ATHLETICS DOWN VICTORIAS

IN CITY LEAGUE BASEBALL GAME BY 10 TO 6

Occupy Second Place in the Standing—Game Poorly Attended Owing to the Threatening Rain
The Athletics put one over the Victorias in the City League baseball fixture at the Cricket field on Saturday afternoon by a score of 10 to 6. The game was very poorly attended, partly on account of the threatening rain and partly on account of the late hour of starting. Several of the players disappointed the managers and it took some time to get other men. The game was not up to the usual standard put on by the league and was very amateurish.

Neither pitcher was up to his usual form and although each worked hard he couldn't get the right stuff over the plate.
Taber of Victorias was a great improvement over McPhie, who wore the mask last Saturday. Baker is improving and getting into the game alright. "B" Gilbert was out for the first time and played very well. "Doug" Pound, though still unable to take his place behind the bat, was able to come out and cheer his team. Nicholson and Somerville were very much missed. Kelly, who was late in arriving, replaced Murray at third and played nicely. Shea was very good behind the bat. However, errors seemed to be the order of the day. Laird was right on the job for the Vics and played well. The rest of the team worked hard. In the first innings Athletics got two. B. Cummings made a nice hit bringing Toland home and then came in himself on several errors. Gilbert brought one in for the Vics on an error of the catcher.

In the second Athletics made four runs. Berry and McGregor came home on a two base hit of Spencer, and Spencer and Toland scored on a hit of Wall.
In the third the Vics made four. Matthews came home on a single of Saunders. Anderson walked when the bases were full and Laird was sent over the plate. There was rather a jumbled play at this point and McKay and Saunders both went over the platter.
In the sixth Kelly brought in another tally and in the seventh B. Cummings made another on a two-bagger of Shea to the right-field.

In the last innings the Athletics made two runs. Shea hit one to the centre field sending Spencer home and Kelly sent Shea in on a nice little hit to left. The Vics scored in this innings when Gilbert came in for the second time.

Athletics—Toland, 2b; Spencer, cf; B. Cummings, 1b; Wall, ss; Shea, Murray, Kelly, 3b; C. Cummings, cf; Derry, lf; McGregor, p.

WOLFE ISLAND WON OUT

IN GAME WITH C.L.C. BY SCORE OF 2 TO 1

In Saturday's fixture in Kingston Amateur Baseball League—Red Socks Won From C.L.C. in Junior Series.
Manager Cosgrove's speed boys drifted over from Wolfe Island Saturday afternoon, and returned in the evening with a 2 to 1 victory over the C.L.C. in the ball game played in the Kingston Amateur League, in Queen's Lower Campus. A big crowd witnessed the match, which was of the big league variety all the way through, and the fans were pleased. The "Feds" as they have been nicknamed, are certainly delivering the goods, and an interesting fight for the honors is now on. On their appearance two weeks ago, the Islanders were defeated by Queen's, by a score of 9 to 5. Saturday they came back into their own, and by clever playing tucked away a victory in one of the finest games ever put on in Kingston. As the score will indicate, both teams were in the game every minute, and there was not a dull moment. Dr. Leonard Walsh handled the game well, not one of his decisions being questioned. Both teams showed up better than in their former games. Horn did the twirling for Wolfe Island, and Fraser for the C.L.C. and both pitched air tight ball. Both were touched for four longsome bingles. For the Islanders, Spoor, Olsen, Horn and Sheehy carried off the honors, while McColla, Wilson, Quigley and Schultz, the latter an old player on the Victorias, did the stick work for the C.L.C.

Both teams scored a run in the first innings, and it was not until the eighth innings that the Islanders got in the second run that won the game. McColla's three-bagger featured the curtain raiser for the C.L.C. He crossed the plate on a passed ball Spoor hit for two bags, and scored the first run for the Islanders on Olsen's sacrifice. Everything was quiet then until the eighth innings, when Wolfe Island scored the winning run. Horn won his own game in the eighth when he knocked out a two-bagger and later scored on Olsen's drive. C.L.C. tried hard to score in their last innings, but failed, going out in one, two, three order. Both Fraser and Horn struck out several men. Hit score follows:

What is the matter with Eddie Collins this year. The \$50,000 second baseman of the White Sox is batting at the rate of .232. This is Collins' poorest record since he became a member of Connie Mack's once famous \$100,000 infield.
"Watch the Tigers!" is the cry in the West. Hugh Jennings now has five pitchers in winning form—Coveleski, Dubuc, Daus, Hamilton and Cunningham. He is working them in rotation.
The Yankees are fifth in team hitting with .239 and sixth in fielding with .969. They are fifth in run making, second in base stealing and last in sacrifice hits. They are not represented in the ten leading run getters, but Pipp is ninth in the ten leading base sluggers and Magee is fifth among the base stealers.

Too bad that a baseball club didn't accompany that bunch of boxers to Buenos Ayres. There are plenty of diamond pastimes who could be spared.
Napoleon Lajoie is the champion catch-as-catch-can tobacco chawer of the big leagues. The Frenchman has nought but scorn for the youngsters who chew gum.
Jack Warhop, the veteran twirler, who was given his unconditional release by the Yankees last year, has failed to make good with Salt Lake City.
Eddie Mulligan, the Cub shortstop, is the sensation of the western baseball world, according to a Chicago critic.

Following is the score by innings:
R. H. E.
C. L. C. 1 0 0 0 0 0—1 4 3
Wolfe Island 1 0 0 0 0 0—2 4 3

In Junior Series
In the junior series of the Kingston Amateur Baseball League, Red Socks won from the C.L.C. Juniors by a score of 11 to 2. The batteries were, for Red Socks, Baiden and Geoley and for C.L.C., Turgeon and McCartney.
Mr. McDonald, of Queen's team, gave good satisfaction as umpire.

The Senior Standing
Following is the standing in the senior series of the Kingston Amateur Baseball League:
Won Lost
C.L.C. 2 1
Wolfe Island 1 1
Queen's 1 2

PITCHER GOES TO WAR TO WIN GIRL AND COIN.
George Winterbotham Has Joined 11th Battalion of American Legion.
George Winterbotham, former pitcher in the Pacific Coast league, is a private to-day in the Two Hundred and Eleventh Battalion of the American Legion. He joined in order to win the hand and heart of a lady fair—also \$50,000 of her papa's money.
Winterbotham is a cigar salesman. When he duly requested parental consent for the marriage he proposed, the prospective father-in-law declared he must first prove his merit by going through the war.
To a meritorious son-in-law he also promised the modest sum of \$50,000. So Winterbotham got measured for a uniform.

Kirkfield Tourney Postponed.
The last battle around Ypres, in which the Canadians were engaged, has struck very heavily throughout golfing circles, and it has been decided to postpone the Kirkfield Inn on June 23rd and 24th, at least tentatively, until September.
Many of the golfers who would have participated in the tournament have received news that friends or relatives have suffered in the recent fight, and there appears to be no disposition at the present time to go on with the tournament in the way it would have to be gone on with to ensure success.

The Tigers, who lead the American League in batting, had a record of 457 safe hits in fifty-two games up to last Friday, excelling all other major league teams in this department.

An Army— At Your Service

Command it when you will—this vast, competent, trained army that moves under the aegis of the name of Goodyear.
At all times they are at your service—Goodyear salesmen, dealers, scientists, workmen, investigators—and the men at Goodyear Service Stations.
Wherever you may be, Goodyear Service Stations are always accessible. They are the outposts of the Goodyear Service Army—always on duty.
Familiarize yourself with their Emblem, that signifies more mileage from your tires.

Tire Economy is Increased at Service Stations Marked by this Emblem

Goodyear Service Stations mean real tire economy. The better service that is given by Goodyear Tires, Goodyear Tubes, Goodyear Tire-Saver Accessories is increased in value by Goodyear Service Stations.

Cuts Tire Costs, Gives More Mileage Gives More Tire Satisfaction

When you go to the Goodyear Service Station Dealer you go to an expert, a trained specialist in tires. He will cut your tire costs; by seeing that your tires are inflated according to the weight of your car; that you use tires of proper size; that the wheels of your car are in alignment.
He will show you how tire putty keeps sand and water from tread cuts. He will tell you whether your tire is worth repairing—whether an inside protector will add mileage. He will warn you against any tire abuse you may innocently inflict.
He will show you how to off set your increased gasoline-cost-per-mile by decreasing your tire-cost-per-mile.
