## FIVE BATTALIONS ARE TO REMAIN

At Barrifield Camp, According to the Latest Ottawa Orders.

### THE 93RD AND THE 109TH

TO BE PERMITTED TO FINISH THEIR TRAINING HERE.

Efforts Being Made to Have the 146th Remain—No Adequate Reason Given For Removing the Local Battalion.

The recommendation of Col. T. D. R. Hemming, camp commandant, that the 93rd Peterboro and 109th Lindsay Battalions be allowed to remain at Barrifield until the completion of their training has been adopted by the Militia Department. This means that the 130th (Perth), the 136th (Port Hope), the 139th (Cobourg), and the 146th (Kingston) will be the four battalions going to Valcartier. Over six thousand men will be left at Barrifield Camp.

It is still hoped that the 146th Battalion may be allowed to remain at Barrifield. The Kingston Conservative Association executive is said to have the matter in hand and is pressing the Minister of Militia to confer a favor upon Kingston and Frontenac by allowing the battalion the use of the old military camp ground right at its door. No adequate reason has been given for moving the 146th and cannot be.

### In Bivouac And Barracks

(See also Page 5.)

Queen's University Field Ambulance is doing good work at Barrifield. For the week ending June 17th it cared for 250 patients. The present strength of the unit is about sixty, or about one-third of the required number. Lieut.-Col. J. C. Connell is in communication with men all over Canada who are anxious to enlist, and the required number will undoubtedly be forthcoming before long. As soon as the corps is recruited to strength it will be sent overseas, and will be placed in charge of a Queen's man. Recruiting will be immediately commenced for another corps.

These promotions have been made in the 158th Brockville Battalion. Capt. F. J. Kyle is to be adjutant. Pte. W. A. McCleneghan has been promoted to the rank of battalion quartermaster-sergeant. Pte. W. Burke has been promoted to acting sergeant and Pte. William S. Sealife has been promoted to the rank of sergeant shoemaker.

Capt. C. W. Elliott to the rank of major; Capt. H. H. Edwards to the rank of major; Capt. R. J. Gill to the rank of major; Lieut. F. M. MacBryne to the rank of captain; Lieut. R. C. Balfour to the rank of captain; Lieut. J. H. Graham to the rank of captain; Lieut. W. H. Graham to the rank of captain.

### TOTAL OF RECRUITS

The total of recruits in Military District No. 3 up to June 15th, was 33,954. This means that 6,376 more recruits will complete this district's allotment of the half million recruits that Canada is supplying to the battlefield.

Capt. Kennedy, 21st Battalion, reported at camp headquarters on Wednesday morning. Capt. Kennedy is on leave from the front.

The municipalities of Campbellford and Seymour have each given the sum of \$325 to the 139th Battalion, commanded by Lieut.-Col. W. H. Floyd.

Lieut. Sherman Young, 155th Battalion, who was wounded and made a prisoner of war for six months in Germany, while a member of the first contingent, has received word that his brother has been killed in action.

Major Lech, Capt. Munro and Capt. Hall, 93rd Battalion, have returned from Peterboro.

### STRETCHER-BEARERS ARE WANTED

The 146th Battalion is calling for sixteen men to act as stretcher-bearers. This is a new department, as hitherto the colleges have supplied this branch of the service. The stretcher-bearers will be under a medical officer, and will wear the Red Cross.

### AIKENS-CASTERTON WEDDING

Took Place in St. James Chapel on Tuesday Morning.

A pretty wedding took place Tuesday morning in St. James chapel, when Rev. Father Hanley united in matrimony Irene Casterton and James Aikens. The bride was attended by her sister and the groom by his brother. After the ceremony the happy couple proceeded to the home of the bride, where a sumptuous wedding breakfast was partaken of. The groom's gift to the bride was a Victrola, the bridesmaid a cameo ring, and to the groomsmen a wrist watch. The numerous gifts received by the young couple attested to their popularity. They will be at home to their friends at 148 Ordinance street after June 26th.

## THEATRICAL NEWS

### At the Grand.

For Thursday, Friday and Saturday the Grand has another excellent bill arranged, which is headlined by Hazel Dawn in "The Saleslady." The former star of the musical comedy stage was never more congenially cast on the screen. The vehicle offered her could not be improved upon and is sure to please, giving her wide scope for a display of her qualities. There will also be a two-reel Universal, a one-reel comedy, and the Paramount Travel series. In the vaudeville section Henry Ferrier in a live-wire juggling act which bubbles with comedy, and Scott and Campbell in an up-to-the-minute singing and dancing novelty, round out a good bill. The first half of the week which completes its bill to-night is more than pleasing.

### Strong Film at Strand.

The entrance to the Strand Theatre was crowded all day yesterday with people eager to see "The Battle Cry of Peace." Five or six big audiences witnessed the picture during the afternoon and evening, and they were amply rewarded, for, if ever a picture stimulated interest this one does. There have been pictures upon war pictures shown in Kingston until the public has become pretty well accustomed to them, but this one is the biggest sermon on preparedness that could possibly be imagined. The war scenes on the screen deal with conditions at the front and armies opposed to armies. "The Battle Cry of Peace" shows a pretty well organized army might do against a defenceless population, in this case the United States, with the City of New York as the scene of the carnage. You see what looks like a real war panic. Fires break out, bombs drop from aeroplanes, and large office buildings to the ground; innocent people are shot and women maltreated by brutal soldiery—all of it is portrayed with unbelievable realism, and through it all there is the story of what happened to one family, which brings it home all the stronger.

"The Battle Cry of Peace" will be shown for the last time to-night, and anyone who has not seen it should not lose the opportunity of so doing.

### At Griffins.

Scratch the veneer of civilization and you have the bare naked, savage soul of man.

This is the theme of "The Misleading Lady"—the story of primitive passions, of cave man methods introduced into modern society, shown at Griffin's Theatre, Wednesday and Thursday. A girl leads a man to bare his love for her before jesting friends. He kidnaps her, takes her to a mountain lodge, chains her to the floor. He dominates over her, browbeats her. She hates him, but is awed by his overpowering mastery. His reckless daring, his brute force win her admiration. One day, goaded by his deliberate taunts, she tells him with a blow. The woman instinct is aroused; the mothering love for the helpless comes to play. The man child is hers to care for and a great love is born.

### At Lake Ontario Park.

Notwithstanding the coolness of the weather last evening the two entertainments at Lake Ontario Park were well attended. The performances were very pleasing, and were well received. In the vaudeville "Little Allright" scored another success with his expertness in his Japanese novelties, while Hattie and Harry Beldon with their funny selections of singing and acrobatic dancing were very entertaining, and were repeatedly applauded. The pictures were good. Miss Frances Devlin played several piano selections in an artistic manner and scored a hit.

On Thursday evening an entirely new bill of pictures and vaudeville will be presented.
