A CHINAMAN ASSAULTED

TWO MEN WILL LIKELY FACE CHARGE OF ASSAULT.

Police Were Called for a Lively Row on King Street Late on Thursday Afternoon—Chinaman Claimed Men Tried to Steal Table Napkins.

There was all kinds of excitement near the corner of King and Johnson streets about 5.30 o'clock on Thursday afternoon, when two men, so it is claimed, made an attack on a Chinaman who works in the Allies' Restaurant on King street.

The affair developed into quite a lively melee, in which the Chinaman was badly beaten up. The two white men, after making the attack on the Chinaman, took shelter in a rooming house close by where they stay, and were off the street when Constables Mullinger and McCarey arrived on the scene.

The Chinaman stated that he would take out a summons against the two men on a charge of assault. The case will probably be heard in police court in a day or so.

From what could be learned of the affair, it appears that on Wednesday night the Chinaman served the men with meals in their rooms, and called on Thursday afternoon in order to get the dishes and the table napkins he loaned them. He got the dishes and had these in his hand when he was assaulted, but it is charged that the men kept the table napkins in their possession, and this was the cause of the row.

The Chinaman's face was covered with blood, but he gamely tried to hold his own with the two men, who, it is alleged, had been drinking.

Saturday's Illustrated Whig.

To-morrow's Illustrated Edition will show many very interesting local pictures. The ones depicting the School of Cookery at Barriefield camp are especially fine, and are the first of the kind published in Canada.

Among the Kingston pictures are the following: No. 7 Draft from "C" Battery and 13th Brigade.

Sergt.-Major Kerrison, W.O. Sergt.-Major Rolte.

Sergt. Inst. Brown. Dr. Sam. Rawley, Parham.

Pte. Alfred Brown, city. Three soldier sons of Mr. and Mrs. P. J. Madden, 50 Earl street.

Sapper H. Nokes. Tpr. Gordon Burke. Dr. T. W. Mackenzie.

Lieut. Otto Vanluven, of Queen's. Sergt.-Maj. Thos. Hewitt, W.O.

Lads of the 32nd Battery at Millford camp.

Part of 13th Artillery Brigade. Lieut.-Col. W. J. Brown and his machine gunners.

The general pictures from the front are unusually good this week, and themselves occupy over two full pages.

Richardson Home in Indian Lake is Splendidly Equipped.

The Richardson Home for Convalescents in Indian Lake is proving a veritable paradise for the men who have done their "bit" and are home for care and medical treatment.

No expense or trouble has been spared to make the island home healthful and happy. A complete staff, consisting of doctor, nurses and attendants look after the men. A Chinese chef and his aids, care for the "inner man," and Miss Richardson's cheerful personality keeps all running smoothly and aids much in the cure.

The home was established in memory of a hero brother, Captain George Richardson, who not alone Kingston but all Canada mourns.

On Sunday last the Dean of Ontario held services morning and evening which were attended by the campers on the lake as well as the soldiers. On the Sunday previous Dr. Morgan of Queen's officiated. Monday sports and the following jolly programme was run off: Fishing prize, won by Mr. McDonald.

Diving, Messrs Smith and Mr. Furlane. Swimming, Mr. Dean.

Cork race, Messrs. Tyo and Claxton. Thread and needle, Messrs. Lynch and Dean.

Canoe race, Smith-Allan and Claxton. Rowing race, Mr. Monrow, Mr. McFarlane.

Obstacle race, Mr. Lynch, Mr. Claxton. 100 yard dash, Mr. Smith.

Filling canoe, Mr. McDonald. Consolation, Mr. Allan.

Dean Starr presented the prizes.

OVER 2,000 SOLDIERS PARADED TO THE CITY.

Of This Number, 1,800 Attended the Service in St. George's.

Over 2,000 soldiers paraded from Barriefield camp Friday morning to give those who desired an opportunity of attending the service held in St. George's Cathedral for the purpose of commemorating the second anniversary of the war. Of this number about 1,800 crowded into the cathedral, filling the edifice to the doors. The remaining soldiers went on to the City Park, where, under the shade of the trees, they drilled and rested until the service in the cathedral was over. There was considerable marching in the park, but it was to and from the drinking fountains. One squad was marched across the Cricket Field to the fountain in front of the Court House.

The soldiers who attended the service in the cathedral joined heartily and reverently in the sacred exercises. The singing especially was most inspiring, 1,800 voices singing some of the grand old hymns with great fervor. The hymn "For all the saints who from their labor rest" was sung in memoriam of the soldiers who have fallen in battle. R. F. Harvey presided at the organ and played "O Canada" and "God Save the King."

At the conclusion of the service the soldiers lined up, marched out Kingston to the City Park, picked up their comrades there, then passed through the park, across the Cricket Field to Barrie, up Barrie to Princess and down Princess and back to the camp.

DANGEROUS FIRES ARE BEING FOUGHT.

Many Burials Have Already Occurred in Northern Ontario Cemeteries.

(Special to the Whig.) Englehart, Aug. 4.—The bodies of 191 fire victims have been buried to date. The remains were brought from all parts of the fire-zone and buried at Hallsbury, New Liskard and Cobalt and a few at Matheson cemetery. North of Ramore the fires are no longer dangerous, but south of Matheson the situation is more serious. On Wednesday fires, fanned by a breeze, appeared dangerous, but the work of the fire-rangers confined it to the scrub. Boston Creek, Shillington and Temagami also are still threatened.

At a conference Thursday night between the artillery officers of the city and camp and Major G. I. Campbell, chief recruiting officer, it was decided to have an officer appointed to recruit in Kingston for all branches of the service. It is likely that an office will be opened up on Princess street.

Lt.-Col. H. R. Wilson, of the Headquarters staff, is in Ottawa in connection with a revision of the recruiting plans for this military division.

Capt. H. C. Wotherspoon's position at the Royal Military College is acting staff adjutant. Appointments to the college now are made only till the war is over.

HIT BY FALLING BRICK, LOST HIS RIGHT EYE.

Joseph Sauve Sustained Serious Injuries in Accident Thursday Afternoon.

The condition of Joseph Sauve, who was hit by a falling brick on Thursday afternoon at the corner of Barrie and William streets, is reported to be somewhat improved. The injuries sustained, however, are very severe and are extremely painful. They are all on the right side of the face. There is a bad cut above the right eye, which extends vertically down to a point nearly an inch below the eyelid. Both eyelids were cut, and the right eyeball was split across, necessitating the removal of the eye. The cut also extends to the nostril, which was badly gouged down to the tip of the nose. His face is also bruised considerably, and there are a number of small cuts.

As soon as the man was brought to the Hotel Dieu he was placed upon the operating table and his injuries were attended to by Dr. I. G. Bogart and Dr. C. E. O'Connor, who concluded that the removal of his eye was necessary as the eyeball was so badly split that there was no chance of saving the sight.

THEATRICAL NEWS

At the Grand.

A large and appreciative audience was present at the Grand Opera House last night, and the opinion of the crowd in general was that they spent a delightful evening. In the Famous Players was seen Sosue Hayakawa, the Japanese actor, in "Allen Souls," a photoplay of a series of stirring dramatic scenes. The other pictures shown were fine. Two good vaudeville acts were also seen. Sam Golden, the originator of character singing and talking in New York, did well, and Harry Reddell, the Original Ginger Boy, sang with delight.

At the Strand.

Large and appreciative audiences greeted Madame Olga Petrova at the Strand yesterday. "The Scarlet Woman," in which she is appearing, is easily the best of any production she has been seen in. A two-reel Lubin drama, "A Change of Heart," and other reels complete the bill for to-night and to-morrow.

Lake Ontario Park.

The new and attractive programme announced for last evening drew another very large attendance at Lake Ontario Park. In the vaudeville Miss Earle won favor by her rendition of "Cherrie," "Good Bye, Good Luck, God Bless You," and "They Did Not Believe Me." Miss Norma Teigmann played some fine violin selections, "Spanish Dance" and "Polish Dance." The pictures were "The Dragon's Claw," "When Two Play a Game," and Pathe News of war scenes in France. The same bill will be repeated to-night.

Given A Drive.

On Friday afternoon the soldiers at the Mowat Memorial Hospital were given a delightful motor drive through the courtesy of citizens, and the outing was much appreciated. Those who kindly loaned their cars for the occasion were C. C. Folger, Ald. W. J. Fair, Sandford Calvin, Capt. John Donnelly, and John McKay.
