Letters From Kingston Boys At Front

The British Whig is setting aside a column for the exclusive use of its readers who may have received letters from friends at the front or in England. Care will be taken for censorship reasons, that these extracts do not contain the mention of any unit, casually or the location of the unit. The person sending the letter in should be careful that the name of the writer is given. If requested, letters will be returned promptly to the sender. Most any letter from the front has something in it which is of interest to Canadians, even though it be only the reference to some remark sung out between trenches to "Fritz."

JOYCE-LAKE WEDDING.

A Pretty Wedding Took Place on Thursday Night.

The home of Mr. and Mrs. Franklin Lake, Alfred street, was the scene of a pretty wedding on Thursday evening, when their only daughter, Edna Pearl, was united in marriage to Percy S. Joyce, Chicago, son of Mr. and Mrs. Sheldon Joyce, Napawee. The couple were unattended, and the ceremony was performed by the Rev. J. E. Lidstone, who also married the parents of the bride. During the signing of the register Mrs. V. Gedye sang very sweetly "Because." The wedding march was played by Miss Muriel Joyce, sister of the groom. The bride looked very pretty in a gown of ivory crepe de chine over silk, with accompanying veil and orange blossoms, carrying a sheaf of Killarney roses, and wore a gold wrist watch, the gift of the groom. After the ceremony a dainty luncheon was served in the dining room, the color scheme being white and yellow. The happy couple left on the midnight train for Toronto, Niagara, Detroit and Chicago, where they will in future reside, the bride travelling in a suit of navy blue silk poplin with chic hat of Corbeau blue Milan Tassel, with foliage wreath and veil to match.

A runaway was stopped on Princess street just in time Friday morning to prevent the horse running into an automobile. The animal raced down Princess street and was stopped at Sydenham by a merchant. The horse had been left standing untied on the street, giving it ample opportunity to run away.

AT THE POLICE COURT

SAD STORY UNFOLDED BY MOTHER AND DAUGHTER.

Husband Showed Extreme Cruelty Towards Them While He Was Under Influence of Liquor—Hubby Agreed to Separation.

Sad indeed was the picture presented before Magistrate Farrell in the Police Court on Friday morning, when a mother and daughter gave evidence against husband and father in charging him with assault. The case resulted in a separation of the husband from his wife and family. The husband said he was willing to keep away from the house, and his wife and daughter stated that this was what they wished for. The Magistrate disposed of the case in this way.

Love for strong drink on the part of the husband has been the cause of all the trouble. The wife and daughter told the Magistrate a story of extreme cruelty on the part of the head of the household, and the case was marked by much cross-firing between the three.

"I don't want him to go to jail; all I want him to do is to keep away from the house," said the wife. He drinks all the time, brings liquor into the house, and then there is trouble. While he was drinking I got his bottle of whiskey and smashed it. My daughter was home in bed suffering from a headache. I hid his bottle in her bed, and then he got mad and started to smash things up. He struck me, and also his daughter. He threw his daughter against a stove and hurt her. I got a blow from his fist when I tried to protect my daughter. He threw cups at me, and smashed up nearly all the dishes in the house. I got a whip and daughter tried to protect herself with a poker."

Parcels for Prisoners.

The next shipment of parcels for prisoners of war in Germany will be made from the U. S. Consular office on Tuesday next. The packing will be done on Monday, and the Consul invites citizens to come and witness the process. About 160 parcels will be sent on Tuesday, but beginning next month the Consul hopes to send from 200 to 250 parcels in each shipment.

Some citizens have been complaining to the Consul that the parcels which they sent themselves to prisoners of war were never received. On the other hand, every parcel sent through the American Consul has been delivered. Moral: Send your parcels via the American consulate.

FOR CAMPBELL POWER.

Commissioner R. H. Toye is Strong Supporter of By-law.

R. H. Toye, a member of the supporter of the Campbell power by-law. In conversation with the Whig on Friday he stated that he failed to see why anyone should vote against the by-law, more especially when it was not costing the people a dollar. Furthermore, the power received from the company would be much cheaper than the city could afford to manufacture it for.

In conclusion, Mr. Toye declared that he considered the Campbell Company power would be a great benefit to the city.
