LIEUT. W. NICKLE WOUNDED

IN THE HIP, AND IS NOW IN ENGLAND.

His Father Arrived About the Same Time—Bullet Struck Wire Cutter Hanging on Young Officer's Belt.

A cable received on Saturday afternoon announced that Lieut. William Nickle, of the 21st Battalion, had been wounded in the right leg on the 29th of June. On Sunday afternoon H. C. Nickle received a cable from his nephew, Lieut. Douglas Nickle, who is in England with the 24th Foresters' Battalion, stating that "Willie" was being moved to England and that he would meet him on Monday. Both boys expected to get leave to meet their father, W. F. Nickle, M.P., who has now likely reached London with the Canadian parliamentary party who left here a week ago to visit the battle front. Notwithstanding the wounding of Lieut. Willie Nickle, there is to be a family reunion in the old land after all. Lieut. William Nickle enlisted over a year ago with the Princess Patricia's, going from here with the Queen's University contingent. After some months in the trenches he was sent to England to qualify for a commission. A few weeks later he was attached to the 21st Battalion, the crack unit which left Kingston in May, 1915, and which has done such heroic work at the front.

W. F. Nickle Cables. On Tuesday morning Mrs. W. F. Nickle received a cablegram from her husband, in which he stated that he had seen his son, and that he was suffering from a flesh wound in the hip, and that he would be laid up for a month, but that the wound was not serious. The bullet struck the wire cutter which was hanging on his belt, and this no doubt saved his life.

In Bivouac And Barracks (See also Page 9.)

Lieuts. J. A. Lindsay, D. M. Bissell, H. A. Coon, K. C. Rowe and C. R. McHenry, 156th Battalion, have been detailed to take a course at the school of cookery.

Lieut. G. L. Ord, Montreal, has been appointed a captain in the Canadian Siege Battery. This is evidently the officer who was with the 34th Battery, at Barrieffield, and Kingston. He was a captain while here, but a message received later stated that he had accepted an appointment at the lower rank.

Cadet Bernard de Salaberry, son of Lieut-Col. de Salaberry, Ottawa, who has been attending Royal Military College, Kingston, will be attached to the 230th Battalion. Upon the completion of his course at Kingston he will proceed to the front.

Recruiting for two weeks ending June 30th shows a decrease of about 1,500 compared with two weeks previous. The returns by districts received is as follows: London, 353; Toronto, 1,524; Kingston, 293; Montreal, 51; Quebec, 89; Winnipeg, 449; British Columbia, 451. Returns from Alberta and maritime provinces have not been received.

Lieut. R. W. Gascoyne Cecil, of the Royal Horse Artillery, who is wounded, was given a commission from the 15th Canadian Battalion in June last year.

In order to get into the firing line quickly, Major John McD. Mowat, of the 62nd Vancouver Battalion, reverted to a captaincy and got across the channel recently.

According to a letter received by Quartermaster Sergt. Moran, of the C. A. S. C., in Barrieffield camp, his brother, Capt. P. J. Moran, who was in the same battalion, reverted to a lieutenantcy and is now in the trenches.

The 146th Battalion arrived at Valcartier camp at eleven o'clock Tuesday morning.

(Special to the Whig.) Washington, July 4.—Ten thousand hearers standing in a broiling sun to-day saw a reference to the Mexican problem in the fourth of July speech by President Wilson at the dedication of the new home of the American Federation of Labor, when he declared that patience, candor and desire to get together constitute the solution of all difficulty. As the President concluded these words, Mabel Vernon, of Nevada, arose from a chair in the grand stand, and, waving a woman's suffrage banner, shouted "If you sincerely want a common understanding, you will get out of committee, the national suffrage amendment."

OBITUARY

Late Rebecca A. Weller.

There passed away at her late residence, 249 Johnson street, on July 2nd, Rebecca Amelia, second daughter of the late John and Mrs. Weller. She was of strong personality, loving and mild in disposition, always ready and willing to care for the sick and suffering, which won for her the esteem and love of all who knew her. Her suffering of the last few months was borne with the christian fortitude which characterized her whole life. She was a member of the American Church and a life member of the Women's Auxiliary. Left to mourn are W. J. Weller, Winnipeg; A. E. Weller, Kingston; Miss S. A. Weller, Kingston; Mrs. A. C. McPhail, Petrolia, and Mrs. George B. Nicholson, Chapeau.

Late Mrs. Morris Fox. There passed to rest on Sunday Esther Alice, the wife of Morris Fox, 2 Lansdowne street. The deceased had been ill for some time. She was thirty-eight years of age.

IN SPORTING CIRCLES.

H. W. Newman's Bowling Team Defeated A. Turcott's.

There may be some things that Ald. "Harry" Newman can't do, such as convincing the city fathers that the passing of the daylight saving scheme would be a progressive step, but he can surely bowl. On Monday afternoon he played Alfred Turcott's team and won by a nice margin of 18. The game ended 23 to 5.

Those who helped him out were J. W. Powers, W. H. Dyde and Prof. Day. His opponents were, H. F. Fricke, W. Moore, J. J. Baker, and A. Turcott.

A Sporting Correction. In to-day's issue of the Whig in the report of the baseball match between Gananoque and Queen's on page 12 it is stated that Forsythe's wild throw to second allowed Gananoque to get in the winning run. This should read Fayette instead of Forsythe.

Three Years for Forgery. (Special to the Whig.) London, July 4.—Ignatius Lincoln, ex-M.P., an alleged German spy, to-day was sentenced to three years' imprisonment on the forgery charge on which he was extradited from the United States. It is not known when he will be court-martialed as a spy.

THEATRICAL NEWS

At The Grand.

One of the best bills of Vaudeville and photoplays ever presented in city is being offered at the Grand Opera House. Marguerite Clark, the dainty magnetic star, is seen in a charming photoplay based on the popular and enchanting story, "Molly Make-Believe." In this picture she is well suited to play the role of Molly and is unquestionably one of the most sweetly sympathetic characters she has ever played on the screen. A two-reel Universal photoplay, "What the River Fore told," a comedy picture, "When Slim Was Home Cured," and the Paramount Topical Budget" was also shown. The vaudeville consisted of Bern Bros. in a comedy acrobatic act which proved to be one of the best seen here. In balancing they are experts and won loud applause. Miss Kathrine Carlton Hart in a high-class singing act was all that could be desired. This same programme will be repeated to-night.

At The Strand.

A big matinee and capacity business at night greeted the screening of D. W. Griffith's latest spectacle, "The Flying Torpedo" at the Strand yesterday. The Flying Torpedo is one of the most spectacular dramas yet produced and shows most vividly what can be accomplished by the use of the "Wireless Torpedo." It has many truly wonderful and gripping scenes and pleased all who saw it immensely. A three-part Keystone comedy, "The Village Blacksmith," "Cured," a one-reel Lubin comedy and the Selig Tribune of latest current events completed a bill that has both quality and variety and one that is well worth seeing. The same programme will be given to-night and at the Wednesday shows.

At Griffin's.

"A Man and His Soul," a five part photoplay in which Francis X. Bushman and Beverly Bayne, the crowned king and queen of the motion picture world, are starred, was shown last night at Griffin's to a large and well-pleased audience. The picture portrays the life of a young man while trying to fight the unsanitary conditions of wealthy manufacturing plants. Also included in this feature is one of the most realistic scenes ever shown on a screen anywhere.

Lake Ontario Park.

The dampness of the weather did not keep a fair attendance from Lake Ontario Park last evening. The programme was much appreciated. The vaudeville consisted of Louise Elliott, a male impersonator, who sang in fine baritone voice "They Don't Do It Now," "The Story My Wife Told Me," "I Love Him," and "Get Wise." Frank Clayton, musical comedian, gave some fine acts on the zylphone, musical plates, oyster cans, bells, and imitation on the bagpipes. The pictures were a feature photo play in three reels, a three-reel drama, a one-reel comedy, and the Palace News, showing scenes in Alsace, Greece, Serutara, Albania, Montreal, and American cities. The same programme will be presented this evening. Wednesday will be children's one-day on the cars, with matinee at 3.30 p.m.

ALL GERMAN ATTACKS AROUND VERDUN FAIL.

Enemy Did Not Succeed in Making the French Move An Inch.

(Special to the Whig.) Paris, July 4.—On the Verdun front a German attack on the west bank of the Meuse on the southern slopes of Dead Man's Hill was checked by French fire.

East of the Meuse a most violent struggle raged all night in the region north-west of Thiaumont. Six German attacks, one with liquid fire, failed. The Germans were annihilated by our screen and rifle fire, suffering the heaviest losses. They did not succeed in making the French move an inch from their previous positions.

Prepare For After the War.

London, July 4.—England is seriously facing after-war problems. One sign is the great keenness here for studying foreign languages. Every language school is overwhelmed. Thousands are studying Russian for future Russian trade, and German is being more keenly studied than ever before.
