THE ADVANCE-PARTY OF THE  
BRIGADE LEFT ON MONDAY

Have Gone To Prepare Camp For the  
Reception of the Brigade which  
Has Been Organized at Barrieffield.

The advance party of seventy-five  
men and five officers from the Depot  
Artillery Brigade left at 10.45 a.m.,  
Monday, for Petawawa to prepare  
the camp for the arrival of the Depot  
Brigade. Lieut. A. H. Miller was in  
charge of the party and the other  
officers were Lieut. Macpherson,  
2nd; Lieut. Thompson, 74th; Lieut.  
McLean, 75th; and Lieut. Hanlon, Am-  
munition Column.

The party in full marching order  
and with cheers from their comrades  
left the camp grounds shortly after  
9 a.m. for the city. The party en-  
trained in the city at 10.45. Two  
trucks were carried in the haversack  
for each man.

The brigade advance party was  
entrained in a splendid way and the  
conduct of the men was of the high  
order expected from artillerymen of  
this brigade. The event marks the  
passing away of another body of men  
from Barrieffield. On Friday the re-  
mainder will be going.

Considering their splendid athletic  
qualities and the many other things  
that have made Barrieffield proud of  
its artillerymen, there will be regret  
when Lieut. Col. Arnold takes his  
brigade to the northern camp this  
week.

**HAD NARROW ESCAPE  
MAN CAUGHT IN DRILL**

James Young Suffered Serious  
Injuries and Was Almost  
Stripped of Clothing.

James Young, Division street, em-  
ployed in the machine shop, at the  
locomotive works, had a miraculous  
escape from death, a few days ago  
at the works, and as a result of his  
experience, he is still confined to his  
home.

Young was leaning against a drill  
when his overalls became caught in  
the spindle, and his clothing was at  
once pulled into the machine. But  
for the prompt action of a fellow  
workman, he would have been killed.  
He happened to see the awful posi-  
tion Young was in, and pulled out  
the switch, and as a result the un-  
fortunate man was released.

Young had nearly all his clothing  
torn off, and suffered serious injuries  
to his knee and also to his right arm.

R. Freight Office for the  
Past Six Years.

Ira E. Ivey, who for the past six  
years has been chief clerk in the  
Peterboro C. P. R. freight office, has  
been appointed station agent at  
Kingston to succeed Roy Ward,  
Superintendent L. G. Rogers, of To-  
ronto, confirmed Mr. Ivey's appoint-  
ment. Mr. Ivey has been connected  
with the C. P. R. office for upwards  
of twelve years, and during that time  
has earned the respect and confi-  
dence of a wide circle of friends,  
adds the Peterboro Examiner.

**WAR PRISONER BURIED.**

Two Fellow-Germans Were Allowed  
to Attend Funeral.

The funeral of Emil Heyse, a Ger-  
man prisoner of war in Fort Henry,  
took place Monday morning from R.  
J. Reid's undertaking parlors to  
Catawau Cemetery, the service be-  
ing conducted by Canon Fitzgerald.  
Two fellow-Germans were allowed to  
attend the funeral as representatives  
of the prisoners' club, which was  
formed some months ago at the fort,  
and which looks after the social and  
athletic diversions of the prisoners.  
Permission was received from Ot-  
tawa to allow the two prisoners to  
attend the funeral, and they were in  
charge of an escort. They brought  
number of handsome floral tributes  
from the inmates of the fort, some of  
which were artificial, having been  
made by the prisoners.

**"ANURIC!"  
THE NEWEST  
DISCOVERY IN CHEMISTRY**

This is a recent discovery of Doctor  
Pierce, who is head of the Invalids'  
Hotel and Surgical Institute at Buffalo,  
N. Y. Experiments at Doctor Pierce's  
Hospital for several years proved that  
there is no other eliminator of uric acid  
that can be compared to it. For those  
easily recognized symptoms of inflam-  
mation—as backache, scalding urine,  
and frequent urination, as well as sedi-  
ment in the urine, or if uric acid in the  
blood has caused rheumatism, it is  
simply wonderful how surely "Anuric"  
acts. The best of results are always  
obtained in cases of acute rheumatism  
in the joints, in gravel and gout, and  
invariably the pains and stiffness which  
so frequently and persistently accom-  
pany the disease rapidly disappear.

Go to your nearest drug store and  
simply ask for a 50-cent package of  
"Anuric," manufactured by Dr. Pierce,  
or send 10 cents to Dr. Pierce for a  
large trial package. If you suspect  
kidney or bladder trouble, send him a  
sample of your water and describe  
symptoms. Doctor Pierce's chemist  
will examine it, then Dr. Pierce will  
report to you, without fee or charge.

NOTE:—French scientists affirm that  
"Anuric" is thirty-seven times more  
active than lithia in eliminating uric  
acid, and is a harmless but reliable  
chemical compound that may be safely  
given to children, but should be used  
only by grown-ups who actually wish to  
restore their kidneys to perfect health,  
by conscientiously using one box—or  
more in extreme cases—"Anuric"  
(thanks to Doctor Pierce's achievement)  
is by far the most perfect kidney and  
bladder corrector obtainable.

Dr. Pierce's Pills are the original  
Little Liver Pills. One Little Pill for  
a Laxative—three for a cathartic.

DURING SERMON OF REV. W. H.  
EASTON SUNDAY NIGHT.

Visiting Clergyman From Rhode Is-  
land Made Statements That Were  
Not Considered Patriotic For a  
Canadian.

While endeavoring to explain the  
neutral attitude of United States in  
connection with the great European  
war, Rev. W. H. Easton, M. A. (a  
graduate of Queen's University),  
secretary of the Rhode Island Sun-  
day School Association, in Syden-  
ham Street Methodist Church on  
Sunday evening made statements  
that made some members of the con-  
gregation so "sore" that three wo-  
men left the church. The state-  
ments were all right for the ears of  
an American congregation, but not  
for a Canadian congregation. There  
were many people in the church who  
felt like the three women who left,  
but they kept their seats until after  
the service and then went direct to  
Mr. Easton to have a talk with him  
and expressed their disapproval of  
his views.

At the morning service Mr. Easton  
preached splendidly, and many peo-  
ple went again on Sunday evening  
to hear him speak on "The Demo-  
cracy of Man."

After speaking about twenty  
minutes on the subject announced,  
Mr. Easton switched off and attempt-  
ed to explain the attitude of the  
United States in this war.

"As American people we cannot  
believe that England knew there  
was going to be a war or that she  
was prepared," said he. "The Uni-  
ted States has been condemned and  
approved for the stand she had tak-  
en. Some believed that United  
States should have interfered when  
Germany went into Belgium terri-  
tory."

Some of the reasons that he gave  
for her "standing still as it were"  
were that there were one hundred  
million people in the United States;  
of which there were ten million Ger-  
mans and ten million negroes, who  
had to be watched. Referring to the  
German cause he spoke of them as being  
among the best citizens of United  
States, and in the next breath told  
how the American authorities had  
to watch the Germans lest they might  
blow up public buildings and munition  
works.

In time of the Civil War there  
were no more loyal subjects than  
the Germans, he said. The United  
States as a nation had her baptism  
of fire about fifty years ago; the ef-  
fects of which can be seen on the  
streets of almost any American city  
today. At this point he intimated  
that when the United States was at  
war England or France did not come  
to her help.

Mr. Easton said he hoped when  
the war over Church and State in  
England would be separated. The  
Suffrage cause in United States  
was also spoken of as one of the  
reasons for the United States re-  
maining neutral. The thing that  
probably riled the members of the  
congregation was when he referred  
to the cause of the people of England  
and other nations for their wrong  
doings. He remarked that Canada had  
a Governor-General, but he did not  
have any say in the government, as  
compared to the President of United  
States.

The first woman to leave the  
church had a son who was severely  
wounded recently at the front, but  
is now recovering.

**CAR DASHED INTO BUGGY**

JOYCEVILLE RESIDENT HAD A  
NARROW ESCAPE FOR AUTO.

Buggy Was Smashed Into and Mr.  
Murphy, Baby and Little Boy Had a  
Close Call.

Joseph Murphy, Joyceville, is  
strong on the track of an automobile  
bearing the Ontario license number  
of 29004 for having badly damaged  
his buggy and almost causing serious  
injuries to himself, baby and little  
boy.

The automobile was coming along  
the Seelye-Bay road on Sunday  
about noon, when, without blowing  
the horn or giving any warning, ac-  
cording to Mr. Murphy, it ran into  
his buggy, tossing it into the ditch  
and breaking a wheel and axle. A  
short distance further the same ma-  
chine hit another buggy that hap-  
pened to be occupying a part of the  
same road.

Mr. Murphy was returning from  
church when the accident happened.  
He was driving along when this car  
without any warning dashed into his  
buggy. He was thrown to the side  
and bruised a little, but the buggy  
was so badly damaged that it had to  
be dragged home. The car kept on  
going, and did not stop even after  
bitting the second buggy.

Mr. Murphy is taking the matter  
up legally, as he feels that there  
was no justification for the accident,  
and the fault lies entirely with the  
car driver, who was running over  
the speed limit.

just as soon as they were received.

"Bill," as he was known by his  
host of friends, was very popular,  
and the news was received with  
much regret. It is hoped that his  
injuries are only of a slight nature.  
Lieut. Connell is a graduate of  
Queen's University. He went over-  
seas on February 1st last, and has  
been at the front since March last  
with the Royal Sussex Regiment.
