

Your Husband's Duty

The London Life Insurance Company Speaketh Earnestly

We have a word to say to wives. Your husband may be the best fellow in the world, but it often happens that "good fellows" are the very ones that neglect the plainest duty to their wives. That is why we want to ask you a question.

Has your husband insured his life so as to protect you and the children? If he has not he is neglecting an important duty. You are giving him all. He has a right to do this much for you.

Just show him this advertisement and ask him what he thinks about it.

We have just the policy to do this, and without added cost, protect your husband in his old age.

SERGT. BUTTON ARRIVES ISLAND FAIR CONCLUDES

HE WENT TO THE FRONT WITH COL. A. E. ROSS

A Shell Disabled Him—He Says That Col. Ross is Still the Idol of the Field Ambulance Men.

Sergt. W. H. Button, whose home is in Ottawa, arrived in the city on Wednesday afternoon from Montreal. Sergt. Button went to the front with the First Contingent in the First Field Ambulance of which Col. A. E. Ross, Kingston, is the commanding officer. He has been in action for many months, and some time ago was wounded, himself while out bringing in some wounded men. A large calibre shell burst near him with the result that he was disabled for a time. Rheumatism set in his legs, and although he was averse to leaving "the boys," Col. Ross urged him to take a rest after doing so many months service at the front.

A Whig reporter, who happened to be down to meet the train, when he came in, had the opportunity of speaking with the veteran. Sergt. Button has seen twenty-nine years service in the army and wears a long service ribbon on his breast. He was asked how Col. Ross was feeling and replied that when he left he was feeling very fit. He was told that there was a report that Col. Ross had been seriously ill, but he contradicted this opinion as he had seen him continually at the front. He said that he might have been ill at times but that he had never been seriously sick. He said that Col. Ross was still the idol of all the boys in the field ambulance and that he was a most efficient officer.

Sergt. Button was to have arrived on the train which brought the other convalescent soldiers to the city on Tuesday afternoon but unfortunately he missed the train at Montreal, and was forced to wait for a later one. He was much pleased with the welcome which the men had received in Montreal. There were nearly a thousand persons at the station to meet them and a band was there to play for them when the train came in. All sorts of presents were forced upon them, including quantities of tobacco.

Sergt. Button told of the numerous medical inspections the men had to undergo before they were allowed to leave the front. It is thought that the inspections are to prevent men from leaving the country who are "fed up" with the whole thing. Happily there are very few such men, and these are not at all popular. The men are first inspected at Le Havre, France, and when they are sent to England they are examined by a number of other medical boards. At Bath and Shoreham they undergo examinations and also at Quebec where they are inspected by the little button which shows that they have either seen service in England or at the front.

BELONGED TO BROCKVILLE

The Man Who Defeated Premier of British Columbia.

The Brockville Recorder congratulates Patrick Donnelly, who, on Thursday last, was elected for one of the Vancouver seats in the British Columbia legislature. Mr. Donnelly is a young man whose future is assured. He is possessed of great sagacity for he was a few years ago a resident of Brockville and when he wanted a life partner he selected a Brockville girl for his partner in Miss Jennie Bates, daughter of the late George Bates, and a sister of Mr. Andrew Bates, now of Brockville. Mr. Donnelly defeated Premier Bowser.

21ST OFFICERS PROMOTED.

Four of the Captains Are Appointed Temporary Majors.

Official notice of the promotions of several of the officers of the 21st Battalion is announced in the most recent edition of the London Gazette. Capt. H. E. Pense, A. P. Miller, H. W. Cooper and M. L. Shepherd have been appointed temporary majors, while commanding a company. Since this notice was officially gazetted it is noted with regret that Major Shepherd has been killed in action and Major H. E. Pense has been wounded.

WOMAN SUFFRAGE.

Its War Time Aspect.

London, Eng. The women of England are doing their duty. They are taking care of the wounded, or if they cannot assist in work of that kind they are using their savings to promote the good work. They are knitting and sewing for the soldiers at the front. The suffragists have given so little trouble to the government that it will undoubtedly soften the hearts of those in Parliament, since the "militants" have turned all their energies to aid the fighting men of England, and so suffrage may soon come after this terrible war is over.

Thousands of women in Canada have overcome their sufferings, and have been cured of woman's ills by Dr. Pierce's Favorite Prescription. This temperance medicine, though started nearly half a century ago, sells most widely to-day, because it is made without alcohol or narcotics. It can now be had in tablet form as well as liquid, and every woman who suffers from headache, nervousness, should take this "Prescription" of Dr. Pierce. It is prepared from nature's roots and herbs and does not contain a particle of alcohol or any narcotic. It's not a secret prescription for its ingredients are printed on wrapper.

Many a woman is nervous and irritable, feels dragged down and worn out for no reason that she can think of. In ninety-nine per cent. of these cases it is the womanly organism that requires attention; the weak back, dizzy spells and black circles about the eyes, are only symptoms. Go to the source of trouble. When that is corrected the other symptoms disappear.

St. Thomas, Ont.—"I wish to say for the benefit of other women who suffer that I recommend Dr. Pierce's Favorite Prescription as a great help. I have personally recommended the same to many who in turn have been helped a great deal by its use."—Mrs. F. J. Boyman, 19 Oliver St., St. Thomas, Ont.

A LARGE CROWD WAS PRESENT ON WEDNESDAY AFTERNOON

Two Horse Races Took Place—In Baseball Match Wolfe Island Defeated C. L. C. By 13 to 0.

Wolfe Island fair concluded on Wednesday evening with a larger crowd than Tuesday. George Rattray, secretary treasurer of the fair, stated to the Whig that the crowd this year was equal to that of 1915.

The main attractions on Wednesday were the trials of speed and the baseball game. The 2.50 class in which the horse owned by Thomas Nicholson of Kingston contested, and took second, was won by Little Minnie, owned by R. Greenwood. Directum Mack, owned by W. McAdoo of Pittsburg, took third honors. Mr. McAdoo's horse was very much troubled with a sore foot. The winner took three heats. Mr. Nicholson found it very difficult to race his horse on the track on account of the turns being so short. The free-for-all race was won by Hydric, owned by W. Gibson. Forest Boy, also owned by Mr. Gibson, took second, while Gypsy Alcune, owned by F. Stubbins of Cape Vincent, finished last.

The officials were, E. Burnside, William Murray, J. Hogan, John Davis, and A. McLaren. The baseball match between Wolfe Island and C.L.C. Juniors resulted in a win for Wolfe Island by a score of 13 to 0. The game was one of the poorest exhibitions played in some time. From the very start the Wolfe Island boys had it over the C.L.C. nine. The Teams:

Wolfe Island—Spoor, ss; Olsen, 2b; Cosgrove, 1b; McDermott, 3b; Horne, p; Card, c; Davis, lf; Connelly, cf; Stilsner, rf; McDermott, p. C.L.C.—Baird, ss; C. Warner, lf; Linton, 1b; Walsh, c; Mathews, p and 2b; Warner, 2b; Turgeon, p and rf; Sherman, 3b; Reynolds, 3b.

LT. KENNETH TAYLOR WOUNDED IN LEG

Was an Officer of No. 1 Company With Major H. E. Pense.

Jeremy Taylor, manager of the Bank of British North America, received word on Wednesday that his son, Lieut. Kenneth Taylor, had been wounded severely in the leg in the recent action on the Somme front, and is now in St. John's hospital, Etaples, France.

After qualifying as a lieutenant from the Queen's University contingent of the Canadian Officers' Training Corps, Lieut. Taylor was appointed to the 59th Battalion, and was later appointed musketry instructor. About two months ago, when the 59th Battalion was broken up as a unit in England, Lieut. Taylor was among the first of the officers qualified to go to the front. He was appointed to No. 1 Company of the 21st Battalion, and since that time has been doing good work in the Kingston battalion.

Lieut. Taylor also has a brother in the 72nd (Queen's) Battery, Quartermaster-Sergt. Jeremy Taylor, who gave up a good position in Detroit to enlist in the Canadian Expeditionary Force. Q. M. S. Taylor is now at Petawawa Camp.

It is evident from the above casualty that No. 1 Company, of which most of the boys from Kingston are members, has been in the thick of the recent fight. Two of the officers, Major H. E. Pense and Lieut. Kenneth Taylor, have been wounded, besides a number of the men of the company.

TWO YOUNG GERMANS "DRESSED UP" IN KHAKI

Prisoners in Police Cells Donned Uniforms in Endeavor to Keep Warm.

The two young Germans held at the police station for the past week, suspected of having assisted in the escape of two Germans from Fort Henry, were wondering what will be done to them, and if they will be soon transferred to Fort Henry. They are great singers, and can sing both English and German songs in great style.

On Wednesday morning, the weather was quite chilly in the cells and in order to keep warm the Germans took possession of a couple of khaki coats, which had been left there by deserters and donned them. It was quite an odd sight to see two Germans dressed in khaki.

Hair Often Ruined By Careless Washing

If you want to keep your hair looking its best, be careful what you wash it with. Don't use prepared shampoos or anything else, that contains too much alkali. This dries the scalp, makes the hair brittle and ruins it.

The best thing for steady use is just ordinary multifid coconut oil (which is pure and greaseless), and is better than anything else you can use.

One or two teaspoonfuls will cleanse the hair and scalp thoroughly. Simply moisten the hair with water and rub it in. It makes an abundance of rich, creamy lather, which rinses out easily, removing every particle of dust, dirt, dandruff and excessive oil. The hair dries quickly and evenly, and it leaves the scalp soft, and the hair fine and silky, bright, lustrous, fluffy and easy to manage.

You can get multifid coconut oil at any pharmacy, it's very cheap, and a few ounces will supply every member of the family for months.
