**CAPT. (DR.) FRANK PARK**  
 Old Toronto Rugby Player is Reported Missing  
 It was only a few days ago that "Laddie" Cassels, one of the best middle wings that ever played for Varsity, was reported among the injured at the front. Now comes word that Capt. (Dr.) Frank A. Park is among the missing after the big engagement last week. Frank Park was one of the greatest outside wings that ever played Rugby for Varsity, and figured on several championship teams. He took part in the exhibition game here some years ago against the Carlisle Indians, and while, like the rest of his teammates, he was unfamiliar with the rules of the American game, yet his playing was one of the features of the afternoon. He invented a system all his own of running around behind the line of attack and tackling the man with the ball. He was also a crack lacrosse player and, along with his brother Perry, who is now a missionary in India, learned the national game with All Saints'. He played the game also with Varsity and Young Toronto's.

**CAPT. A. J. SINCLAIR**  
 Well-Known Argonaut Oarsman is Wounded  
 Capt. A. J. Sinclair, whose name appears among the list of wounded, is believed to be Alexander Sinclair, the well-known Toronto Argonaut Rugby player and oarsman. Alex. left for the front with the first contingent, and a year ago was severely scalded and was in the hospital for several weeks. He was a natural athlete. This is borne out by the fact that he never took up Rugby or rowing until he was well over the voting age. It was his friend, Major "Bill" Grant, who after much persuasion induced him to get into the Rugby game. In condition, Alex. would weigh around 210 pounds, but for a big fellow he was extremely fast. In his younger days he played soccer, and through his ability to place the ball well he was always the man selected to convert the try by the Argonauts.

**THE WESTERN FAIR.**  
 September 8th to 16th, 1916, at London, Ontario.  
 One of the changes that will be noticed by visitors to the Exhibition in September next, at London, will be the new Process Building, which has been erected since last year's Exhibition. It is expected that this building will be a hive of industry during Exhibition week. This building will certainly be an attractive one with machinery in motion, showing different kinds of goods in course of manufacturing. If any firms require space in this, or any other building, application should be made to the Secretary at once, as a large amount of space has already been allotted. All applications for space and all other information regarding the Exhibition should be addressed to the secretary, A. M. Hunt, London, Ontario.

**A RECRUITING CONCERT**  
 IN MACDONALD PARK BY THE 109TH BATTALION BAND  
 On Tuesday Evening—Splendid Addresses Were Given by Lieut.-Col. C. J. Williams and Capt. G. I. Campbell.  
 The 109th Battalion band gave a very fine band concert last night in Macdonald Park. There was a very large number of people in attendance and the initial concert can be counted a very fine success. During the evening Lieut.-Col. C. J. Williams gave a very fine address in which he appealed very strongly for recruits. He said that the British Empire was now engaged in a life and death struggle, and yet the people of Canada do not seem to realize the vastness of the struggle in spite of the great losses we have incurred. The war cannot be won unless all classes of citizens put shoulder to shoulder and fight to the grim end. The key to the situation has three notches in it, money, men and munition. The people of Canada will have to give generously, the men of the country must come forward to fill the ranks of their fallen comrades, and if possible the men doing munition work, if they are physically fit, must vacate their places at the machine in place of some returned soldier, or physically unfit men.  
 Then to show the civilians present that there was no dissatisfaction among the soldiers, Col. Williams asked them several questions. "Would you take of the King's uniform now if you had the chance?" and in answer went up the mighty shout of "No." He then asked the men if they were satisfied with the way things were being conducted for them in the army to this went up the still louder cry of "Yes!" He then appealed for men to come forward and sign the attestation papers, the soldiers' roll of honour. The Capt. Campbell of the 146th Battalion then appealed for recruits and the bandmaster sounded the fall-in.

**KILLED BY A TRAIN**  
**JOHN MCBRIDE WAS WALKING ALONG THE TRACKS.**  
 Struck Near the Division Street Crossing—Had Wandered Away From the House of Providence.  
 John McBride, aged fifty-eight years, met death Tuesday evening while wandering along the railway tracks near Bennington's crossing on Division street, by being struck by a train. Mr. McBride had been an inmate of the House of Providence for two years, and is thought to have been mentally defective, as he was sent to that place from Rockwood asylum. Tuesday he wandered from the house about 5.30 o'clock. It is likely he went out Montreal street until he reached the railroad tracks. He would walk along these, and at his rate of walking, which would be naturally slow, he would just about reach the crossing of the C. P. R. and G. T. R. tracks as the local, which arrives at 6.58, would be coming to the city.  
 From all accounts it appears that he was walking in an easterly direction. He saw the train approaching him, and to get out of the way he stepped on the other track, only to be hit by a train from the other direction and killed.  
 R. J. Reid's ambulance was called at seven o'clock. Dr. D. E. Mundell was also called, and decided that an inquest was necessary. Mr. McBride received terrible injuries. His skull was fractured, and he received numerous cuts and bruises on his body. His remains will be shipped after the inquest to Ottawa, where he has several brothers residing.

 Member of 21st Displayed Valour—Corpl. Alfred Tugwood Promoted.  
 Corp. Alfred Tugwood, a former member of the fire department of this city, has been promoted to the rank of lance-sergeant in No. 1 Company, 21st Battalion. He is taking the place of another well-known Kingstonian, who went away with the 21st, viz., Sergt. Stanbridge, who before the war was an employee at the Royal Military College. Stanbridge was wounded and suffered a fracture of the leg a short time ago. It is now learned that Sergt. Stanbridge has been recommended for the Distinguished Conduct Medal for an exceedingly fine display of valor while under fire. People will remember that when the 21st was being inspected here, H. R. the Duke of Connaught said that Sergt. Stanbridge was the finest soldier he ever had the pleasure of inspecting.  
 Has Brother Here.  
 Mayor Richardson has received a letter from Miss L. May, Ottawa, in which she says that she received a letter from a friend who stated that Pte. A. Wheatley, of the Second Battalion, Canadian Reserves, was a prisoner at Aachen, Germany, and that Lewis had stated that he had a brother living in Kingston, but that he had not heard from him since he had been taken prisoner. He sought information about him.

Mr. Merriman came to the city on business, and in the afternoon when he returned home he lay down for a short rest. Some time afterward his wife went into the room to wake him up, and was terribly shocked to find him dead. It is surmised that the cause of death was heart failure.  A very sudden death occurred on Queen street, passed away. This is a very sad death, as Mr. Keyes was preparing to go overseas as a dispenser with Queen's ambulance, which is being organized in the city, and do his duty in relieving the sufferings of his fellow-men at the front. The late Mr. Keyes was born in the city over thirty-three years ago, and had been a resident of the city all his life. He was taken ill very suddenly Tuesday with acute Bright's disease, and soon passed away. He had been in good health previously, and had been for some time employed in Hoag's drug store. In religion the deceased was an Anglican, and a member of St. Paul's Church. He is survived by his mother, Mrs. Andrew Keyes, and one brother, Dr. S. J. Keyes, of this city.
