HORSE-RACING AT HAVANA

PREPARATIONS FOR THE LONG WINTER MEETING

Racing in Cuba Profitable For The Horsemen—There Will Be Over Eighty Days Of The Sport.

The arrival of two carloads of horses at Oriental Park, Havana, last week brings to mind the fact that in a short time the racing season in Cuba will again begin. The people of the island are anxiously looking forward to a resumption of the sport at the beautiful course in Marianao. Racing in Cuba has already become a fixture, and is fast taking a strong hold on the people down here. They have learned that the sport is conducted on a high-class plane, and that no pleasanter afternoon's outing can be spent than a visit to Oriental Park.

The management of the Cuban-American Jockey Club has mapped out rather pretentious plans for the coming winter meeting. Every effort will be made to attract some high-class horses, and the owners of the better class of thoroughbreds will be catered to. Special days every week will be set aside as "society days," when extra attractions will be provided in the way of rich handicaps and band concerts by the wonderful Municipal Band. And speaking of bands, the Municipal Band is really one of the greatest organizations of its kind on this continent, as everyone who has listened to one of their concerts will testify to. During the past few months Secretary Flynn has received applications for membership to the club from many prominent gentlemen on the island, and the club house this winter promises to be the scenes of many brilliant gatherings.

As to the racing this winter, there will be some eighty odd days of the sport. There will be a sort of preliminary season of three weeks, starting on December 7, when racing will be held on Thursdays Saturdays and Sundays. Beginning Christmas Day the regular season will be started, with racing six days a week. The smallest purse will be \$400, and they will range in value up to \$1,000. There will be a \$1,000 handicap at least once a week, and if conditions warrant, twice a week.

Racing in Cuba is profitable for the horsemen. Last winter the Bedwell stable won \$20,000, and the club hung up in purses about \$200,000. There were 300 horses on the grounds, and about 250 started during the meeting.

COACHES CUBAN COLLEGIANS

Former University of Toronto Star at Havana. Dr. "Dick" Grant, former University of Toronto and Harvard mile runner, who is a St. Mary's Ont. boy and brother of Alex. Grant, also a famous athlete, has been appointed director of athletics at the University of Havana, Cuba. Dr. Grant went to Toronto last spring and endeavored to enlist in the 150th (Sportsmen's) Battalion, but was rejected as being over age.

While at University of Toronto the veteran athlete won the Canadian intercollegiate titles at various distances, and also held the United States intercollegiate mile record for several years. His figures were not bettered until recently. The University of Havana has taken up rowing as a major sport since Dr. Grant went to the Cuban city, and he is now endeavoring to secure a coach for the crews.

SPEAKER HAS COBB'S CROWN

First Time Since 1906 That Cobb Has Not Led Hitters.

Speaker put another point between him and Cobb in the race for the American league batting championship last week, and with Cobb's concession of the title, may now be reckoned the champion. It will be the first time since 1906 that any player participating in more than fifty games has out-hit Cobb in the American League. The Georgian still leads in stolen bases with 60 against his record of 96 for the whole season last year; and also is in front in number of runs scored with 103, compared with 144 for the whole 1915 season.

Leading batters who have played in half their teams' games including Wednesday's: Speaker, Cleveland, .391; Cobb, Detroit, .360; Jackson, Chicago, .348; Strunk Philadelphia, .316; Gardner, Boston, .312; E. Collins, Chicago, .309; Yeach, Detroit, .301; Sisler, St. Louis, .299; Roth, Cleveland, .293; Nunamaker, New York, .292.

Hal Chase of Cincinnati, is still in front in the National League race, and Daubert, who led the league a large part of the season, has dropped to fourth place. Brooklyn leads in team hitting, with .339. The leading batters are: Chase, Cincinnati, .330; Wheat, Brooklyn, .324; McCarty, Brooklyn-New York, .323; Daubert, Brooklyn, .314; Hornsby, St. Louis, .312; Hinchman, Pittsburgh, .307; Robertson, New York, .306; Wagner, Pittsburgh, .298; Stock, Philadelphia, .294; Long, St. Louis, .290.

BASEBALL IN SWEDEN

Swedish Youngsters Took Keen Interest In American.

King Gustave of Sweden attended one of the two exhibition baseball games which the American soccer team played at Stockholm and Vasteras, respectively, and expressed himself as delighted with the American national pastime.

"Wonderful, wonderful" were his exact words to Secretary Cahill. Discussing baseball, Mr. Cahill said that he had distributed a score of baseballs among the Swedish youngsters, who took to the game like ducks to water. It is possible that he may return to Sweden within a year for the purpose of furthering the interest in the game over there. In the two games played the Americans lent some of their own players to their opponents and won by 8 to 7 in a ten-inning game at Stockholm, the one which was witnessed by the King, and by 21 to 15 at Vasteras. An odd feature of the first game was the fact that the play was not started until 6.30 p.m. A twelve-page programme, giving the line-up of the two teams, and a description of the game and illustrated by a diamond, showed the Swedish baseball enthusiasts to be distinctly up-to-date.

It is expected that all attendance and gate money records in the world's series will be broken this year. Not for several seasons has the interest been so keen. Bravest Field at Boston and Ebbetts' Field at Brooklyn are two of the largest steel and concrete plants in the major leagues. It will not be necessary to turn away as many fans as heretofore because of lack of accommodation.

TURF GOSSIP.

The mare Andrey Austin, half-sister to Southern Maid, has been turned over by T. J. Bird to Captain Presgrave, who will breed her next spring to Brano Tumbo, with the idea of getting a King's Plater. Tar Brush, in the Bird stable, has been fired and will be turned out for the winter.

J. K. L. Ross, of Montreal, one of the prominent Canadian owners, contemplates purchasing a stock farm near Montreal. He is extensively interested in the thoroughbreds, and it is his ambition to breed some high-class racers. He already has the foundation for his stud in several well-bred mares.

A remarkable exhibition of riding was given by Jockey McTaggart at Havre de Grace. He had the mount on Naushon, and soon after the start the horse stumbled and went to his knees, McTaggart going over his head. He managed to hold on in this position for a sixteenth of a mile, finally getting back into the saddle, but was so far out of it when the accident occurred that he pulled up.

BASEBALL BRIEFS.

Harold Janvrin, the former International League player, is doing great work at second base for the Boston Red Sox, in the absence of Jack Barry.

Pie Way, the former Yale pitcher, who was with Rochester for part of the season, has rejoined the Giants and will likely be used for the remainder of the season.

"Rube" Benton never pitched better ball than at the present time. Whenever he starts a Giant success seems sure.

The owners of the Giants will make much money this year. They have recovered the big money paid for Rariden, Anderson, Roush, Kauf, Sallee and Herzog.

In order to commemorate the completion of ten years' service of Nat Rucker in a Brooklyn uniform, Co. Ebbetts has set aside October 2nd as "Rucker Day." The Giants will oppose the Dodgers on that day.

Big Paul Smith, who was with Montreal all season, but was sold to Cincinnati, made a good impression on his first appearance with the Reds. He fielded in splendid fashion and hit the ball hard.

Grover Cleveland Alexander earned his second bonus of \$1,000 on Saturday by winning his thirtieth game of the season. Recently the Philadelphia club paid him \$1,000 for winning twenty-five games. Saturday he pitched and won both games of a double header, but what is more remarkable, he shut-out his opponents in the second game.

Red Sox Favorites.

The Boston Red Sox are counted sure winners of the American League pennant and several wagers have been made in the financial district of New York that they would also win the world's series, whether opposed to the Brooklyn Robins or the Phillies.

L. J. Stokes, a curb broker, offered one wager of \$1,000 to \$900 that the Red Sox would retain their title of world's champions, while several smaller wagers at odds of 10 to 8 were made.
