Wolfe Island-5. "Nipper" Mathewson's Colts cleaned up on Manager Cosgrove's Speed Boys, in the Saturday afternoon fixture of the Kingston Amateur League, by a score of 14 to 5. Some score compared to their last battle in June, when Wolfe Island took the game from the C. L. C. by the narrow margin of 2 to 1. It was quite an off day for the Island youngsters, and the C.L.C. team romped of with the game in easy fashion. They fourteen good bingles and an equal number of runs, and besides played an errorless game. Horne started on the slab for Wolfe Island, but after pitching half the game was relieved by Kennedy. The C.L.C. team hit Horne up for a dozen hits, and during the five innings he was on the mound. Purtell then took a turn, and pitched air-tight ball, not one hit being secured off his delivery. While Wolfe Island made a good showing with the stick they could not get in the runs when they were needed. There was some fine hitting. For Wolfe Island, Horne hit hard to the left garden for what looked like a three bagger, but he stretched it out for a home run. Gilbert, for the C.L.C. carried off the batting honors of the day, making four hits. McCulla, O'Connor, Schultz and Wilson also had their eye on the ball, and had two hits to their credit. The game was a very interesting exhibition all through and the many different plays kept the interest alive throughtout. McGregor was in great form and played a star game during the whole period of the game. He had nine strike cuts to his credit compared with the seven of Coir and Boyd together. He let one man walk to the two of Coir. However, in the Albeit he did unearth some prize fourth innings he lost control of the game for a few minutes and the Vics managed to get two two-boggers off him. These were the only good hits in the game the rest being one base hits. B. Cummings showed up as the star hitter for the winners with three one baggers to his credit.

For the Vics Nicholson, although he loses wind a little faster in his base running than he used to, is right on the job in the field and caught four good looking flies that were sent in his direction. The Vics got their only run in the fourth innings. Baker grounded to first. Dick sent a nice two-base hit to the outfield. He was followed by Sommerville, who is beginning to be recognized as the pinch hitter of the league. Sommerville sent another two base hit out and Dick came home. Following this Saunders fanned, and Boyd popped to second

Athletics started the game off well with two runs when Spencer and B. Cummings both came in after out witting the Vics in good fashion. From this on to the eighth innings it looked as though the game would be a two to one affair but the Athletics came back strong in the eighth and after hitting Coir for several Spencer and B.
