Bilobs—Don't like to embarrass him, eh?
Bilobs—No, it isn't that. He generally wants to borrow more.—Exchange.

Practical Superstition.
"Heard a dog howling all night."
"It means sudden death."
"I didn't know you were superstitious."
"I am. It means the finish of the dog."

Their Effect.
"Miss Mayme can shoot such glances at one from under those long eyelashes of hers."
"Be careful; her shooting glances have a killing effect."—Baltimore American.

Her Means.
"He married her for a woman of means."
"And isn't she?"
"Oh, yes; but the meanest part of it is that she evidently means to keep her means to herself."—Exchange.

A Pleasant Outlook.
"I wonder why the bride is crying."
"remarked one of the guests at the wedding. "Can it be because she is leaving home?"
"No, it ain't that," answered the bride's small brother. "She's in love with the fellow she married, and I think she's crying 'cause she feels sorry for him."

Safeguarded.

"My father is a doctor, but he isn't a quack! My father's got a license, so if he kills any one they can't arrest him!"

System Was Full of Poison; Pains in Side and Back

Had Constipation for Many Years, but Was Entirely Cured by Dr. Chase's Kidney-Liver Pills.

The most common ailment and the greatest cause of disease and suffering to-day is constipation. Artificial food and sedentary indoor life combine to induce torpid, sluggish action of the liver, kidneys and bowels. As a result poisonous waste matter remains in the system and gives rise to pains and aches and affords a starting point for serious disease.

Infectious and contagious diseases are little known to persons whose liver, kidneys and bowels are kept in healthful activity, for there are no suitable conditions for disease germs to thrive in. Even common colds usually take their start when they find the system in a constipated, poisoned condition.

Mrs. Edward Miller, West Flamboro, Ont., writes: "I can truthfully say that Dr. Chase's Kidney-Liver Pills have cured me of constipation. I suffered with constipation almost ever since I can remember, and for four years had pains at the left side of the back. If I walked across the kitchen floor I would have to sit and rest. That I think was terrible for a woman of twenty years. The condition of my blood was shown by pimples breaking out on my face. I suffered so much from pains and stiffness in the back, I am sure my system was full of poison. Dr. Chase's Kidney-Liver Pills have entirely cured me, and I feel better than I have felt for many years."

As a cure for constipation Dr. Chase's Kidney-Liver Pills stand alone, for by their action on the liver they awaken the activity of this organ, cause a good flow of bile, and hence remove the cause of indigestion, for bile is nature's cathartic. One pill a dose, 25 cents a box, all dealers, or Edmanson, Betes & Co. Limited, Toronto.
