THE SHOES I CAN'T WEAR

All Because of a "Touchy" CORN

BUT you can wear them, Madam—and now. Simply place on that corn a little Blue-jay plaster, and never again will you feel it. In two days there will be no corn. It will disappear for good. Millions of women know that. They don't care. They don't use old-time methods. And they don't suffer. When a corn appears they end it. We are urging you to join them. Corns are needless since Blue-jay was invented. So they are absurd. You can prove in one minute that Blue-jay stops corns aches. You can prove in two days that it ends them forever.

WON'T YOU? Buy Blue-jay at Druggists, Also at Hardware Stores, Stationers, etc. BLUE-JAY PLASTER, Made of Natural Gypsum, etc.
