find, like the flower, a spring of eternal life, entirely distinct from your own that is perishing, set working deep in your innermost being. God's purpose for you is that the natural or old life should die and that the spiritual or new life should be renewed day by day. Again we see this illustrated in the life of the flower for within a few hours after the throb of new life has spread through it the petals begin to wither. The birth peal of the new life and the death knell of the old ring out together. The seed-vessel with its hidden treasure—the ultimate object of the miracle of quickening-begins to form, so we become chosen vessels unto (Him) to bear (His) name" with all that is wrapped up in that name of fragrance, healing, power-chosen to go about this sinful, sorrowing world with the living Christ within us ready and able as of old to meet the need

around. Dear women of Kingston, I appeal to you, is not this a calling worth seeking?

Then shall we become Crusaders? Shall we follow on to know the meaning of the Cross in practical experience, not in seeking to work out a death process in our own souls which is false and dangerous mysticism, but in taking the place of oneness with Christ in His death to sin, to self, to the world (as opposed to God) and in His resurrection into the life of heaven?

Come to the Crusader's Camp, Cor. Johnston and Clergy Sts. where meetings will be held every night beginning June 25th.

Your humble fellow laborer in the Gospel,

B. CARR-HARRIS

Heartburn and Windy Spasms

The efficacy of Dr. Cassell's Instant Relief in these complaints will be a revelation to those who have hitherto trusted to bismuth or soda mixtures, or to old-fashioned liver pills and salts.
