Dressing Station, Firing Line—Official Film, "Battle of the Somme."

An urgent call for help again goes forth from the Motherland's mighty life-saving agency—the British Red Cross. The Empire is called upon to give greatly, give lovingly, give quickly, that the sick, wounded and suffering on all the battle fronts may not languish and perish in their hours of deepest need.

Here is a great work in which all can share. The Joint War Committee of the British Red Cross Society and Order of St. John is the only institution which carries voluntary aid to the sick and wounded of the British forces on land and sea in every region of the war. Thousands of lives of our bravest and best are saved through this splendid work. YOUR gift may save a life. Isn't it worth doing? IT IS. GIVE!

Make "Our Day" Your Red Cross Gift Day Give on October 19th

Ontario's princely gift in 1915 of \$1,514,000 rang, a clarion mercy call, throughout the Empire. The British Red Cross were grateful beyond measure, and their appeal through Lord Lansdowne, President, now comes to us as to friends who sympathize and help. The need is greater to-day than a year ago—IT IS EVER GROWING. Will Ontario do less than she did last year? No! GIVE—give a day's pay, give all you can, GIVE!

Premier Hearst Has Seen the Work

"My visit to England and France has aroused deeper appreciation than ever of the splendid work of the Red Cross. It deserves every support, and I trust the people of Ontario will respond with their usual generosity to the British Red Cross Appeal for October 19th."

HON. W. H. HEARST, Prime Minister of Ontario.

He gives twice who gives quickly. Your help is needed NOW!

The Motherland's only direct appeal to us for help in this great war is her great Red Cross money work. Ontario's response must and will be quick and generous. Give through the Treasurer of your Local Committee—or, send your subscription to the Clerk of your municipality—or, make it payable to Hon. T. W. McGarry, Treasurer British Red Cross Fund for Ontario, Parliament Buildings, Toronto.

It is a perfect marvel of efficiency."

DYSPEPSIA OF WOMEN

Special Treatment Required.

Many women suffer from a form of indigestion or dyspepsia which does not yield to ordinary treatment. While the symptoms are similar to those of ordinary indigestion, yet the medicines usually given do not restore the patient's normal condition.

There seems to be a kind of dyspepsia caused by derangement of the female organism. While this appears to be the same as ordinary indigestion it can be relieved only by a medicine which, besides acting as a stomach tonic, is good for female ailments. Read what such a medicine did for Mrs. Williams:

She says:—"Before I began taking Lydia E. Pinkham's Vegetable Compound I was troubled with dyspepsia and bearing down pains in my back and sides, and after my meals my stomach would bloat up till I could scarcely get my breath. At times I was so weak I could hardly stand on my feet and I looked hollow-eyed and my skin was yellow. Now I have a good color, have gained in every way and can do my work without any pains. I think it is the best medicine on earth for stomach troubles of women."
