REV. L. R. RICE HAS RESIGNED

IS GOING TO STANSTEAD SOUTH, QUEBEC

Popular Pastor of First Congregational Church Announces Resignation to Congregation—It Will Take Effect on Last Sunday in August.

After a successful ministry of seven years Rev. LeRoy Rice has resigned the pastorate of the First Congregational Church. He announced his resignation to his congregation Sunday morning, the announcement being received with much regret. Mr. Rice has accepted the pastorate of the Congregational Church at Stanstead South, Quebec. This church was established one hundred years ago, and exercises a great influence in the Eastern Townships. It supplies the Congregational and Presbyterian needs in Stanstead South, Rock Island, Quebec, and Derby Line, Vt., all thriving towns.

The call to Mr. Rice was unanimous, ninety-five per cent. of the people voting for him on the first ballot.

Rev. Mr. Rice gave two reasons to his congregation for resigning. One was that he had been pastor for seven years, which was sufficiently long, more especially as this was his first and only pastorate. The other reason was that his health was not robust, and he thought the country at

REV. L. R. RICE

mosphere would benefit him.

The retiring pastor is a gifted preacher and a splendid sermonizer. His thoughts are bright and strong, and his language eloquent and convincing. He is also a faithful pastor, ever ready to hold out a helping hand to all in sorrow or trouble. During his pastorate sixty members have been added to the church's roll, the church debt has been paid off, and about \$600 has been expended in repairing the exterior of the edifice.

Mr. Rice has shown himself an excellent citizen, always taking a deep interest in everything that made for the city's progress. He was secretary-treasurer of Queen's Alumni Association and chaplain of Queen's Bowling Club.

Mr. Rice will preach his farewell sermon on the evening of the last Sunday in August.

OBITUARY

The Late Rev. Hugh McQuarrie. Rev. Hugh McQuarrie, 21 1-2 Balsam avenue, Toronto, died on Saturday at the age of seventy-four years, following an operation at the Toronto General Hospital. He was connected with the Kew Beach Presbyterian Church for a number of years. The funeral services were held at H. Ellis' funeral parlors Sunday night, and were conducted by Rev. Donald McIntyre.

Death of Soldier's Child. At two o'clock on Monday morning Bessie, the infant daughter of Gunner and Mrs. Harry Westwood, passed away suddenly in the Hotel Dieu. The child was taken ill on Sunday afternoon and rapidly became worse. The death is a great shock to the child's mother whose husband is now overseas. The father went to the front at the beginning of the war with the first contingent as a gunner in the 5th Field Battery. He has been at the front since that time and has never seen his little daughter.

The Late Thomas P. Tobin. On Sunday evening the death occurred in the Hotel Dieu of Thomas Patrick Tobin. The deceased was well-known resident of Portsmouth where he had many friends. For some time he had been inspecting shells in a munitions factory in Brockville and on the 13th of July came home to pay a visit. While in the city he was taken seriously ill.

The deceased was a Roman Catholic in religion and was only thirty years of age. He is survived by his mother, Mrs. Thomas Tobin, Portsmouth, and three sisters, Mrs. William Harris and Mrs. Frank Somerville, Portsmouth, and Frankie, of Rochester, N. Y.

BILLION DOLLAR CROP.
Western Crop Will Be Equal to That of 1915.
After a thorough canvass of various points throughout Western Canada, Dr. McGill, of the Dominion Grain Commission, is quoted in Calgary as saying that Alberta would have a crop as good as last year, that the Dominion would have a billion dollar grain crop and that the grain crop of the three prairie provinces would be little if any behind that of last year.

"The country as a whole never looked better than it does at present," said Dr. McGill. "The weather was made for order, as might say, and I am of the opinion that this year's harvest will be another wonderful one."
Those who contemplate going west will do well to remember that the most fertile districts in Western Canada are served by the lines of the C. N. R. and that this season they can travel from their home districts to destination Canadian Northern all the way.

Arrangements have been made whereby passengers may travel in comfort. Colonist and lunch-counter cars being a feature. The first of these excursions will be run in August; the date will be announced later. For further information apply to nearest Canadian Northern Agent, or write to R. L. Fairbairn, General Passenger Agent, 68 King street E., Toronto.
