A CHAMPIONSHIP GAME

AND YET THE PLAY WAS NOT OF CHAMP. STAMP

There was Lots of Amusement for the Spectators and Quite a Column of Casualties—There Was a Plethora of Runs, Hits and Errors.

The championship baseball game on Saturday afternoon between the Ponies and the Athletics at the Cricket Field was certainly some exhibition for players in a city the size of Kingston to put on. If it were called a battle between two deadly enemies it would sound rather better as the jealousy shown was amusing.

Both teams were out for a win and the Ponies certainly got it for as well as we can reckon, and it certainly was a job on Saturday to keep tab on all the runs and hits and poor plays, the game ended 16 to 7.

There were a number of casualties in the game, Wall got hit on the leg, the catcher, owing to the fact that the latter hurt his wrist, accidentally caught the bat of C. Cummings on his last strike. Immediately Cummings raised his bat and was going to clean up on the catcher, and the umpire, Douglas Pound, but his ire was soon cooled and the game proceeded at a very fast rate. The Ponies in the last innings piled up the runs until it looked as though one might have to stay until dusk.

The weather man was on hand at the beginning of the game with bright sunshine but as the game proceeded he got angry and gave a few thunder claps. He found it no use however and the storm passed around.

The game itself was delightful to witness but horrible to write. The plays could not be given in less than

well too many columns to mention. Runs, hits and errors were cheap and the heat seemed to have affected some of the players. They seemed to be in a dazed condition and the words of their mouths certainly did not bespeak the meditations of their hearts. Gallagher was in good form, and, if he had worked like a Trojan throughout, the Athletics would not have received as many hits as they did. However, in one inning he showed the few fans that were present that he could pitch and struck out three men in succession without a foul tip. Saunders' batting average went sky high on Saturday, in five times at bat he got four hits.

Wall played fairly well although he shot the ball rather too high to first on several occasions. McGregor was in poor form.

Those who turned out on Saturday to show their skill in baseballic science were:

Ponies:—C. Stewart, 3b; J. Stewart, 1f; Daley, ss; Saunders, 2b; Walsh, 1b and c; Gallagher, p; Evans, c and cf; Cherry, cf and 1b; Olden, rf.

Athletics:—Toland, 2b; Spencer, 1f; Cotman, 3b; B. Cumming, 1b; Shea, c; Wall, ss; Derry, cf; McGregor, p; C. Cummings, cf; Umpire, Douglas Pound; referee, D. Dick. Ponies:—16 runs, 16 hits and four errors. Athletics:—7 runs, 12 hits and 9 errors.

BARROW IS UPHELD.

Ban Johnson Disputes Decision of National Commission.

President B. B. Johnson, of the American League, in his minority report on the National Commission's decision in the case of C. H. Ebbetts, of the Brooklyn Nationals, against the Newark International League Club, which was given out in Cincinnati, contends that the decision of the International League was just, and he sharply criticises the finding of President Tener, of the National League, and Chairman Herrmann, who wrote the majority report. The majority decision, which Johnson contends is at variance with the facts, denied the Brooklyn club's claim for \$75,293.81 against the Newark club, but allowed the Brooklyn Club the difference between the amount received for the franchise of the Newark club by the International League and the net expenses incurred in operating the club during 1915 at Harrisburg, Pa., and Newark, N.J.

TO PAY \$1,000 IN FINES.

Forfeiting of Game Will Cost Chicago Cubs That Sum.

Manager Tinker of the Chicago Cubs put his foot down Tuesday and refused to let Umpire Byron run the final game between the Cubs and Dodgers to suit himself. This act will cost the Chicago club \$1,000 in fines, for Byron, after the score was knotted, 4 to 4, forfeited the game to Brooklyn, 9 to 0.

This is supposed to be one of the "crimes" in baseball, and it fell to the lot of Byron to do it, because he knew he was right according to the rules of the game.

Byron accused Pitcher Vaughn of delaying the game. Tinker objected, and was ordered off the field, but refused to go. The game was then forfeited.

Could Hit Them Hard.

Sam Crawford, the Detroit outfielder, may be a candidate for sheriff on the Democratic ticket in Detroit. The Republicans have nominated an ex-ball player named Stein, who played with Brooklyn, and if Crawford consents it will be a ball-players' race. If it is a case of using the club Crawford should win by a large margin.

CHICK EVANS LAUDED BY ENGLISH EDITOR.

The Open Golf Champion Is Praised by Lord Northcliffe.

Charles (Chick) Evans, who recently won the national open golf championship at Minneapolis, exhibited a note from Lord Northcliffe, editor of the London Times, congratulating him on his victory. The English editor wrote in part: "You bearing and conduct at Sandwich two years ago were recalled by all. Your extreme good temper in face of the extraordinary luck against you made a marked impression."

Evans was a contender for the English championship at Sandwich two years.

SOCCEDED MEN REINSTATED.

Had Been Outlawed for Participating in Unauthorized Games.

The D. F. A. president, at the request of the Toronto and District Football Association, has reinstated the last two men of the original twelve that were outlawed for participating in the unauthorized St. Louis games, in 1913. The men, H. Cater and J. McGregor, offered themselves for re-entrance service only to be rejected, but after six months' duty with a home unit. Of the original twelve, two have been killed in action and six are still at the guns. The others have learned their lesson, not having kicked a ball for two years. All may have been technical "outlaws," but offering their services for the country's cause is more than sufficient for the D. F. A. to temper justice with mercy.

Cater will likely figure on the Overseas line-up in the near future, while McGregor will play for his old club, Baracas.

"MATTY" MAY PITCH.

Former Pitcher of New York Giants Troubled With Lame Side.

Christy Mathewson, new manager of the Reds, may or may not pitch for his team. It all depends upon how he feels and what his other pitchers do.

That's the way Matty sized it up on his arrival in Cincinnati. "I haven't fully determined whether or not I will pitch for the Reds," he said. "I first must see what the other pitchers are capable of doing. If I think my work would add strength to the pitching staff, I will pitch occasionally. Otherwise, I will be a bench manager."

Matty is troubled with a lame side, and it is likely that if he does pitch he will not do so soon. However, the Reds at present, excluding Matty, have only six pitchers, and five straight double headers to start the eastern trip, which starts Tuesday.

ONE GAME JOCKEY.

Racing is a game of courage, and there hasn't been a better example of grit around these parts in many a day than that shown by wee Jockey Koppelman Wednesday at Montreal. Koppelman had the leg-up on Marie O'Brien in that unlucky seventh race, when Johnny Howard cut across the track with Birdman and put three runners out of it. Marie O'Brien was hurled through the inside fence, and little Koppelman was tossed into the dirt, and knocked out. Many a boy would have been out for the day, but not this tough little Hebrew, who went right out and won the next race with Bobolink, beating Concha and Patty Regan.

A COMING EVENT

Fast Boats to Compete for Challenge Trophy

At Alexandria Bay much enthusiasm is being manifested in the Thompson Island Yacht Club championship challenge cup motor boat races, which will take place August 15th, 16th and 17th. The entries so far are The Hawkeye, from Lake George, owned by Commodore A. L. Judson; the P.D.Q. VI, owned by Mrs. Henry Devereux Whiton of Hamilton, L.L., and A. Graham Miles.

Both of these boats are capable of upward of fifty-two miles an hour. John N. Willys will probably enter Miss Detroit, a 600-horse power twenty-six foot racer. Mr. Simpson, the owner of Peter Pan, will enter his boat.

CYCLE CHAMPIONSHIP.

It Has Been Won by Kramer For Sixteen Years in Succession.

Frank L. Kramer, of East Orange, N.J., clinched the cycling championship of America for the sixteenth year in succession by winning the two-mile titular race at the Velodrome in New York.

Kramer is surely a marvel. He has held championships for nearly eighteen years. Previous to winning his first professional championship, Kramer won the amateur title twice.

There is but one more titular race to be decided in Newark this season, and it will not have any bearing on the final result of the championship.

PENNSYLVANIA MAY WITHDRAW

Poughkeepsie Races Would be Things of the Past

Should Columbia withdraw from the intercollegiate regatta at Poughkeepsie and confine its rowing activity to two-mile racing crews and interclass competitions, a step which seems inevitable, Pennsylvania, it can be said on the best of authority, will follow suit and the Poughkeepsie regatta may become a thing of the past.

ISLANDERS WON GAME

DEFEATED QUEEN'S SATURDAY BY SCORE OF 7 TO 5

C.L.C. and Wolfe Island are Now Tied for Honors in Kingston Amateur League—C.L.C. Defeated St. Mary's in the Junior Game.

Manager Cosgrove's Speed Boys from Wolfe Island came back Saturday afternoon and in the clash with Queen's, in the Kingston Amateur League, won a nice game from the college boys, by a score of 7 to 5. The Island youngsters redeemed themselves after the walloping they got a week ago by "Nipper" Mathewson's C.L.C. Colts. Queen's had quite a shake-up on their line. They had a new batter, a recruit on first base, and a new fielder. McKay, a youngster who has played in the City League, was in the box, while "Sammy" Hall, a junior, was at the receiving end. The two worked very well together, for a first appearance.

Mundill was out of the game, not being in fit condition for the fray, and did well, eating up everything that came his way, and besides got a nice hit. McKay was touched for five hits, while three hits were made off Horn's delivery. The latter had seven strikeouts to his credit, and McKay fanned five. It was a pretty neat affair, but there was nothing doing in the run column, the next five innings, although they managed to get several good starts on the circuit.

Horn struck out the first two men who faced him, Eccles and Johnson, Purvis earned his way to first and got as far as third and died there as Creighton had a hole in his bat. Hits by Steblin and Horn and a few breaks in the game gave Wolfe Island their five runs. Sheldon and Olsen got a pass, and Cosgrove got a base when hit by a ball.

In the second half flew to Steblin, Forsythe fanned, and Livingston flew to Johnson, and Gault was retired at first.

There was nothing doing in the third innings, but Queen's started something in the fourth. Johnson got a hit, Purvis hit out a hot one to Steblin which the latter juggled, repeating the act on a drive by Hall. Johnson got home over all this. McKay gave Steblin another hard one, and Creighton scored on this. Sweeney put a nice one over second base, and Hall and McKay scored. Purvis also managed to get home. Olsen's three-bagger in this session was responsible for another tally for the Islanders. Spoor stole home from third in the sixth and this was the last scoring in the game.

Frederick Lumb handled the game in fine style.
