CRUCIAL BASEBALL WEEK

IN THE NATIONAL AND AMERICAN LEAGUES.

The New York Giants and Yankees Strengthened - The National Scramble is Getting Tighter. Last week saw no change in the relative positions in the two leagues, Brooklyn and New York—the two best teams "on paper"—are making good on the field.

Still coming up, with a steady rush, which spells a warning for any leader who fails to watch its step, the Boston Red Sox, who were Toronto's guests Monday, threw back the Indians, and are now second, only a few points from the peak.

Two teams will go into the fray this week materially strengthened and with better pennant chances. The Giants, with Herzog putting pep into the team and plugging an infield gap, are getting set to overcome the Polo Ground jinx.

The Yankees, too, will be strengthened when Fritz Maisel, with his throwing arm in shape again, reports at Chicago ready for action. Hughie High and Ray Caldwell, two other cripples, are ready for the fray.

Whether the Red Sox will figure in another world's series or not will depend largely on the result of the present Western tour.

There is one Southern League scribe who has a peculiar and difficult job. His paper gets out morning and afternoon editions. In the morning issue this scribe hammers the ball team because it is in the cellar, while in the afternoon issue he is compelled to write a line of dope making excuses for it and predicting that it soon will hit a winning streak.

Hamilton Jockey Club Takes Action in Regard to Present Rule. The Hamilton Jockey Club, feeling that the present selling rule is being abused, has decided to eliminate the selling clause at their coming meeting.

A BOWLING PECULIARITY. In Which a Kingston Team Recently Participated. The Ottawa Free Press says: As an instance of the peculiarities and uncertainties of bowling, Jimmy Smith's Ottawa team one morning played Walter Stewart of the Eastern Hospital in the Dominion match, and won by a large majority; in the next game, in the same match, Smith's rink was beaten just as handily by a Kingston rink, which was itself later beaten.

STILL UNDEFEATED. Canadian Baseball Team in England Sustains Record. The Astorias, a team composed of Canadians from the staff of the Connaught Hospital at Taplow, sustained their undefeated record in the military baseball league, by easily defeating the London Americans in a game played in London on Saturday by a one-sided score.

McGill To Have Sport. Although no intercollegiate athletic contests or football series will be played, sport will not die at McGill. According to the Annual Calendar, issued by the university yesterday, the regular college track and field sports will take place on Oct. 20th, while previous to that date, the Freshmen-Sophomore sports will be held.

Have Come to Front. The rush of both Canadian teams to the front in the International league, has been one of the season's sensations. Both the Leafs and the Royals started winning at the same time, and for the last three weeks they have been winning steadily.

Minnesota Bars Welsh. Freddie Welsh has been barred by the boxing commission of Minnesota from ever appearing in that state again on account of his refusal to go in the ring Friday night in his bout with Charlie White, because "Billy" Hoke was appointed referee.

BASEBALL BRIEFS.

In the Northern League the Winnipeg team leads, but the team that is third is Superior.

Detroit fans are so elated over the brilliant work of Ty Cobb that they are calling him a second Sisler.

Infielder King, of the Athletics, is a son of "Sisler" King, once famous pitcher for the St. Louis Browns under C. W. Comiskey.

Abraham Lincoln once advised against the practice of swapping horses in mid-stream, but Abraham Lincoln never owned stock in the Cincinnati Ball Club.

Just why the umpires allow Ty Cobb greater privileges on the ball field than they do others is not plain. It would seem that, though granting that Cobb is the greatest player that the game has ever produced, he should be made to live up to the rules, for the games in the American League are already too long drawn out as it is.—Washington Star.

"Bunny" Hearns, who is paying the penalty of jumping the Toronto club for the Federal League by being sentenced to the New London club of the Eastern Association, leads the pitchers of that ten-club organization with fifteen wins and two losses. He is closely followed by Larry Fortune, a big southern lad on the same team. New London is one hundred points in front of the second team.

There is one Southern League scribe who has a peculiar and difficult job. His paper gets out morning and afternoon editions. In the morning issue this scribe hammers the ball team because it is in the cellar, while in the afternoon issue he is compelled to write a line of dope making excuses for it and predicting that it soon will hit a winning streak.

If you had wagered \$10 upon the New York Giants on the day that they started their winning streak of seventeen games; had wagered \$20 in your pocket on the second game, and had wagered the \$40 on the third game, and so on—if you had parlayed, in the lingo of the track—you would have had \$651,360 in your pocket when they won their seventh game. But, oh! what a headache if you had wagered on the eighteenth, the morning game on Memorial Day, when the Phillies kicked them.

TRIS SPEAKER STILL HEADS THE LIST. Ty Cobb is Right on the Heels of Joe Jackson.

T. R. Speaker's big part in keeping Cleveland in the American league pennant race is shown by averages, including games played last Wednesday. Speaker increased his batting average during the week to .389 and leads the hitters of his league in total bases with 163 and in runs scored with 67. Detroit leads in club batting with .255. The leading batters who have played in at least half the games of the clubs are:

Table of batting averages for various players: Speaker, Cleveland .389; Jackson, Chicago .387; Cobb, Detroit .357; Burns, Detroit .306; Hoblitzel, Boston .294; Shotten, St. Louis .294; Nunamaker, New York .293; Strun, Philadelphia .288; Thomas, Boston .282; Heinie Zimmerman has batted his way to a tie for second place among the National League batters, he and Daubert hitting at .326, while Robertson is well in the lead with .349.

Robertson, New York .349; Daubert, Brooklyn .326; Zimmerman, Chicago .326; Wagner, Pittsburgh .325; Chase, Cincinnati .325; Long, St. Louis .313; Hornsby, St. Louis .313; Wheat, Brooklyn .308; Schultz, Chicago .308; Hinchman, Pittsburg .307.

Welsh and White to Meet. Freddie Welsh, lightweight champion, and Charley White, of Chicago, have signed articles for a bout of 20 rounds to a decision to take place in Colorado Springs, Col., Labor Day, September 4th.

Detroit Entries Plenty. For the first time in the history of harness racing in Detroit entries in an event were so numerous that it was necessary to split the field and make two races of it.

Jennings "Suspended." Manager Jennings of the Detroit Tigers received an indefinite suspension for his run-in with Umpire Nallin during the Detroit-Chicago game Sunday. The Detroit boss was offensive, Nallin reported to the league officials, in his protest against a called strike on Young.

Horse Racing For Alfonso. King Alfonso has gone into the horse-racing business. He closed a deal this week for the purchase of the immense stable belonging to the Lieux family for the purpose of taking the lead in turf affairs in Spain.

King Alfonso has gone into the horse-racing business. He closed a deal this week for the purchase of the immense stable belonging to the Lieux family for the purpose of taking the lead in turf affairs in Spain.

The stable acquired by the Spanish ruler includes many of the best-known horses in Europe.

Byron. A new full starched light weight model—with tape links—much smarter than a soft collar.

TOOKE COLLARS. Admitted the best quality and best fitting in Canada.

TOOKE BROS. LIMITED MONTREAL.

MATTY

(Christy Mathewson, baseball's greatest pitcher, has given up pitching at last, and has assumed the managerial duties of the Cincinnati baseball team.—News Item.)

You're leaving, Christy Mathewson, You're going with the Reds. At last, they say, you've reached the day That every pitcher dreads. Old Wizard Time has waved his wand, Reluctantly, we know, And you, the grandest of the grand, Have heard his call to go.

Far back along the trail of years, We see a college lad Responding to a storm of cheers In that calm way you had. We seek old batsmen looking dazed, We seek old batsmen swing in vain; We see old "rooters" stand amazed, We see "rooters" gone insane.

We see you back in nineteen-five, When with your matchless skill You checked the great Athletics' drive. And turned them back at will. We see you marching through the years, Your duty nobly done, When all the Giants' hopes and fears Were labeled "Mathewson."

How many million boys have seen Rewards for work well done, Because they struggled to be clean And strong, like Mathewson! The pages of the world have shown Full many a brilliant name, But "Mathewson" will stand alone In Boyhood's Hall of Fame. —By William F. Kirk.

PIRATES AFTER BASHANG. Who Played With the Ottawa Team Last Summer.

Another member of last season's Ottawa Canadian League champions is due for the big show according to the latest report. The player in question is Al Bashang, who played left field for Shag's team last season. Bashang has been playing for South Bend, of the Central League, this season, and going like a house on fire. He has been hitting hard and often, and is the same Al on the bases. Pittsburg is said to be after the clever outfielder. Bashang, when he came to Ottawa last season, did not look a world beater. True he had a good lot of speed and looked green in the field, while his hitting was very light. Shag, however, made a real ball player of him just as he did other players.

The Bowling Contests. Two bowling games were played at Queen's Bowling Green on Tuesday night. W. G. Crozier won from William Jackson in a very close game by one point, and W. H. Montgomery from A. A. Turcott by two points. The teams:

W. Linton, George Vanhorne, L. Sleeth, W. C. Crozier, skip. E. Green, F. Kinnear, Dr. H. T. J. Coleman, William Jackson, skip.

J. Murray, W. Burns, L. A. Zuleff, W. H. Montgomery, skip. J. Mortimer, William Moore, J. J. Baker, Alfred Turcott, skip.

Several rinks from Belleville were the guests of the local club on Wednesday afternoon, and interesting games were played. This evening teams from the local club will play the visitors.

I'M DONE FOR GOOD, SAYS CHAMPION GOTCH.

Frank Gotch has scored his last fall. The world's champion is through with the mat game. "I am done for good," declared Gotch yesterday as he lay on a cot in a hospital in Kenosha, Wis., recovering from a broken leg sustained in an exhibition contest last week.

Foiled By Ex-Feds. Roger Bresnahan is fair enough to admit that he has been fooled by his ex-Feds. He says they are not fast enough for the American Association, and that he is going to rebuild his team.

Maybe he is, but where is he going to get ball players now? Toledo fans are howling about the work being done by the ancient Ferrings, Shaw, Rawlings and Evans. Mats, who was rated a star in the Fed. League, is getting his bumps, and the Toledo prospects are all to the glum.

Detroit Entries Plenty. For the first time in the history of harness racing in Detroit entries in an event were so numerous that it was necessary to split the field and make two races of it. This was the case with the 2.17 pace, the Detroit Athletic Club purse, first race on the card at the opening of the grand circuit meeting at the State Fair Grounds here Monday. The rest of the programme was composed of the 2.10 trot and the 2.18 trot.

Jennings "Suspended." Manager Jennings of the Detroit Tigers received an indefinite suspension for his run-in with Umpire Nallin during the Detroit-Chicago game Sunday. The Detroit boss was offensive, Nallin reported to the league officials, in his protest against a called strike on Young.

Horse Racing For Alfonso. King Alfonso has gone into the horse-racing business. He closed a deal this week for the purchase of the immense stable belonging to the Lieux family for the purpose of taking the lead in turf affairs in Spain. The stable acquired by the Spanish ruler includes many of the best-known horses in Europe.
