FROM LIUT.-GENERAL HUGHES.

Writes Letter of Condolence to Mrs. James Hawkins.
Mrs. Hawkins, wife of Pte. James Hawkins, killed at the front, on Thursday morning received the following letter from Lieut.-General Sam Hughes, Minister of Militia and Defence:

"Will you kindly accept my sincere sympathy and condolence in the decease of that worthy citizen and heroic soldier, Pte. James Hawkins. While one cannot too deeply mourn the loss of such a brave comrade, there is consolation in knowing that he did his duty fearlessly and well, and gave his life for the cause of liberty and the upholding of the Empire."
Pte. Hawkins, who is a South African war veteran, seen twelve years' service in an English regiment before coming to Canada.

ADDRESSES BY DR. GOFORTH WAY OF TIPPLER HARD

MISSIONARY SPOKE TWICE IN ST. ANDREW'S.

His Messages Were Most Inspiring—Declared Churches Should Be Run Without Cards and Dancing.
Rev. Dr. Goforth, Presbyterian minister to Honan, China, delivered a stirring address in St. Andrew's church Wednesday night to a large audience composed of members of the different Presbyterian churches of the city. Principal Gordon presided, and introduced the speaker in a short speech, in which he extolled the work that the missionaries were doing in foreign lands.
Dr. Goforth said that what was needed was an overflow of the churches in Christian lands. Such an overflow was as necessary to the salvation of the world as the overflow of the Nile was to the salvation of Egypt. There should be an overflow of faith, of love, of obedience, and of sacrifice. There was an overflow of these graces among the native Christians in China, and great good was being accomplished. As in the days of Christ, demons were being cast out. There were plenty of devils in Canada, but they were not so crude or violent as those to be found in China. There men and women blasphemed while they prayed for mercy.
War would have been impossible. If there had been an overflow of love in the Christian Church the present war would never have resulted. When there was a full overflow of love no earthly boundaries would be recognized. The world would be one.
If God controlled, it would be possible to run the churches and the Y. M. C. A.'s without their having to put the seal of approval on cards, dancing, etc. A man could be a Christian and play cards, but he couldn't be the best Christian.
The Allies would never win over the foe in the present struggle unless they were prepared to sacrifice more men, and if the greatest of all wars, the conflict against evil, was to be won, more missionaries must be sent forth. There was lots of money in Canada, but how little it went to foreign lands.

China an Open Door.
China was an open door to the missionary. The Chinese realized their own religions were pagan and that the gospel of Christ was the power of God unto salvation. The fields were white unto the harvest, but there was a lack of reapers.
The singing was led by a union choir, and Mrs. Archer sang with fine effect "I'll Go Where You Want Me to Go, Dear Lord."
Wednesday afternoon Dr. Goforth addressed the Woman's Missionary Society of St. Andrew's church, giving an inspiring account of mission work in China. A thank offering was taken up, and about \$30 received.
Mrs. Carr-Harris, president of the society, presided over a large gathering.

War of Tippler Hard
First Summons Case Since the Temperance Act Came Into Effect—An Assault Case Was Dismissed.
The prohibition axe fell at the Thursday morning session of the Police court. It fell on Edwin Bullock, who lives near the corner of Ontario and Brock street, and made a cut in his bank book to the extent of \$10, plus the costs of the court.
Edwin is very fond of liquor. Some few months ago it will be remembered that his house was raided by the police, and quite a supply of both hard and soft "stuff" was gathered in, including a keg of beer.
On Wednesday Constable Samuel Arniel caught Bullock quite drunk and acting in a disorderly manner on the street, and got out a summons for him under the Temperance act. This was the first summons to be issued under the new Act. When arraigned, Bullock admitted that he had been drinking.
"I got the liquor before the hotels were closed and put it away," was the excuse the accused gave.
"Well, is your supply all gone now?" asked the magistrate.
"Yes, I finished it up on Wednesday afternoon."
The option was one month in jail, but as soon as the session of the court was over Bullock went over to his home in company with Constable John Naylon and secured the money.
It certainly costs money to drink whiskey these days, judging by the way the fines are being handed out.
Ross Berrigan, a young man, was charged with assaulting one Edward Thurov, but the latter was conspicuous by his absence. Constable Arniel stated that he had been notified to be present. The accused pleaded "not guilty." As the complainant was not present the magistrate dismissed the charge.

A BIBLE CLASS RALLY

Held in the First Baptist Church Wednesday Evening.
The Organized Adult Bible Class of the First Baptist Bible school held a successful "Rally" meeting last evening. There was a large number present, and a good programme was put on.
The Ladies' Aid served tea at 6:30 o'clock. Between the hours of 7 and 8 o'clock Rev. George House gave a number of very fine selections on the new Edison diamond disc phonograph. At 8 o'clock the president of the class, Mr. Musselwhite, took the chair. After the opening devotions the following programme was carried out: An instrumental duet by the Misses Isabella Leslie and Phyllis Salisbury; a solo by Mrs. (Prof.) Mather; a song, "My Mother's Bible," by Mr. Edmonson, the different parts being illustrated by pictures thrown upon the screen.
The speaker for the evening was the Rev. Alexander White, of Renfrew. Mr. White is somewhat of an expert in organized Bible class work, and gave an excellent and very helpful address.

LIUT. WALKER'S WOUNDS

Reported Serious by the Secretary of the War Office.
The Secretary of the War Office, London, Eng., cables to J. B. Walker that his son, Lieut. H. C. C. Walker, R. E., is seriously ill at 20 General Hospital, Camiers, France, with gunshot wounds in chest and arm. Mr. Walker has asked the War Office to keep him advised as to his son's condition. A previous cable said that Lieut. Walker's wounds were slight.

At Not Being Allowed to Return From Front to Finish Course.

Twenty-seven medical students of the year '17 of Queen's, serving with No. 7 Canadian General Hospital in France, have written a protest over receiving no special military recognition. They say they have seen eighteen months' active service. The medical students of "Varsity '17" have returned long ago, and they think it unjust that they also have not been recalled in view of the fact that after the war there will be greater need for medical men than ever before, and as it is a serious thing to empty the medical schools of their students when the war may last for some years.

TWO BROTHERS FIGHTING.

Former Residents of This District Write Letters.
John Mundell, of Plunkett, Sask., a former resident of this district, has received interesting letters from his two sons, who are serving at the front.

Signaller A. J. Mundell enlisted in August, 1915, in the 77th Battalion at Ottawa, went overseas last June, and was transferred to the 87th Battalion at Branshott, England. He went to France on August 11th.

Pte. Wesson Mundell enlisted with the 65th Battalion at Saskatoon, last January, and went overseas last June. He was transferred to the 46th Battalion at Branshott, Eng., and went to France on Aug. 9th.

Signaller Mundell tells of his work on the telephones, receiving messages and says he gets his sleep just when Fritz allows him to. At the time of writing, he was putting away with rifle and machine gun fire.

Pte. Mundell declares that the third year of the war belongs to the Allies, and feels confident that by next August, at least, the Germans will have had enough of fighting. Both boys are in fine health.

Extra Club Rooms Needed.
There is a great need at the local Y.M.C.A. for extra clubrooms. On Wednesday evening there were four of the junior clubs holding meetings at the same time. The clubs which met for study were the Argonauts, the Ever Ready, the Heavers and the Drednaughts. These clubs have as their leaders John Stephens, Frank Newman, Roy Ward and Hunter.
