## THE MOTHERS' COUNCIL THE FAIR AT HARROWSMITH WAS KILLED IN ACTION

### THE NEW OFFICERS CHOSEN ON FRIDAY AFTERNOON.

Progress Made in the Work For the Benefit of the Boys—Plans Were Arranged For Future Work.

The annual meeting of the Mothers' Council of the Y. M. C. A. was held at the association building on Friday afternoon, and was largely attended. The following officers were elected for the ensuing year: Hon. president, Mrs. R. H. Taylor; president, Mrs. G. A. Bateman; 1st vice-president, Mrs. W. Craig; 2nd vice-president, Mrs. A. F. Roney; secretary, Mrs. A. Newlands; treasurer, Mrs. A. W. Richardson; social convener, Mrs. J. Hinckley; rooms convener, Mrs. A. K. Routley; music and programme convener, Mrs. Vandressar.

Reports from the convenors of the several committees were read, and all showed that progress was being made in the work for the benefit of the boys. S. T. Lilley, secretary for boys' work, read his report, which was most encouraging. There has been much good work done, and the council has a nice balance to commence the year with.

Plans were discussed for the coming season, and it was decided that a rummage sale and a tea and sale would be held. A beautiful enlarged framed photograph of Sergt. William Gimblett was presented to S. T. Lilley, and will be hung in the boys' work department. The photograph is the gift of Mrs. W. H. Gimblett.

### IT MUST BE TRUE.

#### The Whig Military Notes Come Ahead of Orders.

That the reputation of the Whig for veracity is as high as are military orders is shown by the number of officers and men who have started to shave their upper lip, quoting the Whig article of Thursday as authority. The order has not yet been issued here, as the Whig item was taken from the Ottawa order.

### WAS NOT AS ATTRACTIVE AS IN PREVIOUS YEARS

There Were No Horse Races Or Big Baseball Match—The Exhibits Were Not As Large As Before.

A very large crowd attended the Harrowsmith fair held on Friday. The fair this year was not as big an attraction as on former occasions, on account of there being no big baseball match or any horse races. The races had to be called off this season on account of the race track being used for other purposes. When the lease expired, the owner of the field adjoining the fair grounds plowed up the track and used it for farm purposes. Many who drove out from Kingston thinking they would see the old-time Harrowsmith fair were very much disappointed when no horse races were staged.

In the main building the shelves and walls were covered with fancy work, which was done by the ladies. The display of garden produce, which used to be a big attraction, was the smallest in the history of the fair, due to the bad weather in the spring which kept many of the farmers from putting in their crops.

The judges were: Horses—Dr. G. W. Bell, Kingston; Thomas Thompson, Inverary; Dr. William Nichols, Kingston; Nelson McAdoo, Pittsburg; beef cattle, John Gibson, Inverary; milking cattle, John Taylor, Latimer, and George Lucas, Odessa; sheep, James Forsythe, Harrowsmith; pigs, Elgin Stoyer, Elginburg, and William Babcock, Hartington; fowl, James Brady, Harrowsmith; grain, A. W. Sirett, Sydenham; dairy products, George Porter, Elginburg, and Earl Ryan, Hartington; useful work, Mrs. Mack Purdy and Mrs. Sidney Hicks; fine arts, Miss Ethel Clow and Miss Knapp. The officers and directors are: Edward Freeman, Hartington, president; George E. Leatherland, R. R. No. 2, Kingston, 1st vice-president; W. E. Potter, 2nd vice-president; J. S. Gallagher, Harrowsmith, secretary-treasurer.

Directors—M. B. Traves, Latimer; Chas. Hicks, Harrowsmith; Arch. Asseltine, Moscow; Thos. Kerr, Harrowsmith; Jas. Brady, Harrowsmith; Everett Smith, Moscow; William Nichols, Sydenham; William Wallace, Harrowsmith; Byron Gordon, Westbrooke.

Committee of fair—Palace, John Stewart; horses, John D. Shibley; cattle, Thos. Kerr; sheep, William Wallace; grain, George Leatherland; poultry, James Brady; pigs, W. E. Potter.

### GUARD BABY'S HEALTH IN THE SUMMER

The summer months are the most dangerous to children. The complaints of that season, which are cholera infantum, cholera, diarrhoea and dysentery, come on so quickly that often a little one is beyond aid before the mother realizes he is ill. The mother must be on guard to prevent these troubles, or if they do come on suddenly to cure them. No other medicine is of such aid to mothers during hot weather as is Baby's Own Tablets. They regulate the stomach and bowels and are absolutely safe. Sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

### LANCE-CORPORAL HARRY MINNES SERVED WITH QUEEN'S.

Left His Work With Hudson's Bay Railway When War Broke Out in Order to go Overseas—Another Brother is at Front With 26th Battery.

"Deeply regret to inform you that Lance-Corporal Harry Sutherland Minnes, of the Engineers, was officially reported killed in action on Sept. 15th."

This was the sad message that Mr. and Mrs. T. D. Minnes, of Kensington, received on Friday night from the Militia Department at Ottawa concerning their son, who was a well-known young Kingstonian and as the news passed around the city it caused keen regret for the young man was beloved by his many acquaintances. He was twenty-four years of age, and was a student in science at Queen's University. When war broke out he was engaged on the Hudson's Bay Railway. It was his intention to go overseas with the first contingent of Queen's Engineers, but on his way down to Kingston to enlist he met with an accident which delayed him. He then signed up with Major Lindsay Malcolm.

Deceased was born in this city, and is survived by his parents and two brothers. One brother, Victor, is at the front with the 26th Battery, and the other brother, under military age, is at home. Deceased was a nephew of Capt. J. T. Sutherland and John H. Sutherland.

Mr. and Mrs. Minnes received many interesting letters from Lance-Corporal Minnes while he was overseas. In the last letter he enquired about Lieut. Edwin Baker, of Collins Bay, stating that "the boys" were anxious to hear how he was getting along.
