GANANOQUE'S EASY WIN

DEFEATED PICKED CITY LEAGUE TEAM BY 14 TO 2

The Locals Had Not Played Together Before—The Game Was Interesting Although Decisive For The Visitors.

The baseball game on Saturday at the Cricket Field was well worth viewing even though the local picked team of the City League did get beaten by the somewhat overwhelming score of 14 to 2 by Gananoque semi-professionals. Most of the locals played hard but Gallagher at times was given very little support. The visitors were right on the job all the time.

It is to be hoped that President Trotter will arrange for another game in the near future and work out the men he is going to play for some time before, so that there will be coherence in the play. On Saturday the local team had not played together before and consequently they were at a loss to know what their other players were going to do.

First Innings
Gananoque—Robinson walked. Leous out. Saunders to Walsh. Lynch took first when Cotman dropped the ball at the third strike and Robinson came home on Cotman's error. O'Brien out. Saunders to Walsh. Purhill made first when McCulla fumbled the ball, and Lynch passed over the home plate. Dahl singled. Murphy singled to left and Purhill scored. Burke went to first on an error of C. Stewart. Murphy scored on a passed ball. Underchalk walked and Robinson was hit by a pitched ball. Leous canned the innings by fanning with three men on bases. 5 runs, 3 hits, 1 error.

Second Innings
Gananoque—Lynch and O'Brien fanned. Purhill took two strikes. Dahl hit by pitched ball. While Burke was at bat Purhill and Dahl passed over the plate and the batter fanned. 2 runs, 1 hit, 0 errors.

Third Innings
Gananoque—Underchalk grounded to Walsh. Robinson singled to centre. Leous fanned. Lynch got a nice three bagger, scoring Robinson. O'Brien fouled to third. 1 run, 2 hits, 0 errors.

Fourth Innings
Gananoque—Burke fanned. Underchalk shot to Gallagher who cut off Burke at second. Robinson out. McCulla to Walsh. Leous singled and Underchalk scored. Lynch fanned. 1 run, 1 hit, 0 errors.

Fifth Innings
Gananoque—Gallagher popped a high one to Robinson. Toiland and McCulla fanned. 0 runs, 0 hits, 0 errors.

Sixth Innings
Gananoque—O'Brien fanned to Walsh. Purhill out. McCulla to Walsh. Dahl got a single when C. Stewart fell while throwing. Dahl scored safe at first when Stewart cut off Dahl at second. 0 runs, 1 hit, 0 errors.

Seventh Innings
Gananoque—Burke fanned. Underchalk got first when Gallagher threw wild. Robinson took first when Saunders muffed a high one in Walsh's territory, and Underchalk passed over the platter. Leous fanned to McCulla. 1 run, 0 hits, 2 errors.

Eighth Innings
Gananoque—Lynch hit by pitcher. O'Brien singled. Purhill fanned. Dahl shot to Toiland, who made the move to get Lynch at home, then changed his mind and threw to Walsh who was off the base. Murphy singled toward Toiland who threw wild to Cotman, allowing O'Brien and Dahl to Walsh. Burke out. Gallagher to Walsh. While Underchalk was at bat, Finnegan, the coacher, sent Murphy to the plate in the hope that Underchalk could sacrifice, but he canned the run as a result. 3 runs, 2 hits, 1 error.

Ninth Innings
Gananoque—Underchalk singled. Robinson fanned. Leous safe at first when Saunders took a fielder's choice and tossed to McCulla getting Underchalk. Lynch sent a long one to the left field and scored Leous. Just as he completed the rounds, however,

he was touched at home for a fast decision. 1 run, 1 hit, 0 errors.

The Teams
Gananoque—Robinson, 2b; Leous, 3b; Lynch, c; O'Brien, 1f; Purhill, cf; Dahl, 1b; Murphy, ss; Burke, rf; Underchalk, p.
City League—Toiland, rf; McCulla, ss; Cotman, c; Saunders, 2b; C. Stewart, 3b; J. Stewart, cf; Walsh, 1b; Spencer, 1f; Gallagher, p.
Umpires—George Sullivan and Douglas Pound.

C. L. C. had an easy time defeating St. Mary's in the junior game in the Kingston Amateur League on Saturday afternoon. C. L. C. had it on St. Mary's to the tune of 5 to 0. As a result C. L. C. again take the lead in this series, with the fast running Red Socks just one game behind. Hughes and McCartney formed the battery for the C. L. C., with McQuade, McEwen and Cummings for St. Mary's. Messers. Coyne and Eccles officiated as umpires.

ENGLAND ANNOYED AT YANKEE HINT

With Regard to Yacht Club Race—A London Editor's Warning.

In the most recent issue of "The Yachting Monthly," under the heading of "America Cup Prospects," the London editor makes a warning comment upon the attitude of the New York Yacht Club in relation to the contest that has been in abeyance since the beginning of the war. "If the statements appearing in the New York Press are to be believed—which we trust is not the case—we must really make some protest. We know that Shamrock IV, arrived at New York shortly after the outbreak of war, and as her owner could not for a moment entertain the idea of flying racing colors at such a crisis, the yacht proceeded to lay up until such time as a contest might decently take place. This year the boat will not be out. But now comes the astounding announcement—unofficial of course—that new negotiations must take place between the Royal Ulster Yacht Club and the holders before a year's postponement is agreed to by the New York Yacht Club, but that period having elapsed it is suggested that the race is off, and that a new challenge, and consequently the option of new vessels, is necessary. Surely the New York Yacht Club approached the fact that Sir Thomas Lipton's objection to race immediately after the outbreak of war holds good while the war continues. As I say, one assumes such things, and if there is even a hint of a new defender being built Sir Thomas Lipton and the Ulster Yacht Club would be well advised in throwing over the whole affair."

Horse Racing in France Again

For the first time since the outbreak of war, horse racing will be resumed in France on August 15th. A series of meetings has been arranged for this month, September, October and November on the Caen, Mont de Marsan and Moulins race courses in the Paris district. Certain restrictions have been imposed, but in the interest of breeders of thoroughbreds the continued efforts of the Society d'Encouragement to resume the sport have at last been rewarded, and the sanction of the French Government will be greatly appreciated by the large following of racegoers throughout France.

Columbia Retain Rice

Reversing an earlier reported decision to drop rowing as an intercollegiate sport, authorities at Columbia have definitely decided to keep up the crew as a major sport and to retain the services of Jimmy Rice, the veteran Toronto coach.

Undeterred by the Terrible Lament

Undeterred by the terrible lamenting that Johnny Rodner received at the hands of Jimmy Wilde, the flyweight champion of Great Britain, "Pinky" Burns, has determined to expose his anatomy to the Welshman's jollies. Benny Leonard has a hard opponent for his next bout, which will take place in about two weeks in New York. Joe Ascevedo will endeavor to take away Leonard's championship aspirations.

BASEBALL BRIEFS.

Alexander was the first major league pitcher to win twenty games.

"Jack" Graney, the Cleveland outfielder, is in a batting slump. He is hitting .250 and falling every day.

The Clevelanders are trying Outfielder Lehr, who was with the Reds last year, but drifted to Jersey City.

Mike Menosky, who was with the Pittsburgh Feders, will get a trial next season with the Washington Americans, it is said.

When the winter trading season arrives Matty may be heard from. He needs a shortstop, several pitchers and a brainy catcher.

The Browns have released Pitcher McCabe and outfielder Tobin to Nashville in a trade for Lee, who played left field for Branch Ricker last fall. Tobin is a former Fed.

According to a report from Denver Babe Adams, recently handed his unconditional release by the Pirates, will sign with that club in the Western League.

On September 27th both Boston teams are scheduled to play at home for the first time in major league history. The Braves will meet Pittsburgh and the Red Sox will tackle New York.

Sam Rice, of the Washington pitchers, is such a good batsman that Griffith is thinking seriously of using him in the outfield. The Senators are badly in need of more hard hitters.

Wilbert Robinson still thinks "Jimmy" Johnston, his young outfielder, is one of the best players in the game. Johnston is doing as much as any other player to keep the Dodgers in front.

Manager Bill Donovan and Trainer Dungan, of the New Yorks, have received notice from Ban Johnston that each has been fined \$50 for kicking up a rumpus in Philadelphia recently.

The absence of "Cy" Williams, the Clubs' hard-hitting outfielder, has weakened the club considerably. Williams is suffering from a fractured wrist and will be unable to play for two weeks.

Roger Hornsby, the St. Louis phenom, is climbing rapidly in the batting averages. He is fourth in the list with .325, having made a gain of thirteen percentage points last week.

Connie Mack handed an awful slam to Pitcher Hasselbacher and Outfielder Mitterling when he released them with the statement that they were not good enough to play for his team. One has only to see the team to appreciate this point.

The Boston American club has asked the Newark team to return outfielder Shorten, as Hendriksen, the regular Red Sox outfielder, is on the injured list. It is understood that Boston will send someone to take the place of Shorten, who goes back Saturday.

Christy Mathewson, the famous New York twirler, and now manager of the Cincinnati Reds, celebrated his 36th birthday Saturday. Matty is through as a pitcher, but he is not yet old. This year the majors as a twirler than many others, for the active life of the average slabbist is short.

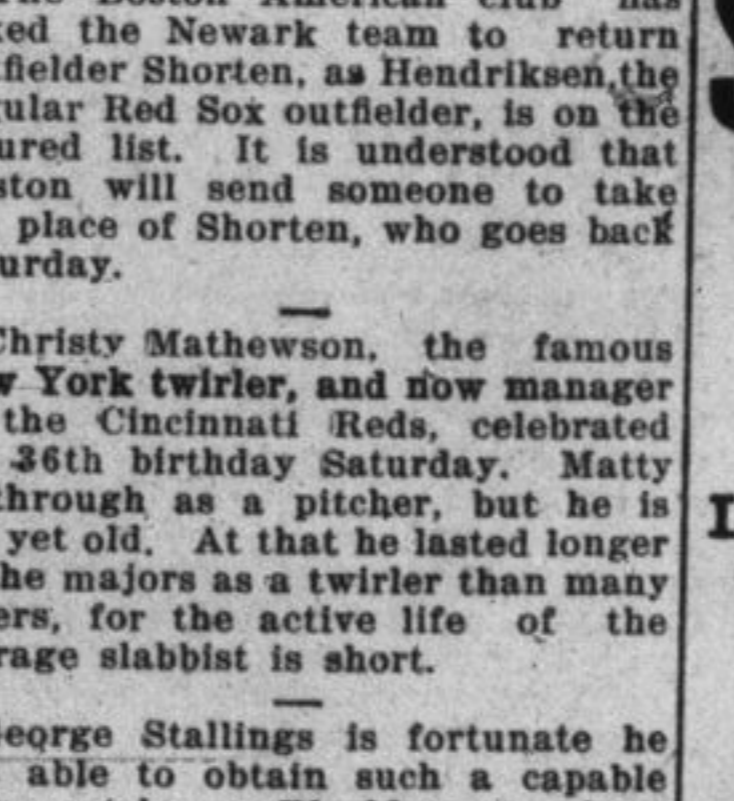

George Stallings is fortunate he was able to obtain such a capable young catcher as Blackburn on short notice when his regular staff was crippled. Blackburn was farmed out to the Providence club of the International League in the spring by the Braves, but played such splendid ball Stallings called him back as soon as there was an opening.

St. Louis has had a dearth of baseball pennants, but every few years the Mound City produces a team which is just strong enough to make a lot of trouble for other contenders. The Mound City has not had a banner since away back in 1888. In 1914 the Cardinals under Miller Huggins started to climb during the latter part of the campaign, and excited their followers to such an extent that they made all sorts of rash claims for their favorites. Then came the crash. This year the Browns have stirred baidom by their winning streak. They have not been able to climb much because of the closeness of the American League race, but they are regarded in their own city as a sure enough pennant prospect.

Eddie Pitts, matchmaker of the club at Colorado Springs, which will stage the Welsh-White contest on Labor Day, announces that his syndicate will offer Willard \$50,000 to box Charley Weinstert for the heavyweight title.

Jim Coffey will endeavor to keep the man-killing Jack Dillon afloat for ten rounds at Ebbetts' Field, Brooklyn, on Labor Day.
