

HAVE YOU HEARD

that eczema cases, which have defied all other treatment, yield to Zam-Buk? An illustration of this is found in the case of Mr. J. L. Frenette, of Niagara, N.B. He writes:

"My head was entirely covered with eczema, and although I tried numerous remedies and received medical treatment, I got no benefit. Then I heard of Zam-Buk and tried it. The first few applications stopped the burning. Gradually the inflammation was drawn out, and before long the sores began to heal. Perseverance with Zam-Buk resulted in a complete and permanent cure."

Zam-Buk is just as good for ulcers, ringworm, running sores, blood-poisoning, piles, cuts, burns and all skin injuries. All druggists and all chemists. Price, 25c. per 60c. box, 3 for \$1.25, or from Zam-Buk Co., Toronto.

WOMAN WEAK, DIZZY, NERVOUS

Health Restored by Lydia E. Pinkham's Vegetable Compound.

Jamaica, N. Y.—"I suffered greatly with my head and with backache, was weak, dizzy, nervous, with hot flashes and felt very miserable, as I was irregular for two years. One day when I was feeling unusually bad my sister-in-law came in and said, 'I wish you would try Lydia E. Pinkham's Compound.' So I began taking it and I am now in good health and am cured. I took the Compound three times a day after meals, and on retiring at night. I always keep a bottle in the house."—Mrs. L. N. BURNHAM, 35 Globe Ave., Jamaica, N. Y.

Women who recover their health naturally tell others what helped them. Some write and allow their names and photographs to be published with testimonials. Many more tell their friends.

If you need a medicine for Women's Ailments, try Lydia E. Pinkham's Vegetable Compound. Write Lydia E. Pinkham Medicine Co. (confidential) for anything you need to know about these troubles.

Easy & Practical Home Dress Making Lessons

Prepared Especially For This Newspaper by Pictorial Review

The Tailored Suit in Faille.

plaits at the raised waistline and trimmed with a fancy collar of white silk.

The subject of today's lesson is the silk tailored costume. It truthfully can be styled the all-around model, for it is used for morning wear, and if a dressy blouse is added in the afternoon, it takes on semi-formal importance. This design, in medium size requires 6 1/2 yards 4-inch material. The circular collar is of white faille, with plaited section standing high at the back.

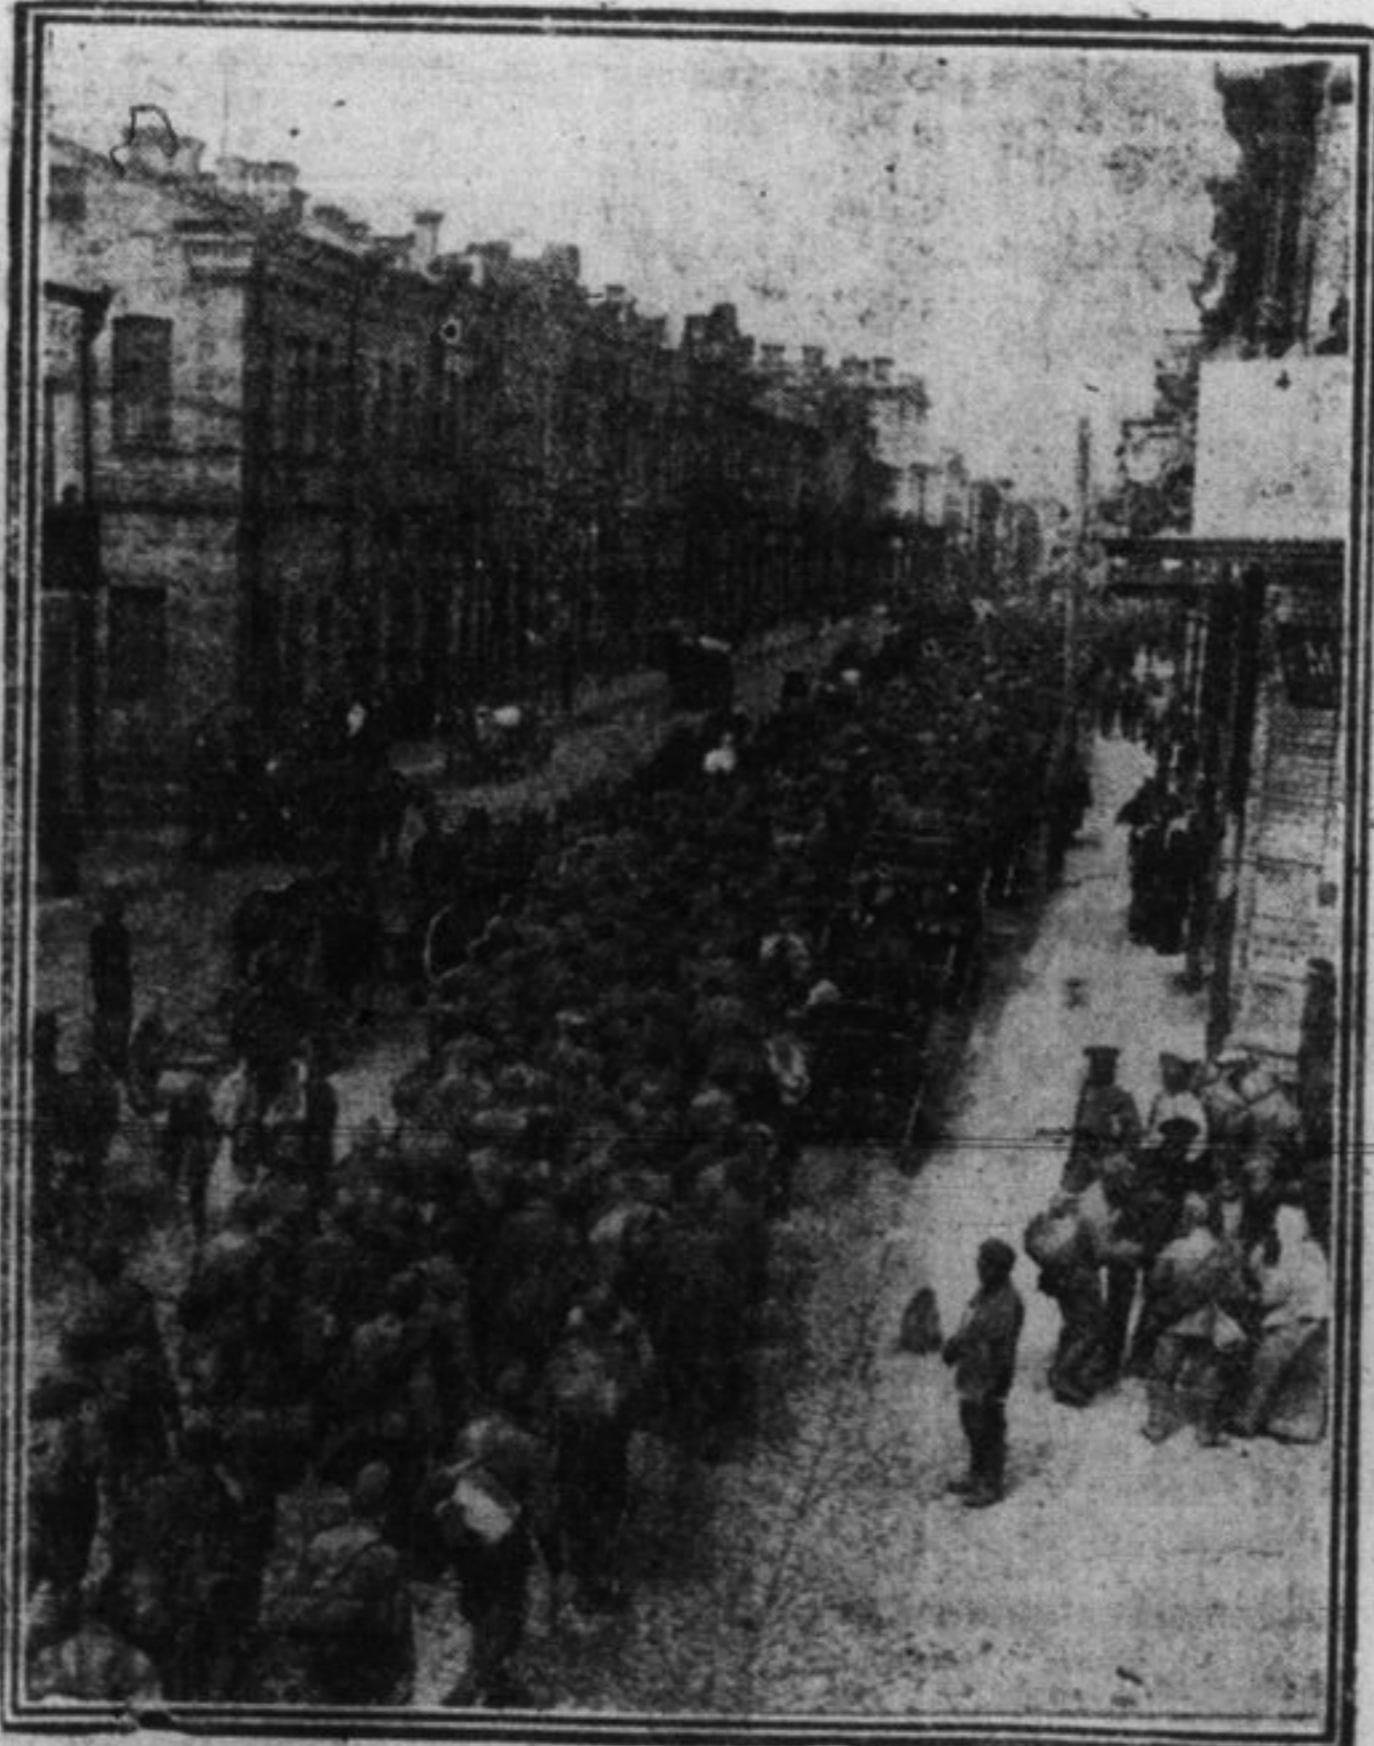

The jacket is laid in plaits at the raised waistline, but the front and back hang in flat effect. To cut the jacket, place the back and the cape on the fold of material first. Then opposite these, on the upper row, place the sleeve, the front, the underfacing and revers. Now, going back to the bottom row, place the cuff, collar and second cape into the position, the first on a lengthwise thread and the last two of the lengthwise fold of the faille. Opposite the second cape lay the back skirt section, on a lengthwise thread.

If the jacket be desired with deep open front, cut off the front edge of the front, 3/4 inch forward of line of small "o" perforations and omit underfacing. If desired pointed at the sides, cut off the lower parts of the front, back, skirt section and underfacing along indicating small "o" perforations.

The front of the jacket may be finished simple with revers and a flat collar, if this be preferred to a more elaborate effect.

Pictorial Review Jacket No. 6739. Sizes, 34, 36, 38, 40, 42 and 44 inches bust. Price, 15 cents. Skirt No. 6787. Sizes, 22 to 32 inches waist. Price, 15 cents.
