GRANDMA USED SAGE TEA TO DARKEN HAIR

She Mixed Sulphur With It To Restore Color, Gloss, Youthfulness.

Common garden sage brewed into a heavy tea with sulphur added, will turn gray, streaked and faded hair beautifully dark and luxuriant. Just a few applications will prove a revelation if your hair is fading, streaked or gray. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get a 50-cent bottle of Wyeth's Sage and Sulphur Compound at any drug store all ready for use. This is the old time recipe improved by the addition of other ingredients. While wispy, gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur Compound on one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared, and after another application or two, your hair becomes beautifully dark, glossy, soft and luxuriant. This preparation is a delightful toilet requisite and is not intended for the cure, mitigation or prevention of disease.

EAT LESS AND TAKE SALTS FOR KIDNEYS

Take a Glass of Salts If Your Back Hurts or Bladder Bothers.

The American men and women must guard constantly against kidney trouble, because we eat too much and all our food is rich. Our blood is filled with uric acid which the kidneys strive to filter out, they weaken from overwork, become sluggish, the eliminative tissues clog and the result is kidney trouble, bladder weakness and a general ailment in health. When your kidneys feel like lumps of lead; your back hurts or the urine is cloggy, full of sediment or you are obliged to seek relief two or three times during the night; if you suffer with sick headaches or dizzy, nervous spells, acid stomach, or you have rheumatism when the weather is bad, get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys; to neutralize the acids in the urine so it no longer is a source of irritation, thus ending bladder disorders. Jad Salts is inexpensive; cannot injure, makes a delightful effervescent lithia-water beverage, and belongs in every home, because nobody can make a mistake by having a good kidney flushing any time.

EBITUARY

Late Rev. William Lewin. Rev. William Lewin, M. A., for many years a resident of Kingston, passed away on Saturday in Philadelphia, having been seriously ill only three days. About two years ago he left Kingston and went to Saskatoon to reside with his son, Frank. The climate there, however, didn't agree with him, and a few months ago he went to Philadelphia in an effort to recover his health, and was the guest of a former curate of his, Rev. Mr. Clay.

Rev. Mr. Lewin was born in England, and was well on in the nineties. He was educated partly in England and partly in Ireland, taking the degree of M.A. from Trinity College, Dublin. After doing some educational work in England, he came out to Canada while still a young man, and had charge of the Newburgh Academy for some years. Taking holy orders under Archbishop Lewis, he was appointed missionary at Shannonville in 1863 and remained there until 1870, from 1870 to 1874 he was curate at Picton, going from there to Merrickville, where he remained only a few months. From 1876 to 1881 he was rector of St. John's church at Prescott, and from 1879 to 1881 was rural dean of Grenville, and in 1881 he retired and took up his residence in Kingston. His wife predeceased him some years ago, and his only immediate survivors are one son, Frank, and a number of grandchildren.

During his residence in the city, Rev. Mr. Lewin proved himself to be a splendid citizen. He was a very learned man and could talk with authority on almost any subject. The body of Mr. Lewin will be brought Tuesday evening to St. George's Cathedral, where it will remain all night. There will be a celebration of the Holy Communion at which the Bishop of Kingston will officiate. The funeral services will be at 10 o'clock Wednesday morning.

Late Philip Vanness. Philip Vanness passed away Monday at the home of his son-in-law, W. S. McAdoo, Kilburne, aged eighty-one years. The deceased was born on Wolfe Island, and lived there until four years ago, when he went to reside with his daughter and son-in-law. He was a farmer on the island, and was highly esteemed by all that knew him. He is survived by six sons and one daughter; Dr. Charles Lyan Grove Iowa; William, Minneapolis, Minn., and Mrs. W. S. McAdoo, Kilburne.

Lieut. Cecil Stuart, son of J. Russell Stuart suffered shell shock in the recent fighting in which he distinguished himself by capturing twenty Germans, but was able to go back to the line.

A GERMAN SUBMARINE CHASING SAM HUGHES

Newport is only a few miles from Halifax, where the liner arrived on Thursday with Sir Sam Hughes, Sir William McKenzie and other notables aboard.
