COAL CONTRACT GIVEN A STRANGER ARRESTED

BY CITY PROPERTY COMMITTEE TO R. CRAWFORD. IN NAPANEE ON SUSPICION OF STEALING JEWELRY

Stock of Goods Stored in the Fair Grounds Must be Removed Within Thirty Days.

At a meeting of the City Property Committee, held on Thursday afternoon, the tender of Robert Crawford, for the supply of seven hundred tons of three-quarter lump coal, was awarded to Robert Crawford, at \$2.28 a ton. Over four hundred tons of this amount will be used by the Board of Education for the schools. The Board of Education asked the Committee to purchase its supply of coal, the same as last year.

The committee made arrangements for the City Solicitor to draw up the necessary agreement with Mr. Campbell, the new-appointed caretaker at the fair grounds.

At the present time, there is a stock of goods stored in the fair grounds, and on motion of Ald. Polson, it was decided to place an advertisement in the newspapers calling for the removal of these goods within thirty days. A sale of the goods will be made if the stock is not removed within thirty days, if it is not removed.

Ald. Hugg, the chairman, presided at the meeting, and the other members of the committee present were Aids. Newman, Chown, Corbett and Polson.

THE ROUTLEY BOYS HAD NARROW ESCAPE.

Their Motorcycle Collided With Automobile Driven By M. Amodeo.

Only a miracle saved the two sons of A. K. Routley, Princess Street, from being instantly killed when an automobile owned and driven by M. Amodeo and a motorcycle ridden by the two boys had a collision at the corner of Union Street and the penitentiary road.

John and Omer Routley were out for an evening's run on their motorcycle and were going towards Portsmouth when Mr. Amodeo was coming up Union. It is difficult to say just what happened that caused the collision. The rear of the motorcycle was struck and the two boys thrown on the road. They were brought to the city by Mr. Amodeo and Omer was taken to the Hotel Dieu. Dr. S. J. Kayes had the X-ray but on the boy and found that there was no fracture of any bones. Both brothers are now resting quietly at their home, suffering from numerous cuts and bruises. Omer's ankle is very badly sprained and it will be some time before he will be quite himself again. John, who was sitting on the rear seat, was knocked off and suffered a number of cuts on his cheeks and a couple of stitches were put on his tongue to close up the cut.
