THE BASEBALL GAME

GOVERNEUR AND PONIES PLAYED TEN INNINGS

Score Was 9-9—Game Had to be Stopped Once Till a Heavy Shower of Rain Ceased.

Gouverneur, N.Y., and Kingston Ponies played a tie ten-innings game at the Cricket Field on Monday afternoon before a large crowd. Owing to the lateness of the hour the game was called at the end of the tenth. The Ponies had their regular team and put up a good game against the Yankees. Nicholson turned out for the home team and proved of great value in holding the ball.

The visitors were the first to display their ability and in the first innings they showed up better at bat than in the field. Cross managed to bring in the first run by a series of steals. Jones and Love were put out in the first innings by a nice double play. Jones popped to Williams and Love, who had walked, was out as first as he hadn't the speed to get back after Williams caught the ball.

The Ponies part of the first innings was a treat for all who saw it. It was just one clean-up after another. "Charlie" Stewart walked and stole second on a wild pitch, while Nicholson singled on an error by Shellette. "Jimmie" Stewart singled to left field and Williams walked. Walsh singled and made the rounds, bringing C. Stewart, Nicholson, J. Stewart and Williams with him. Daley and Jack Evans also made home in this innings on errors of the visitors.

In the second innings Lavasser got home on a two-bagger by Shellette, and in the third Williams singled and sent Nicholson and J. Stewart home.

In the fifth one Love singled bringing Helderman home and shortly afterward Cross passed over the plate. In this inning Williams made a swell hit and just as he reached home plate on what looked to be a sure homer he was put out.

The visitors tightened up after the fourth innings and from that time on the home team couldn't get a run.

Smades pitched a good speedy ball but had very little control. However, he managed to get sixteen strikeouts and it was largely due to him that the home team didn't win.

In the seventh innings Gallagher who had been pitching a very steady game throughout, got tired and Gouverneur scored runs. In this inning five men walked and the bases were full most of the time and men were forced home a number of times. Cross, Love, Jones and Smades brought in runs.

At the beginning of the eighth inning the score was 9-9 and thus it remained to the end when the visitors had to leave to catch their boat.

The game was quite interesting, and in spite of the rain there was a very good crowd present. At one time the rain came down so hard that the game had to be called for some time.

Ned Hartwick played the part of Mr. Umps very satisfactorily and had the game well in hand. The band of the 130th Battalion rendered fine music throughout the afternoon.

Value of Left Hand Pitchers

When a good league team is supplied with good left-handed pitchers it always stands a chance in the race. Cleveland has two southpaws, Combe, a Boston cast-off, and Willie Mitchell, who, while not a brilliant performer, is certain to improve as he goes along and gets accustomed to his associations.

A Reckless Agent

Toronto Globe. Sir Sam Hughes cared so little for careful buying that he admits signing a contract for twenty-two million dollars' worth of fuses without even looking at the prices quoted. The British Government will not be proud of that sort of trusteeship.

JESS WILLARD'S WEIGHT CONTINUES TO INCREASE.

Big Champion Now Weighs Close to Three Hundred Pounds.

Speculation is rife as to what Jess Willard's weight will be in his next fight. The champion has been putting on avoirdupois constantly during the past three or four years, despite almost constant training. Spending the summer with a circus, where his exercise will be mild, means greater bulk by fall.

When Willard made his first appearance in New York he weighed around 220, although he was as tall then as now. A year or so before he won the championship he beamed in the neighborhood of 235, fighting condition. He carried 247 into battle against Jack Johnson, and less than a year later, when he fought Moran, his ring weight weighed 259. That 259 was reached only after a month of strenuous reducing.

Willard right now is said to weigh around 285, having taken on much weight since he concluded operations with Moran. Six months from now, if the weight continues to attach itself to his frame, Willard will notch beyond 300. That means he will have difficulty reducing to 275 for his next bout.

DETROIT'S SUNDAY WIN

To be Protested by the Washington Club

Detroit, Mich., June 5.—Manager Clarke Griffith has made up his mind to lodge a protest with Ban Johnson on Umpire Connolly's decision which gave Veach a home run on a drive which bounded into the bleachers, with Washington, and incidentally won the game for the Tigers.

Griffith notified the umpire when the play came up that he would continue under protest, and he believes that the league executive will have to order the contest re-played. The hit which started the argument was a long fly to right that went over the low screen into the open stand on one bound. Ropes had been stretched to hold back an overflow crowd earlier in the afternoon, and the umpire had announced that any ball driven into this crowd or past the ropes would be good for two bases only. Griffith contends Veach's ball hit inside this restricted territory, and thus was good for but two bags, regardless of where it may have bounded subsequently.

WHOLE TEAM IN KHAKI

Proud Record of Beaches Junior O. A.L.A. Champions

Manager Johnson, of the Toronto Beaches Lacrosse Club, who won the Junior O.A.L.A. championship a year ago, has joined the rest of the team who are wearing khaki, having signed up with the 4th Divisional Supply Column, and will go overseas in a few weeks. With the manager in line the whole lacrosse aggregation who won the championship are now wearing the uniform of their country, which is a record to be proud of. Last night the members of the team and a few friends presented Manager Johnson with a wrist watch and a fountain pen. A year ago these boys, who were all under the age of twenty years, were busy getting in shape for the lacrosse campaign, and after a strenuous summer they won the championship from the Midlands and Riverdales. Now with the lone exception of one player, who last year moved with his parents to Rochester, N.Y., they are like the soldier uniform. Four of them are already overseas, while the rest are either training at Niagara or the Exhibition Grounds.

To Box in South America.

Albert Badoud, the French welterweight, will join the colony of American boxers Billy Gibson is taking to South America. Badoud arrived in New York with the European title to try to win the world's championship, and has been assured that Gibson will stage a Badoud-Britton match for the welterweight championship.

Pittsburg Releases Knabe

Infielder Otto Knabe has been unconditionally released by the Pittsburg National League club. Knabe was manager of the Baltimore Federal team last season.

CARRIED OVER PLATE

A FREAK PLAY THAT CALLS FOR PROTEST

Player Assisted by Two of His Team Mates in Gaining Third Base and Home Plate

It is not long since Edward Barrow was called on to decide a protest over a freak play in a game in Toronto, where a ball lodged in the catcher's chest-protector. Chances are that Edward will have another odd case to decide within a few days, as Providence plans to protest a peculiar play in a game they lost to Richmond Wednesday.

With Clemens on first, Aragon, the Cuban infielder with Richmond, flashed a triple to deep centre. Clemens rushed around the paths and retrieved the ball. It was thrown to Shean, who cut it loose to Brainard to intercept the flying Aragon; the pesky pill hit Aragon on the head and knocked him into the base, bounding off behind the stand and out of sight of the umpires.

Aragon fell to the ground and failed to rise. His team mates hurried to the rescue, and with the aid of two players, Aragon was carried from third to the plate for the winning run. Rule 17 of section 17 of the rules designating when-base runners are out declares that any assistance given a runner to call him out. In this case Aragon was not only assisted at third base, but was carried to the plate in the arms of two fellow-players. Three minutes later he walked to his position at short field and played the inning out apparently as well as ever.

SPEAKER AND DAUBERT LEAD

Cobb Gradually Overhauling His American League Rivals

Chicago, June 5.—Ty Cobb is regaining his regular stride. The Detroit star is batting in fifth place among the American Leaguers, and has run his stolen base record up to 11, tying for the lead in that department with Sisler of St. Louis, according to averages printed here today and including Wednesday's games. Speaker of Cleveland, who still leads the batters, also is ahead in total bases with 74. Detroit leads in team batting with .360. American League .300. Hitters who have taken part in at least half the games of their teams are:—

Speaker, Cleveland, .370; Burns, Detroit, .336; Strunk, Philadelphia, .331; Numamaker, New York, .329; Cobb, Detroit, .327; Milan, Washington, .317; Zobbitz, Boston, .315; Hellman, Detroit, .313; Sisler, St. Louis, .307; Jackson, Chicago, .306; E. Johnson, St. Louis, .304; Smith, Cleveland, .303.

Larry Doyle, last year's champion in the National, took part in the great revival of the Giants, and with Shulte, Chicago, is crowding Daubert for the lead among the batters of the old league. New York, with the high average of .277, leads in the club batting.

ZEIMER TO SCOUT

For the Cleveland American League Ball Team

Gus Zeimer, manager of the Hamilton Canadian league club, has received an offer from Lee Pohl, manager of the Cleveland Indians, to act as scout. He will likely accept. Zeimer played under the present successful leader of the Cleveland club in Waterbury, Conn., and his ability must be recognized when he has received such a flattering offer. He is now playing with the Frankfort club of the Ohio State league. He regrets very much that the Canadian league decided to lay off for this season, but is of the opinion that it was a wise move.

To the Wrong Address

Words flly spoken were uttered by W. D. McPherson, K.C., M.P.P., in his demand for national or provincial registration. But Mr. McPherson's speech was delivered to the wrong address when the argument was delivered to an audience in High Park. The people who can give this country either provincial or national registration are Mr. McPherson's own leaders in Queen's Park, Toronto, and Parliament Hill, Ottawa.
