### Liver Troubles, Sick Headache, and Habitual Constipation.

Liver troubles and habitual constipation can be cured-but not by cathartic or purgative medicines. The only possible way is to help your system to cure itself; and that is what Dr. Cassell's Instant Relief so surely does. It is not cathartic, it is not violent, it is quite different to the coarse purgative preparations in common use. These only irritate and weaken; Dr. Cassell's Instant Relief tones and strengthens, the liver and bowels, and so restores their power to do nature's work in nature's way.

Take Dr. Cassell's Instant Reflet for constipation, biliousness, liver troubles, sick headache, flatulence, acidity, bearthurn, and impure blood.
