

CARRYING BRANCHES OF TREES TO ERECT IN FIELDS TO SCREEN OUR ARTILLERY.

AMERICAN LEGION IN CANADA.

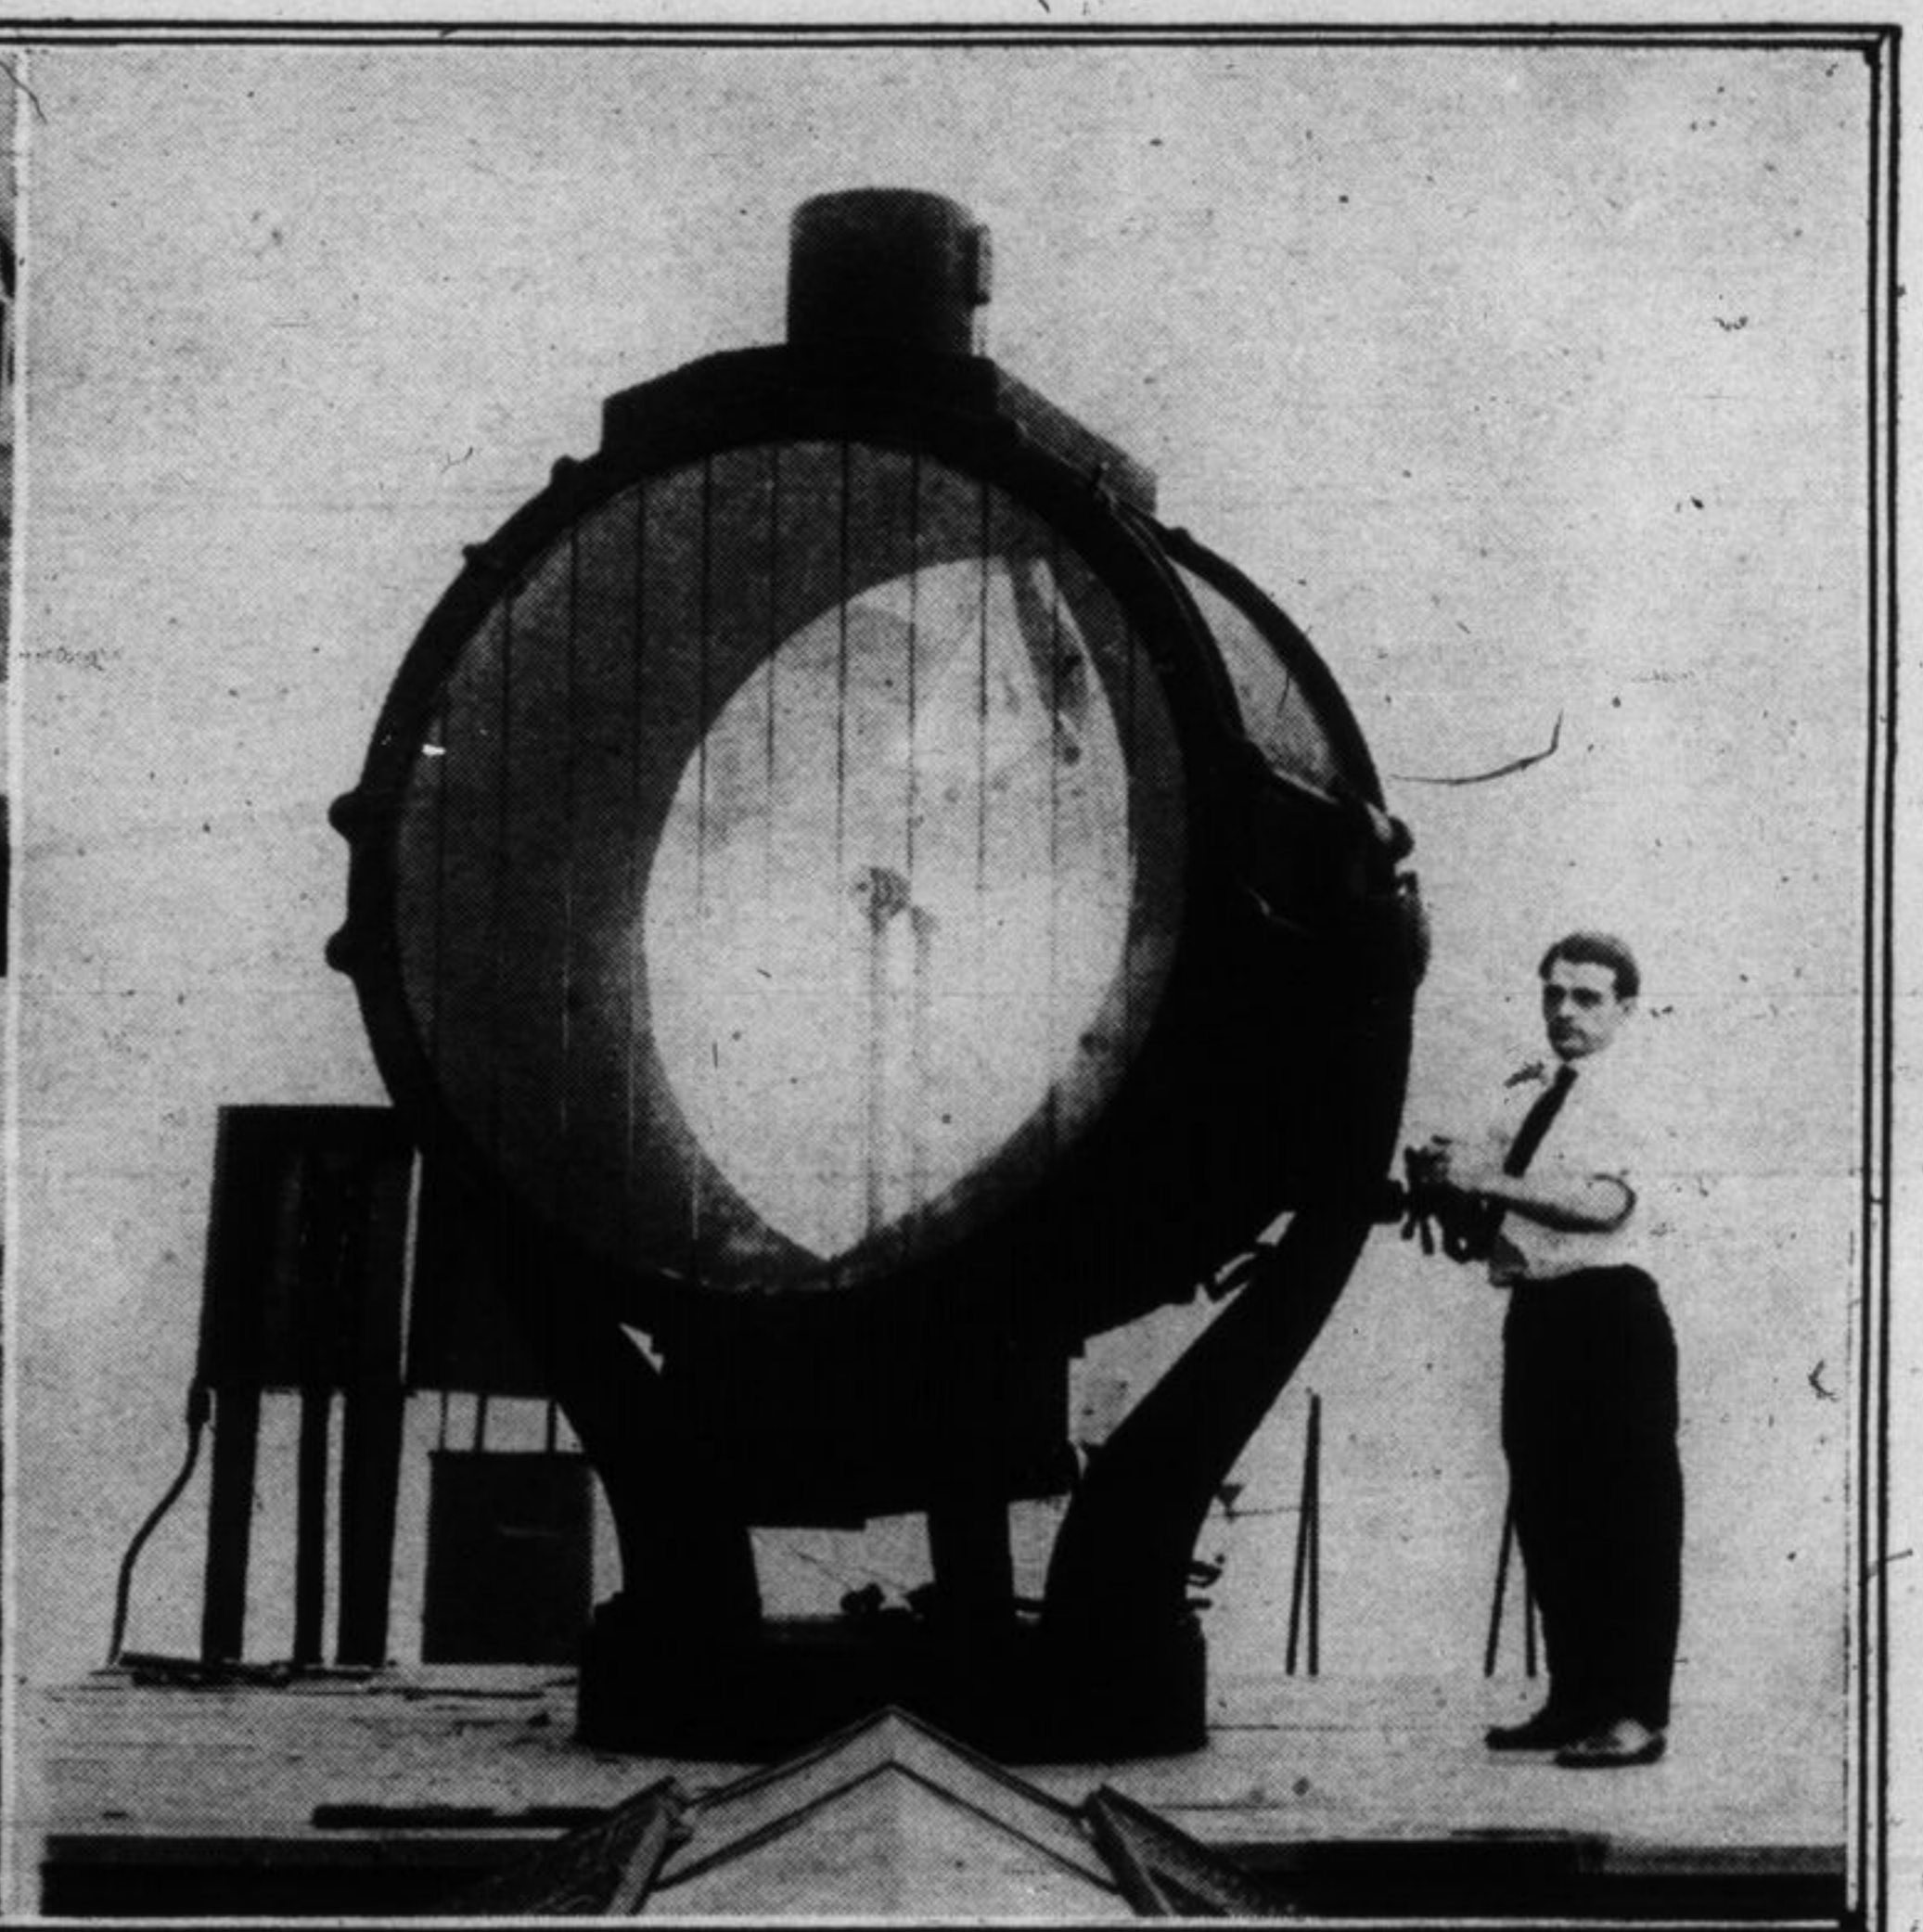

Preparing for fighting on the Western Front. Leaping into a "trench" to impale the "enemy" which is represented by straw bundles.

WITH THE BOMBERS.

WOMAN AVIATOR PREPARING FOR MILITARY SERVICE. Mrs. Waldo Pierce, who hopes to be a member of the U. S. Army Aviation Corps, stepping into her machine preparatory to a flight. (Lower photo). She is twenty-five years old and has been flying for the past two months without mishap. She's not sure whether the army will take her after she has secured her military aviator's license, but that does not deter her ambition in the slightest. (Upper photo).

THE WORLD'S MOST POWERFUL SEARCHLIGHT IS NOW IN OPERATION. IN BROOKLYN, N. Y.

It is on top of the Sperry Gyroscope Co. Building and throws its powerful rays of 1,280,000,000 candlepower many miles. It is 60% more powerful than the Sperry searchlight recently tried at the Brooklyn Navy Yard and which was visible for thirty-five miles.

CROWN PRINCE ALEXANDER, OF SERBIA.

Who is again leading his troops against the Bulgarians in an effort to wrest his devastated country from their grasp. He is receiving aid from British, French and Russian troops.

LITTLE GIRL PRONOUNCED CURED OF INFANTILE PARALYSIS.

She has been supplied with a pair of braces by the hospital, which she will have to wear until her limbs get back their strength.

A YOUNG LAD RECOVERED FROM THE RAVAGES OF INFANTILE PARALYSIS.

Giving his blood to be used as serum to fight other cases of the disease.

...in the World of Sport.

...wife and children. ...he was the cause of his son running away from home.

...and since then there. They will be organized in battalions and paid current wages.

...ers were taken.

...then the American government will lend its moral support to the flotation of a big Mexican loan in this country.

...for-Bulgaria front.

...and they speak no better than the cruce, or be silent. —DIONYSUS THE ELDER
