WANT PREMIER TO DROP HUGHES

Delegation of Conservatives to Wait Upon Sir Robert Borden.

WILL NOT ACCEPT PROMISE FROM PREMIER TO TAKE MATTER INTO CONSIDERATION.

If Sir Robert refuses, the Delegation Threatens to Start a Propaganda Against the Administration Which Maintains Hughes.

(Special to the Whig.) Ottawa, Aug. 15.—La Presse of Montreal publishes to-day the following story from Ottawa:

"Sir Robert Borden has returned to Ottawa and an embarrassing delegation will wait upon him on Wednesday or Thursday. This delegation will be composed of representatives of Hamilton, Kingston, London and Toronto associations, and will include several Conservative members and representatives of Conservative associations. They will demand from the Prime Minister that the name of General Sir Sam Hughes as Minister of Militia be struck from the list of Ministers of the Borden Cabinet. They will insist upon a definite reply from the Premier, and will not accept a mere promise to take the question under serious consideration. In case Sir Robert does not satisfy the demand of the delegation, these men will express to the Prime Minister their intention of undertaking at once through Conservative organizations of Ontario and the west a propaganda against the administration which maintains Gen. Hughes as Minister of Militia."

A concert will be given in the 154th Battalion recreation tent on Wednesday next. Mr. and Mrs. Angus Orr of the city will entertain the boys on Friday. Capt. Robinson, adjutant, is getting the battalion orchestra ready for both events.

Sergt.-Major Kerrison, W. O., has been granted a commission as a Lieutenant in the P. A. S. C. Lieut. Kerrison has been accorded this honor for making the military school of cookery such a success. He has fathered the scheme of a training school for cooks since its organization.

Military District No. 3 has had the first school of cookery, but owing to its practical value other military districts are having them instituted.

Lieut. Kerrison started his military career thirteen years ago in England, but has been in Canada nine years, the most of which time he has acted as caterer for the Royal Military College.

His ability as a cookery instructor was recognized when Major Gen. S. L. Lessard took him as an inspector of the cooking conditions of the troops of Western Canada last year.

The Music Men Obligated.

The steamer Thousand Islander was well patronized for the regular Monday trip to Kingston, says the Brockville Recorder. Seventy-five passengers from Brockville took in the trip and crossed on the Bigelow to Morris town to take the steamer there on account of the coasting laws which forbid a steamer of American register taking passengers from one Canadian port to another. When the ferry was ready to leave it was found that with those who were already on board going elsewhere, the steamer had two more than the number allowed by the inspectors. Two of the Kingston excursionists, members of a party who had planned to spend a few hours in the Limestone City, were obliged to leave the boat, but were recalled when a happy inspiration struck someone to suggest that the orchestra of two leave the boat for one trip and allow the excursionists to go over. This was carried out and everybody was happy once again.

THEATRICAL NEWS

At the Grand.

A delightful entertainment was seen by many at the Grand Opera House last night. In the Famous Players Production, "The Thousand Dollar Husband," Blanche Sweet appeared as a Swedish maid of all work in a college boarding house. Her sudden becoming wealthy and securing a husband, was shown in a very unusual manner. Other pictures seen were a two-reel Universal feature "Her Better Self," a comedy, "All Over a Stocking," and the Paramount Topical Budget. Especially worthy of commendation was "A Bit of Irish," presented excellently by Flynn and Howard. Barney Flynn did a stiff leg quadrille that made a hit. With everything in this act refreshingly Irish, the audience was put in good humor.

At the Strand.

Lonel Barrymore and Irene Howard in the five-part Metro feature "A Yellow Streak" whereby a wronged and ruined man who is on the verge of suicide is saved through rescuing a despairing girl, their parting without either seeing the other's face, then meeting without recognition after many strange adventures, makes an inspiring human document which pleased the large audience. The Selig Weekly and other good subjects were also on the bill. Same programme tonight.

At Griffin's.

That wonderful Fox production, "A Soldier's Oath," featuring the world-renowned William Farnum, will be presented at the Griffin Theatre for the last time to-night. Yesterday's record attendance is the best advertisement for another house to-night. Commencing to-morrow, "The Plunderer" will be the feature, supported by other good attractions, including the first motion picture song hit ever offered in Canada, "Kentucky Home," sung by R. E. Willis and illustrated with a moving picture. For the week end Theda Bara will appear in "In Destruction," a production of breathless tenacity.

As a Woman Sows.

This is a special five-reel feature secured under considerable expense, and no young woman can afford to miss this drama of "Love and Retribution." The well known star players, Gertrude Robinson and Alexander Baden, take the leading roles. In order to witness this feature from beginning to end, shows will commence at 7, 8.15 and 9.30 Wednesday and Thursday evenings. As many as possible will kindly attend in the afternoon and avoid the crowding at night. At the King Edward Wednesday and Thursday, usual admission.

Lake Ontario Park.

There was a large attendance at Lake Ontario Park last evening. The new programme was an ideal one. Miss Gertrude Gardner, the Scottish nightingale, sang "Memories," "Mother" and "The Letter That Never Reached Home," won favor. Tom McNally, comedy juggler, put up some fine stunts. The pictures were "Caspar De Muerto," "Nasago Reservation," "Out of the Quagmire" and Pathe News showing stirring war scenes in France and some views of Jellicoe's bull dogs in the North Sea. The same bill will be given tonight.

Wednesday is children's one-cent day on the cars with matinee at 3.30.
