A number of officers of the 146th Battalion are on their last leave before going to Valcartier on Monday.

Men who have been inoculated are confined to camp for twenty-four hours.

Thomas Andrews and John D. McGowan have enlisted in the 146th Battalion.

John Haines Hannaford, 14th Regiment, is appointed provisionally supernumary officer to the 93rd Battalion and posted to "D" Company.

Capt. McIlroy, Queen's Field Ambulance Corps is recruiting for that unit through Lanark and Renfrew districts. The prospects for this unit being brought up to strength in the near future are bright and an additional 100 men are expected to come in within the next few weeks.

Wesley Holborne returned to St. Thomas today. Mr. Holborne has given special entertainments in athletic work in the Y.M.C.A. tent with the physical director, Mr. Pearson.

The new seating in the "Y" tent gives an appearance of improvement, also comfort in enjoying the splendid programme from night to night.

Corpl. A. J. Taylor and Pte. F. C. Graham, 156th Battalion, are taking the armouriers course at the Ordnance Corps.

Lieut. W. G. Bailey, 156th Battalion, leaves on Sunday for Toronto.

More recruits are coming into the machine gun section of the 146th which is now busily at work using eight guns.

The School of Cookery had 125 men of the 93rd Battalion cook their dinners in the field by using their own mess tins. This method is rapidly gaining favor and the soldiers enjoy the outing very much.

Major Grant, 139th Battalion, left on Wednesday, motoring down to Valcartier.

Pay-day has come again at the camp.

Major P. E. Prideaux, S.O.O., addressed the officers of the 156th Battalion on Interior Economy on Wednesday evening.

It is reported that an officer at Barriefield will ask for authority to recruit a battalion of hotel keepers and bar-tenders after September 16th when the local option law becomes effective.

The band of the 136th Battalion played the 139th Battalion out of camp on Wednesday.

Lieut. J. Bews is carrying on the Beyond Fighting and Physical Training School with a large number in attendance. This work has proved very fascinating and the applications to be made instructors more than equals the demand.

Col. T. D. R. Hemming inspected the 136th Battalion on Wednesday morning and complimented the men on their splendid appearance.

Lieut. VanLuvén, 136th Battalion, is transferring to the 4th Pioneers Battalion at Ottawa.

Mrs. Edward W. Low and Miss Margery Low, mother and sister of Lieut.-Col. C. A. Low, visited the colonel at the camp on Wednesday.

Messrs. Walter McIlquham and James Williams, Carleton Place, have joined the Queen's Battery at Kingston.

Announcement is made of the appointment of Major (Rev.) T. J. Thompson, pastor of Glebe Presbyterian Church, Ottawa, to be chaplain of the 3rd Division, including Petawawa Camp.

Cecil Henry Nelson, a graduate of Queen's Science School, is in hospital in Boulogne with burns on the face and hands. He was with a corps of guides.

A route march of all the troops in camp will be held on Saturday afternoon next to Kingston Mills.

A farewell concert will be held in the 146th Battalion on Friday night. Five invalids from the front arrived home to-day from the front.

The 93rd and 109th Battalions have received orders from Ottawa to hold themselves in readiness to proceed overseas.

THE ONLY PIPE BAND IN CAMP IS 154TH.

It Will Play At the Winchester Celebration on Dominion Day.

The only pipe band at the camp is the 154th Battalion's but that one is of the very highest order and all the Scotchmen at the camp seem to be contented that at least one battalion has what they consider the only kind of musical organization. The pipe band of the 154th is a splendid one and the music is of the most inspiring kind. One feature is the use of two bass drums. The big drum from the 'bugle band' is used at the same time as the pipes. The pipers play for the men during the drill hours and at noon lead the parade to the battalion tents before being dismissed.

The fact that the pipes are so popular means that many calls on the generosity of Lieut.-Col. MacDonald are made. The municipality of Winchester has secured the services of the band for a Dominion Day celebration there on Saturday. The band will leave on Friday and will return on Monday.

TRINITY MEN HELD BANQUET

ENJOYABLE TIME WAS SPENT IN HOTEL FRONTENAC.

Menu, Decorations and Speeches Were All That Could Be Desired—256 Students of Trinity Are Now Overseas.

The graduates of Trinity College, Toronto, and their friends, to the number of about fifty, held delightful banquet in the Hotel Frontenac Wednesday evening. The menu was a most tempting one, the decorations were attractive and the speeches were bright. The colors of the College were much in evidence. The Very Rev. Dean Starr made an admirable toastmaster.

The first toast was "The King," which was responded by the Chancellor, Judge McDonald, and by the banqueters singing "God Save the King."

"The Diocese" was responded to by the Bishop of Kingston. "Our Alma Mater" brought forth a reply from Prof. Haire-Foster of Trinity College.

"Our Sister Colleges" was responded to by Archdeacon Dobbs, Kingston, and Rev. Dr. Biagravo, Belleville.

The concluding toast, which was enthusiastically drunk, was to the students of Trinity who are overseas. The College has done splendidly in the matter of enlistments, there being 256 students, or 51 per cent, overseas.

The happy gathering dispersed with the singing of "Auld Lang Syne."

CASEMENT IS FOUND GUILTY.

(Continued from page 1.)

Casement's Plea. Before being sentenced to death Casement stood up, and tremblingly protested that as he was an Irishman he was not subject to the jurisdiction of an English court.

Owing to his knighthood, Sir Roger may demand that he be hanged with a silken cord or be beheaded. One report says his Philadelphia lawyer, Doyle, declared that Casement said he would prefer beheading to hanging.

"In England alone, in the twentieth century," said Casement with impassioned gestures, "loyalty to one's country is held to be a crime. I am proud to be a rebel under such circumstances."

Casement's soldier confederate, who gave crown evidence, was discharged.

Casement's lawyers have announced their intention to appeal to higher courts. They may demand a hearing before the bar of the House of Commons and the House of Lords.

They Do Mix Sport.

Refuting the theory that golf and baseball won't mix, Tris Speaker, the American League best hitter and outfielder, plays golf every day on the Mayfield course when he's at home, and Bob Shawkey, one of the A. L.'s best pitchers, plays every time he gets the chance.

"Kid" McCoy a Soldier. "Kid McCoy," who a few years ago was the topnotcher in the light and middle weight classes, is now a "rookie." He is a member of the Seventy-first Regiment of the New York National Guard, and the men of that regiment are particularly proud of the fact that he is among them.

Arab tribesmen in Arabia who rebelled against the Turkish Government have occupied Medina after a siege.

THEATRICAL NEWS

Charlie Chaplin at Grand.

For to-night, Thursday and Saturday at the Grand Opera House Charlie Chaplin will head an exceptionally strong bill in his latest and greatest success, "The Fireman." In this deliciously funny comedy Charlie does his best work yet. In his capacity as fireman Charlie rescues the heroine—an amazingly amusing piece of work. And a whirlwind love affair, interwoven with the plot, is sure to evoke shrieks of mirth and roars of merriment. The settings are most elaborate—and the majority come to an untimely end before the finish of the picture. Besides this picture, Constance Collier in "The Code of Marcia Gray" will share the honors with Charlie. The Paramount Travel series, a Universal comedy and a two-reel Universal drama with excellent vaudeville will complete an exceptionally fine programme.

Mae Marsh at The Strand.

The headliner at this most popular theatre for the last half of the week is a five-part Triangle play, "Hoodoo Ann," in which that clever little actress, "Mae Marsh," whom thousands will remember as the little sister in "The Birth of a Nation" takes the leading role. In this special five-act drama, which was written especially for her, Miss Marsh is ably supported by Robert Harron and an all star cast. This is the first picture Miss Marsh has appeared in since being seen in "The Birth of a Nation." "By Stokely Dellivry," a two-act Keaton, feature Mack Swain, and other good reels will also be shown. Don't be afraid of the heat; it is cooler in our theatre than on the outside.

At Griffin's.

"My Lady's Slipper," which was shown at Griffin's Theatre last night, is surely one of the best photoplays ever presented to Kingston theatre-goers. The picture is one that is well worth seeing. It portrays the escapades of a dare devil, happy-go-lucky army officer who escapes from a British convict ship. This part is played by Earle Williams, supported by beautiful Anita Stewart, as the countess, whom he saves from highwaymen, and incidentally falls in love with her. This picture will be shown again to-night. A complete change of programme for Friday and Saturday night.

Lake Ontario Park.

There was another big attendance at Lake Ontario Park last evening. There will be an entire change of programme at the two entertainments this evening. Dan Glenn will present a new bill. Birch and Birch will play several popular selections on the harp in addition to their flute solos. Some 3,000 feet of new moving pictures will be presented. There were several private picnics out at the park yesterday afternoon and evening.

Change in Train Service.

Commencing July 3rd, Canadian Pacific trains Nos. 37 and 38 will arrive and depart from Toronto Union Station, instead of North Toronto. These are the new trains operating between Toronto and Ottawa.

Owing to the inclemency of the weather the Crusaders' meetings, under the auspices of the Y. M. and Y. W. C. A., will be held in the First Baptist Church, Johnson street, to-night at 8 o'clock.
