—Spoor out. B. Cummings makes first, but is put out on a steal to second. Derry shoots one out by second base, which is nabbed by Saunders. No runs.

Ponies—Charlie Stewart makes home run. His brother, however, fans. Leo Williams out on an excellent catch by Swarts. Saunders manages to make the rounds of three bags before he stop on a left field hit. Walsh pops one to Derry. One run.

Fourth Innings. Athletics—C. Cummings strikes out. McGregor single. Toland out on a fly. McGregor is put out on a steal to second. No runs.

Ponies—Kelly picks up cleverly a ball from Swarts. Evans fans. Gallagher pulls off home run. Cherry bunt, and is out at first. One run.

Fifth Innings. Athletics—Saunders catches flies off Kelly and Shea, and J. Stewart one from Swarts. No runs.

Ponies—Charles Stewart fans, and "Jimmie" gets out at first. Williams makes a single, but Walsh is out on a catch by Toland. No runs.

Sixth Innings. Athletics—Spoor makes first, but B. Cummings is canned by a catch of Saunders. Derry makes a foul hit, which is caught by Evans. Spoor tries to make second, but fails. No runs.

Ponies—Daley can't make first before the ball. Evans and Gallagher single. Stewart has one put over him at second while Cherry gets his at first. No runs.

Seventh Innings. Athletics—C. Cummings and McGregor out at first and Toland on a catch by Daley.

Ponies—C. Cummings makes a good catch from C. Stewart. J. Stewart walks and steals second. Leo Williams singles. Saunders makes two bags on a hit to centre field and scores. J. Stewart, and Williams. Walsh and Daley are out on flies. Two runs.

Eighth Innings. Athletics—Kelly out on catch by Daley. Shea singles. Shortstop gets one from Swarts and Shea scores. Williams muffs one from Spoor who makes two bases. B. Cumming lives things up with a home run. Derry fails to reach first. Three runs.

Ponies—Evans singles. His place and base is taken by J. Stewart who makes second. The play is stopped while the Athletics talk the matter over with Umpire George Sullivan. Stewart is replaced by Williams. Gallagher walks and Cherry gets two on an error of Kelly's. L. Williams out at third. "Charlie" Stewart

Unique in Sheep Annals Kemptville, May 20.—The Advance has been informed of an unusual occurrence, in fact one which, in the opinion of sheep men of the district, is absolutely unique. Not many weeks ago a ewe belonging to Hugh Kelso of Acton's Corners, gave birth to two lambs and a week later to three more. Some doubts of the origin of the latter three was entertained for a few days, but the owner and a neighbor conducted an investigation and proved conclusively that the entire quintette had been dammed by one ewe. We are informed that one is the usual rate of increase, two fortunate, three unusual, four almost unknown, and until Mr. Kelso's ewe presented him with such a generous brood, five had been an unheard of number. Mr. Kelso is well-known in the district and is considered fortunate in his possession of such a prolific animal. "Kentucky Lawn Seed" at Gibson's.
