News of Troops in the City

(See also page 9.)

The 146th Battalion minstrel show will be put on at the Dominion celebration at Napanee.

Thomas Kelly, formerly employed by C. Livingston and Bro., eighthers, has enlisted with No. 3 Company, Canadian Ordnance Corps. He completes a family of five boys now all in uniform. One is in Mesopotamia, one went overseas with the 8th, C. M. R., and two are with a British battalion.

All of the camp sports scheduled for Saturday had to be postponed on account of wet weather. The grounds prohibited even practicing to any great extent.

Capt. T. F. Barnet, Renfrew, will give his services to recruiting the 240th. Mr. Barnet, sr., has made a most generous offer to aid the battalion by signifying his intention to insure all the married men of Renfrew who enlist in the sum of \$1,000 and to keep the premium fully paid up.

Rev. Douglas Laing, of the First Baptist Church, gave an address Sunday evening at the military Y. M. C. A. at Barriefield. Mr. Dunated and R. Hudson were the soloists.

SOME RECORD THIS.

There was no session of the Police Court on Monday morning, and this is certainly some record when the fact that we have in our midst a big military camp is taken into consideration. The city police report a very quiet week-end, also the military police. Just one lone drunk fell into the military police nets on a charge of drunkenness. The record is one that the city might well be proud of. It speaks well for the conduct of the men in khaki.

Mother Got Letter Stating That He Had Been in Some Hot Fighting.

Lieut. Gordon Cutle, of Montreal, who went overseas with a Westmount battalion, and who is reported to have been taken as a German prisoner, is the son of the late James Cutle, for many years manager of the Montreal Transportation Company, and a nephew of E. A. Turner, manager of the Montreal Transportation Company in this city. He resided with his mother at Westmount. Lieut. TOKEN OF LOVE AND ESTEEM
Rev. S. J. Hughes Will Leave Renfrew Shortly
Renfrew, June 12.—"Time and tide wait for no man," might well apply to the exigency of the Methodist church government, which necessitates the departure of Rev. S. J. Hughes M. A., who preaches his "farewell" next Sunday. His four years' ministry has been marked by a spiritual and material growth of the Methodist church here, and congregation regret that the vicar has arrived for his departure. Mrs. Hughes, too had been highly esteemed and the ladies of the church presented her with an address yesterday, which spoke highly of the love and esteem in which she has been regarded. It was accompanied with a purse of gold and signed on behalf of the ladies of the church by Mrs. J. K. Rochester, Mrs. E. A. Smith, Mrs. S. T. Chown and Mrs. W. Thompson.

German divisions brought from the Balkans are now on the Verdun front.

The railroad tracks on Ontario street are being dug up.

THEATRICAL NEWS

At the Grand.
"Robin Hood," the best comic opera America has produced, will be sung at the Grand Opera House on Saturday, June 17th, matinee and night. The story of this popular and artistic success is based upon the old English tale of Robin Hood and his band of outlaws, a story used by Sir Walter Scott in his famous novel of Ivanhoe. It is a pleasure to announce that this masterpiece, which demands the finest vocal talent, will be sung in the coming production by artists of the first-class. Foremost among them is Ivy Scott, a dramatic soprano from the "Madam Butterfly" and "The Girl of the Golden West" companies of Henry W. Savage. Miss Scott will sing the role of Maid Marian, and her art in using her lovely voice has never before been equalled in this part.

The title role will be sung by Ralph Brainerd, whose splendid tenor voice will be a revelation. Friar Tuck will be played by William Schuster. His unctuous performance of the character is a classic. Cora Tracy will be the Alan-a-Dale, who sings the always popular "O, Promise Me." James Stevens, a first class comedian from the Chicago Grand Opera, will be the little John and Herbert Watrous, as Will Scarlet, will sing the famous "Armourers' Song." The chorus is especially fine vocally, and a notable feature of this company is the augmented orchestra.

To-night at the Grand.
For to-night, Tuesday and Wednesday, one of the most unique acts of vaudeville yet offered to the patrons of the Grand will be on the programme, Wolford's comedy canine circus. This act consists of eight or ten dogs trained to do acrobatic work, dancing and talking. Miss Nina Davis in a singing and dancing specialty will complete the vaudeville end of the bill. In the photoplay part, Fannie Ward in America's production of the great stage success, "For the Defence," a story of great suspense from beginning to end. A two-reel Universal photoplay, a comedy and the Paramount topical budget, showing the latest scenes of the war will be also shown.

Big Bill at the Strand.
The programme of pictures booked to this popular theatre for the first three days of this week is one of the strongest ever presented on any screen. The masterpiece is a five act triangle play entitled "Betty of Greystone," in which that dainty little screen star, sweetest "Dorothy Gish," is seen in the leading role of a story that suits her admirably and gives her ample scope to display her wonderful dramatic talents. She is ably supported by such well-known players as Owen Moore, Geo. Fawcett, Kid McCoy and an all star cast. The comedy is one of the very latest Keystone in two acts, featuring those two big stars "Mabel Normand and Fatty Arbuckle" named "The Bright Lights," and it is said to be one of the funniest that the popular comedy stars have ever been seen in. Other good subjects will also be shown rounding out an exceptionally strong and varied bill.

NEW CHARGE AGAINST PRIVATE GALLAGHER.

Also Charged With Wounding With Intent To Do Bodily Harm.
Pte. Richard Gallagher, of the 139th Battalion, who on Saturday was committed for trial on the charge of shooting with intent to kill, appeared before Judge Lavell Monday morning to elect how he would be tried. He decided to be tried by Judge Lavell and will come up for trial next Saturday.

A new charge was added, that of wounding with intent to do bodily harm. It is possible the first charge will be dropped.
It will be remembered that Friday afternoon Gallagher discharged his rifle in the lines of a company of the 139th Battalion, the bullet entering a tent and passing through the leg of Pte. Lowell Chester.

CHURCH UNION REPORT.

Final Vote of Presbyteries For Union Was 53 To 13.
Winnipeg, June 12.—A special committee appointed by the Presbyterian General Assembly to examine the vote of Presbyteries on Church Union reported to the Assembly Saturday that they found a large vote in favor of union. Committee found that the seventy-six presbyteries voted in this way: For union, 52; against union, 13; ties, 3; irrelevant, 2; rejected 1 no returns, 5.
The final vote of Presbyteries, according to the special committee, was 53 to 13 for union.
When the special committee unanimously reported in this way today, Rev. Dr. Robert Campbell clerk of the assembly made a most determined fight to have the report rejected. He explained the principles which guided him in his scrutiny of returns and said that all technicalities of law must be strictly observed. The debate on the subject was continued through the entire morning and the final vote on the subject was 384 to 47.
Hon. Edward Brown at the close of the session said the precipitation of the division of the assembly on such an issue was, without much doubt, a tactical error on the part of those opposed to union. Several addresses by friends of union were made during the morning, all advocating the application of the principles of equity in consideration of the vote of presbyteries, and of general application of such principles in relation to general questions.
