## THE CONEY ISLAND MISSION

SUPT. ROBERTS - HORSFIELD TOLD OF WORK

Cited Cases of Three Men Who Were Redeemed and Are Now Leading Noble Lives - Praised Work Y. M. C. A. Is Doing At Barrie Field.

Rev. T. C. Roberts-Horsfield, Superintendent of the Coney Island Mission, with which he has been connected for fifteen years, gave a fascinating address in Brock Street Methodist Church Sunday morning. Mr. Horsfield is a graphic, witty speaker and has the happy faculty of being able to get into close grips with his auditors. He has been at Barrie Field camp for the past few days, helping the Y.M.C.A. with its work among the soldiers. He expects to remain until Thursday, when he will leave for Alexandria Bay, where he will conduct a series of meetings.

In his address Sunday morning he spoke highly of the work that the Y.M.C.A. was doing at Barrie Field. He told of a conversion in a Kingston shoe shine parlor. A young soldier, now gone to Petawawa, was led to decide there for Christ as a result of the preaching he had heard in the Y.M.C.A. tent at Barrie Field. The Y.M.C.A. was bringing men to the Saviour, and deserved the hearty support of the people of Kingston. In introducing the speaker, the pastor, Rev. G. S. Cleindinnen, said he hoped that since he has been at Barrie Field Camp, he would feel at home in the presence of the Union Jack, many of which were displayed about the church. The visitor said he felt at home all right, as he was born under the Union Jack, and was glad to be able to give a message beneath its folds. Continuing, he said he came to the United States from England thirty years ago, and he had learned to love America, just as he would learn to love any country among whose people he labored.

He was about to start on a holiday, when he received an invitation to come here and labor in the Master's Vineyard. He appreciated the invitation to the delightful city of Kingston.

### Work at Coney Island.

Passing on to speak of his work at Coney Island, he said that the opportunities were unlimited. From 300,000 to 400,000 pleasure-seekers come to Coney Island every week-end during the summer. The Mission held religious meetings every day from 5 to 7 p.m. and these were attended by from 1,000 to 3,000 people.

The preacher told of men who, through the instrumentality of the Mission, had been lifted from the gutter, and by the power of the Gospel, made respectable and representative citizens. One man who was saved from the depths became a writer of sacred verse, a splendid sample of which was read to the congregation. Another man, who said that he would give his right arm to be relieved from drink, which had divorced him from his charming wife and three dear little children, was freed without having to sacrifice so much as a finger nail, and now held a responsible position with a Detroit real estate firm. After this conversion he organized a church near New York in which his eldest daughter was organist.

The speaker told of a well-to-do New Yorker, who came to Coney Island to see a leg show, after telling his wife he was going elsewhere on business. This man became converted, and was now paying half the salary of one of the Mission workers. In conclusion the Coney Island Missioner urged all to become servants of Jesus Christ whose gospel was able to save to the uttermost.

### NO WORD YET

Though thousands of people are anxiously waiting for information about the new organization plans and the authorization of new battalions, nothing has yet been announced. It is thought by a great many that action should not be delayed in view of the lateness of the season.

### GIBSON-KERR NUPTIALS.

Took Place at Kensington—Groom a Graduate of the R. M. C.

One of the prettiest of the war weddings which have taken place in England recently was that of Florence Petronella, youngest daughter of the Hon. Senator Kerr, and Mrs. Kerr, of "Rathnally," Toronto to Colin Gibson, lieutenant in the Royal Fusiliers, son of the Hon. Sir John Gibson, K.C.M.G., and Lady Gibson, of "Ravencliffe," Hamilton. The marriage was solemnized in St. Mary Abbot's, Kensington, the chaplain of the bridegroom's regiment officiating. The bride was given away by her sister, Mrs. George Cassels, Mrs. Cassels and her two other sisters, Mrs. E. F. Osler and Mrs. William Hart, holding a reception at the Royal Palace Hotel, Kensington, after the service in the church. The bridal robe was of white taffeta, the veil of beautiful old lace falling from a wreath of orange blossoms, a bit of white heather, for luck, being tucked into the bouquet. The bride's two little nieces, Miss Nadine and Miss Betty Hart, Kingston, both dressed in frilled muslin with blue sashes, their frilly muslin hats being trimmed with ribbon and tiny rosebuds, preceded her up the aisle. A feature of the reception was the wedding cake, which was gay with the colors of the Royal Fusiliers, and which the bride cut with her husband's sword. Mr. and Mrs. Gibson left later to spend their honeymoon in Devonshire, the bride going away in a suit of white whipcord, a black hat faced with white, and white fox furs.

Lieut. Gibson is a graduate of the Royal Military College, while his bride has several times visited her sister, Mrs. William Hart, and both have a host of friends in Kingston, who will wish them every happiness.

### ARRESTED BY MILITARY.

Man Charged With Disturbing Recruiting Meeting.

Arthur Holland, twenty-six years of age, giving his address as Kingston, was arraigned before Judge Saint-Cyr in Montreal, charged with having disturbed a recruiting meeting in Craig street. Holland, arrested by two military men, pleaded not guilty, claiming that he was under the influence of liquor and did not know what he had done. He was remanded until Wednesday. As it is the first case under the new law that deals with disturbing recruiting meetings, the Minister of Justice will be communicating with to learn what powers the military men have as regards making arrests.

### LOOKED WELL IN UNIFORM.

Rev. Dwight Chown, D.D., Appeared in Regimentals.  
Rev. Dr. S. D. Chown, general superintendent of the Methodist Church in Canada, has been gazetted an honorary colonel of the 203rd Battalion. Dr. Chown looks impressive in uniform. A Whig man saw him in Trinity Church, Toronto, in his regimentals, and his majestic form looked even more noble than in clerical dress. He has a son in service in France. Dr. Chown is a son of Kingston, and in whom his fellow citizens take great pride.

### HAS NOW \$260

Capt. J. H. Sharpe, 21st Battalion, who is in charge of the School of Bombing at the camp has now the large amount of \$260 in subscriptions for the Red Cross Society. The introduction of this scheme of taking subscriptions from visitors has been a most successful one and when it is remembered that the amount was subscribed voluntarily it indicates the popularity of the Red Cross Society.

### Q. M. SERGT. J. E. HARTE

Now Holds Warrant Rank After Fifteen Years in Service.

The Whig and many other friends of J. E. Harte of the headquarters staff congratulate him on his promotion to the warrant rank. He has been in uniform for fifteen years, being ten years with the R.C.H.A., and during all that time has proved to be an efficient soldier. As an N.C.O. in "A" section of the Military Staff Clerks and being clerk to Brig. Gen. Hemming he has held a responsible position and the promotion was in recognition of his ability.

### Visiting in Kingston.

Mr. Dobell, vice-chairman of the Hospital Commission, spent part of Sunday in the city and had a look over the Sir Oliver Mowat Hospital and the care given the soldiers in the institution. It is probable that many more of our soldiers will be sent to the hospital for treatment. By the latest returns from the director of medical services in England there were on Aug. 4th 12,900 Canadian inmates in Canadian and other hospitals, 63 being in special sanitariums.

Sang in St. Mary's.  
Sunday evening in St. Mary's Cathedral Leo and Ray Marchand sang in "Ave Maria" in a most delightful manner, revealing a talent too long and modestly concealed to the congregation, who shall hope to hear them again and frequently.

Mrs. Samuel Vanhorne, who was thrown from a buggy some time ago when her horse became frightened, suffering severe injuries, was removed to her home on the Middle Road, Pittsburgh township, on Saturday afternoon in James Reid's ambulance. Mrs. Vanhorne is slowly improving.
