### PROFITS FOR BOTH OF US

The ideal business is the one that benefits both the buyer and the seller. We are in business to make money, just as you are. We realize that the best way to do this is to give you the kind of Printing that brings results to you. We want our Printing to be judged by what it does for our customers. In short, our idea is to give all we can for what we get, rather than to get all we can for what we give.

Peterboro, Aug. 4.—R. B. Rogers has received a cablegram from a friend in London who had a card from his son, Lieut. Harry G. Rogers, a prisoner in Germany, dated June 10th, conveying the information that he had been shot through both lungs, but was progressing favorably. He added that he was being well cared for in a private ward.

**CANADA GRAIN DROP BILLION DOLLARS.**  
Such is Dr. A. Magill's Estimate After a Careful Investigation.

Montreal, Aug. 4.—According to Dr. A. Magill, chairman of the Dominion Grain Commission, Canada will have this year "a billion dollar grain crop." This is not said idly. It is a generous estimate, but it is made after careful investigation. The C.P.R. does not venture to put the crop down in dollars, but, in a fresh publication, it states out how well the crop at all points is doing what favorable comments are made respecting it by those on the spot; how enthusiastic the farmers are themselves in referring to it, while, at the same time, the company points out, in detail, the amount of acreage which has been laid under contribution this year, namely:

	Acres
Wheat	11,517,000
Oats	10,644,000
Barley	1,397,300
Rye	159,685
Peas	191,820
Mixed grain	410,770
Hay and clover	7,974,000
Alfalfa	89,900
Buckwheat	355,500
Flax	723,000
Corn for husking	183,700
