## "BILLY" MATHESON SPEAKS

UNDER AUSPICES OF THE Y. M. C. A. EVANGELISTIC BAND.

Points Out That Many People Who Believe in God Fail to Derive Comfort or Peace From the Belief.

"I love the open-air meetings; I want to reach the unsaved." These words were spoken by Evangelist "Billy" Matheson to the people who attended the meeting held Tuesday night in Queen Street Sunday school hall through the courtesy of the board of management, who kindly placed it at the disposal of the "Y." Evangelistic Band, while Mr. Matheson is resting his voice from open-air work.

The speaker said there are so many fellows to-day who believe in God, but yet derive no apparent comfort or peace from this belief. We read that devils believe also and tremble, but the message of comfort brought to us by Jesus was "Believe also in me." This belief in Christ is absolutely essential to happiness and peace.

How many people there are that believe that God is the great Creator of the universe, and the God of love and justice, awarding punishment and rewards according to merit, but when those folks think of their own shortcomings and many sins they often tremble for their fate. To such as these Jesus brings the message: "Let not your heart be troubled, believe in me. I go to prepare a place for you."

The address contained a strong appeal to Christians to take a higher plane of living. Too many Christians try to live on both sides of the fence. Every time we entertain the devil he left something with us. Every strong thought entertained, everything taken in by the eye leave indelible impressions.

At the close of the address, followed by an appeal, several signified their intention to take the important step.

Meetings will be addressed by the same speaker all this week at same place.

## In Bivouac And Barracks

(See also Page 9.)

Capt. Glass, Lindsay, has been notified of the government's intention to authorize a new battalion for Victoria and Haliburton counties. Capt. Glass took an active part in the formation of the 109th Battalion, and it is altogether likely that he will receive an important position in the newly authorized unit.

Pte. Arthur J. Lewis, of Queen's Field Ambulance, was operated on for strangulated hernia. He is doing as well as could be expected. His parents live in Peterboro.

The new plan now under consideration by the Government to stimulate recruiting through a national service committee will be announced shortly.

Queen's University Battery of No. 3 division is granted permission, states Borden Camp orders, to recruit Queen's University students in No. 2 district.

## GREEKS FLOCK TO JOIN THE ALLIES

Many Officers Throw in Lot With Entente—Revolution is Growing.

Paris, Sept. 13.—A despatch to the Temps from Salonika says: "The revolutionary movement is active at Verria (about 40 miles south-east of Salonika, where Capt. Bartzocas has announced to General Cordonnier, commanding the French troops, his intention of fighting with the entente allies. The battalion commander at Verria also has announced that his battalion will participate in the movement.

"These events are parts of a rapidly extending plan for the formation of a Greek army of national defense. Numerous volunteers for this army are arriving here daily, coming from remote islands and regions of old Greece. The recruits are equipped immediately with khaki uniforms and are sent to a camp a few miles outside the city."

## PEACE MUST BRING HONOR TO THE HUNS

Bavarian King Declares That the Germans Must Not Be Lowered.

Berlin, Sept. 13.—No peace will be made by Germany which will not place her in a better position than she occupied before the war, declared King Ludwig, of Bavaria, in a speech inaugurating the new palace of justice at Nuremberg, as quoted by the Overseas News Agency.

"We do not know how long the war will go on," said King Ludwig in his address, "but we know to a certainty that we shall make no peace which lowers us, but only such a peace as will give us a better position than we had before.

"Long before the war broke out I said repeatedly that we could not be grateful enough towards our emperor, who so long maintained peace. In spite of our emperor's pacifism we are engaged in the greatest of wars, and we shall be able to withstand it, thanks to the tenacity and resistance of our brave troops."

## THEATRICAL NEWS

### At the Grand.

The management of the Grand Opera House is always looking out for the very best in the way of photographs and high class vaudeville, and patrons are assured that none other will appear. On Thursday afternoon, Friday and Saturday afternoon and evenings, the Grand will show a programme of vaudeville and photographs, the like of which never appeared in Kingston before. Theda Bara, one of the most celebrated actresses in England, will be seen in a five-part photodrama entitled "The Eternal Sapho," a remarkable tragedy. A two-reel Universal photoplay, a comedy picture, and the ever popular Pathe News will also be shown. The vaudeville is unsurpassable. Nettie Wright, the singing comedienne, will appear in the latest and most popular songs, and Shannon and McCormick will be seen in a high class singing and musical act.

"A Pair of Silk Stockings" Shubert will present Cyril Harcourt's "A Pair of Silk Stockings" at the Grand Opera House on Thursday evening, Sept. 14th. After a year's run in London the play was brought to Winthrop Ames's exclusive Little Theatre in New York, where it found favor for another year in the metropolis, later going to Boston, Chicago, and Philadelphia, and is now in its third successful season. The author of the play has written a text which fairly bristles with wit and satire and he has provided a story which gives excuse for any number of delicious bits of humor, epigrams and situations and the result is a pleasing and perfect play.

### At the Strand.

"The Cowboy and the Lady" was well received last evening at the Strand Theatre. It will be shown for the last time to-night. For the last three days the feature is "The Snowbird," with Mabel Taliaferro, one of the most popular young stars of both the stage and screen, will be seen in one of the strongest photo dramas offered this season.
